the first time how the philosopher was set up who did it and why The influence of the ancient Greek philosopher Socrates has been profound Even today over two thousand years after his death he remains one of the most renowned humans to have ever lived occupying a stratum with the likes of Buddha Jesus Muhammed Confucius and Moses It may not be too much to say that Socrates is the single most recognizable name in the history of all humanity The death of Socrates is in some ways the most famous unsolved murder mystery in history This book will solve the mystery revealing for the first time how he was set up who did it and why What follows is not a philosophical tract but something closer to a novel made all the more compelling because it s true This is a real life whodunit intertwined with a long running war rivalry sex addiction betrayal sedition starvation and epic bravery Socrates was the most rational of men living in the most irrational of times There is another side to this story impiety lack of reverence for the gods was a religious crime From the perspective of the religious authorities of the time the charge of impiety against Socrates was warranted his trial just and the penalty appropriate The priests did not tolerate scrutiny even in the form of philosophical critique To understand what happened and how it happened we have to come to terms with the motives of the priests and as importantly Socrates motives in provoking them His trial is perhaps first but not last great battle between philosophy and religion The repercussions of this ancient epic apply equally to the West today as Athens also endured pendulum swings between democracy and oligarchy always with bloodshed and never with Socrates s approval Victorine Catherine Texier,2007-12-18 In 1899 Victorine Texier abandons her small French village her husband and her two young children to follow her lover to Indochina She has fallen for Antoine her childhood sweetheart and when his work sends him to Asia she is compelled to go with him and to leave everything she knows behind Their five weeks together onboard the ship to Indochina are a kind of honeymoon a prelude to their liberation in a sultry new world of frangipani trees and monsoons Victorine gives herself over completely to this exhilarating new life of colonial extravagance that is until she encounters her youngest sister who has also been living in Hanoi and Saigon This reunion both joyous and tense reminds Victorine all too painfully of her life and family in France and forces her to confront exactly what she has done Vividly narrated through a series of flashbacks Victorine is a richly textured and passionate story of rebellion guilt and unruly love *Little Dead Man* Jake Bible,2014-05-15 Decades after the zombie apocalypse seventeen year old Garret Weir just wants to be a normal teenager As if dealing with the zombies isn t hard enough his annoying twin brother refuses to leave him in peace And it s not like Garret can just go to his room and shut the door to get away His brother Garth is a zombie and conjoined to the top of Garret s spine Good times Forced from his hidden mountain compound Garret must learn who to trust and who to fear as he and Garth are thrust into a world more horrific than anything they could imagine Fighting for their lives in a foreign landscape the brothers head north to find their father who may have the answer to the deadly virus that caused the zombie apocalypse Along their way they meet new friends learn betrayal the hard way fight for their mother s life run from deadly enemies and discover that life may have seemed difficult before but can always get a

whole lot worse A fast paced high action novel that doesn't pull any punches Little Dead Man is a surprisingly sweet story of two brothers one living one undead that struggle with a mother that is mentally unstable a missing father that has kept too many secrets and a lie their parents have always told that they are the last survivors on Earth When the truth of that lie is revealed Garret and Garth quickly find out that having other survivors in the world isn't exactly a good thing In fact it's quite deadly Blackwood's Edinburgh Magazine ,1861 **Blackwood's Magazine** ,1919 **Light Amid Darkness** Daphne Randall,2015-12-08 More than mere autobiography Light Amid Darkness presents an account of an English childhood set in the context of several generations of the Pope Birkett and Kelly families each of which must strive to overcome the challenges setbacks and tragedies of their age It is a tale of human loss and gain of countless hardships faced and overcome and of the enduring personal victory of love hope faith and determination The story commences during the reign of Queen Victoria at the height of the British Empire and it concludes during that of her great granddaughter the Second Elizabeth at a time when Britain was coming to terms with the loss of that same empire The themes of emigration early life on the Canadian frontier the promises of young love and the poignancy of love amidst the carnage of the Somme the joy of marriage and the despair of abandonment and growing up in wartime England all are explored in this unique and cogent portrayal of an English childhood **The Little Jane Silver 2-Book Bundle** Adira Rotstein,2014-02-12 Presenting both of Little Jane Silver's piratical adventures in one special bundle Little Jane Silver is the granddaughter of the notorious pirate Long John Silver Growing up on her parents ship she vows to become a real pirate As her ship is pursued by a mysterious pirate hunter and on her own for the first time Little Jane must grow up fast and find the courage to undergo the most important test of her young life a quest to save her family In Little Jane Silver and the Nameless Isle Little Jane is on a quest to the Nameless Isle a journey only her parents have survived Will she rise to the task and save her parents treasure from the pirate hunter Fetzcaro Madsea or will the treachery of the voyage prove too daunting These two books are exciting journeys back to swashbuckling lawless days on the open seas but viewed uniquely through the eyes of an adventurous young girl Includes Little Jane Silver Little Janes Silver and the Nameless Isle
