Longevity And Wellbeing The Abkhazian:

Longevity and Well-Being Murat Yagan, Mary Anne Kingsmill, 1999

In the Mountains Ned Morgan, 2019-10-03

Mountains have forever been steeped in poetry symbolism and mystery inspiring everyone from the explorers who wish to scale every peak to those who wish to walk in the valleys ski the slopes or take in the crisp air and feel renewed once more. These rooftops of the world encourage us to see the bigger picture appreciate the world around us and the sensations in our own bodies. The mountains offer clarity and a sense of getting away from it all they call to our wild side and are in many physical and mental ways good for us. The benefits of spending time at altitude include Weight loss Improved heart health Reduced stress Improved the quality of sleep Improved immune function Encouraged physical fitness and activity Improved mental agility and creativity Improved mood Improved self esteem self awareness and sense of wellbeing. As the world's population becomes increasingly urbanised the need for a healthy relationship with nature is more important than ever both from a psychological wellbeing and physical health point of view. *In the Mountains* is an awe inspiring book that takes us on a journey to reveal the health and wellbeing benefits of spending time at altitude and also teaches how we can be inspired by the research to bring elements of a mountain lifestyle into our everyday lives from spending more time outdoors walking on uneven ground whenever possible and enjoying the medicinal benefits of mountain herbs. **Paradise found at last!**

Roberto Stanzani, Sergio Senesi, 2017-02-27 Do you ever feel overwhelmed by your life Do you really want to live in a better world Would you like to know more about the world you are living in Then this is the right e book for you You will be taken on a captivating tour where you will be shown a wide range of topics which will help you to spot the best place in the world and therefore to find out your own Eden. The book takes into account the geophysical climatic conditions areas at greater risk from future earthquakes hurricane danger zones and so on economic cost of living tax pressure inflation and so on and social aspects criminality index education level healthcare quality and so on of each country in the world. Each chapter examines its topic in depth and as pictures speak louder than words a world map shows in different colours the specific conditions of the countries. The world is full of lies of half truths and of statistics as well. This is the reason why the figures of our world maps come from a reliable source. The statistical data are supplied by the leading organisations on the subject ONU World Bank NOAA etc. These figures can be fully relied on. All you have to do is compare the different countries in the world and you will discover your own Eden the real place able to meet your unique requirements and needs. N B Coloured maps inside.
