Longman Companion To Twentieth Century Literature:

Longman Companion to Twentieth Century Literature Alfred Charles Ward, 1975-01-01 **Twentieth-Century Suspense** Clive Bloom, 1990-05-01 This series aims to bring to academics students and general readers the best contemporary criticism on neglected literary and cultural areas This volume contains 17 critical essays on influential suspense writers of the 20th century *Domestic Modernism, the Interwar Novel, and E.H. Young* Chiara Briganti, Kathy Mezei, 2016-12-05 Domestic Modernism the Interwar Novel and E H Young provides a valuable analytical model for reading a large body of modernist works by women who have suffered not only from a lack of critical attention but from the assumption that experimental modernist techniques are the only expression of the modern In the process of documenting the publication and reception history of E H Young s novels the authors suggest a paradigm for analyzing the situation of women writers during the interwar years Their discussion of Young in the context of both canonical and noncanonical writers challenges the generic label and literary status of the domestic novel as well as facile assumptions about popular and middlebrow fiction canon formation aesthetic value and modernity The authors also make a significant contribution to discussions of the everyday and to the burgeoning field of homeculture as they show that the fictional embodiment and inscription of home by writers such as Young Virginia Woolf Elizabeth Bowen Ivy Compton Burnett Lettice Cooper E M Delafield Stella Gibbons Storm Jameson and E Arnot Robertson epitomize the long standing symbiosis between architecture and literature or more specifically between the house and the novel *The Historical Jesus in the Twentieth Century* Walter P. Weaver, 1999-07-01 Written in a clear and engaging style Weaver s story chronicles not only the progress of Jesus research but also the cultural drifts and sociological phenomena that relate to the varying pictures of Jesus that scholarship has produced

From the Writer's Desk: I am very much grateful to the Almighty and everyone whose blessings and inspirations have motivated me to write this book. Muriel Spark was a Unique voice of the 20th Century. In this book, an attempt has been made to incorporate the feelings, emotions, disturbances, instabilities of the Man that was represented in Muriel Spark's works through her Characters. The moments, desires, fears that dwell in the mind of the character for which they are not responsible, I have tried to encompass the entire scenario by reflecting their situations in different chapters.
