The Big Influence of Small Things Brett Blair, Tim Carpenter, 2003 Anyone who has done children's sermons will sooner or later hear from someone that I learn more from the children's sermon than I do from the real sermon. And indeed the truths of scripture are so simple that even a child can understand them. So it's no accident that children's sermons have become a central part of the worship service in many churches. Brett Blair and Tim Carpenter offer a year's worth of object lessons that engage children and impart profound lessons for all ages. Two sermons are provided for each Sunday in Cycle A of the Revised Common Lectionary: one based on the Second Lesson and one based on the Gospel. The messages are structured in two parts: the lesson uses an object to draw out active responses from children then the application connects that object to the assigned scripture reading. Each message includes a clear statement of its exegetical aim. Bright, innovative, perceptive, creative, grace filled. Brett Blair and Tim Carpenter are all of those and much much more and that is reflected beautifully in their new book *The Big Influence Of Small Things*.

James W Moore, Pastor St Luke's United Methodist Church, Houston, Texas. Brett Blair is the pastor of Scenic Hills United Methodist Church in Memphis, Tennessee. He holds the M Div degree from Yale University Divinity School and is a cum laude graduate of Oral Roberts University with B A and M A degrees in New Testament Literature. Tim Carpenter is the pastor of First United Methodist Church in Bolivar, Tennessee. He is a magna cum laude graduate from Memphis Theological Seminary with a M Div degree and holds the B A degree in Political Science from the University of Florida.

The Forbidden List David Grace, 2009-09-17 More than sixty years ago revolutionary technology was seized from a Nazi slave labor laboratory in central Europe and consigned by the Government to the Forbidden List to be kept secret forever. But forever is a long time. Recently Deputy

Assistant Secretary of Defense Daniel Rivers stumbled across the material and plotted to make a fortune from its release. Rivers' scheme was discovered and everyone relaxed when he was quietly silenced with a commitment to the Wheaton Fields Psychiatric Clinic. Relaxed that is until it was discovered that a copy of the startling data was missing. Now competing forces are plotting to recover the revolutionary discovery. In the middle of this free for all is Dr Steven Westbrook, the new Medical Director at the Wheaton Fields Hospital. On Westbrook's second day as Medical Director he's confronted with Daniel Rivers' murder, which is soon followed by a puzzling series of events as the battle to find and exploit the missing technology becomes increasingly more lethal and draws Westbrook ever deeper into its web.

Bring Him Home Nicole Trope, 2021-03-30

I literally could not put this one down. I started this book late last night and I didn't stop till I finished it at 4am. It was quite literally unputdownable. Amazing. Impossible to stop reading. I absolutely loved it. Goodreads reviewer Where is he? Where's my beloved child with his father's blue eyes and a halo of golden curls? My little boy is out there on his own. Please keep him safe. I silently beg please please just keep him safe. Your son is missing they say and life as I know it is over. Where would he go? The police ask. Where would he be? My daughter begs. My heart races as images flash in my mind. The cabin we rent every autumn surrounded by fiery red maple trees. Voices raised. Tears falling. A marriage falling apart. And worst of all my husband telling our child Theo to run. The rest is a blank in my memory. If I close my eyes I can almost see it. A betrayal that has left me alone in tatters, grieving for what we had. It wasn't meant to be like that. It should have been precious time as a family with boardgames, walks in the mountain and pancakes for breakfast. Instead my little one is has vanished. They are looking for him, the nurse told me, but the storm is slowing down the search. The police think Theo has the answers that he knows what tore our family apart. But I have no idea where he is. No clue if he is safe. I won't survive unless I bring him home. But if I do and the truth comes out will I survive that? A completely gripping beautifully written and totally heartbreaking page turner which examines what happens behind closed doors and the secrets that can shatter a family.
