**Look What You Made Me Do** Megan Norris, 2023-08-02 One Australian woman is hospitalised every three hours and two more lose their lives each week as a result of family violence But for some women there is a punishment far more enduring than injury or their own death **Look What You Made Me Do** is a timely exploration of the evil inflicted by vengeful fathers who have killed their own flesh and blood simply to punish partners for ending unrewarding often abusive relationships Focussing on ten different but equally harrowing cases of spousal revenge dating back thirty years award winning author Megan Norris draws upon her own experience as a former court and crime reporter to examine the horrific murders of eighteen children who were the collateral damage in crimes where the real target of their angry dad's rage was their mother From the 2018 cold blooded shooting murders of Sydney teenagers Jack and Jennifer Edwards whose abusive businessman father was granted a licence to kill by the NSW Firearms Registry despite a shocking history of family violence dating back three decades to the heinous premeditated homicides of Queensland mum Hannah Clarke who succumbed to her own horrific injuries after watching her three young children burn to death at the hands of their violent father this book shows it is not only women who are at risk when family violence turns deadly Now recognised as the ultimate act of domestic violence a man could inflict on his partner Norris's award winning book shines a light on the disturbing connection between family violence and retaliatory homicide and explores the shattering legacy of grief that such crimes have on surviving mothers A book that allows these serious crimes to be better understood and ultimately informs and advocates for new approaches to managing these complex and
