## Look Through Secret Doors:

The Secret Door J A. Warrick, 2012-05 When Jesus said Seek and you will find ask and the door will be opened he was literally pointing the way for each and every one of us to find the secret door within Find out why doing this is so important why the scriptures which spoke of the need for this were banned and hidden so many centuries ago and why seeking understanding of everything Jesus said is more important now than ever before Find out who the fallen angels were and are when they are likely to return and why in the words of the apostle Paul its imperative to take unto you the whole armor of God that ye may be able to withstand in the evil day and having done all to stand Ephesians 6 13 That evil day is much nearer than most people realize It is in fact nearly upon us *A Search in Secret Egypt* Paul Brunton, 2015-11-24 In this book philosopher Paul Brunton 1898 1981 encounters the mysteries and magic of Egypt in the 1930s including an eerie yet illuminating night spent alone inside the Great Pyramid Alongside his explorations of ancient Egypt s monuments and gods Brunton encounters a variety of occultists fakirs and dervishes and even manages to become initiated into the deadly art of snake charming His frank interviews with Muslim leaders remain relevant today and his description of the Hajj reflects the beauty and inspiring faith of Mohammad s true followers Brunton s journey to discover the furthest reaches of what the mind and body are capable of and to distinguish various forms of yoga and magic from true spirituality lead him to the myth of Osiris and to the mystery that is the Sphinx itself In the end Brunton turns his attention to his own spiritual path connecting all of his experiences into a single discovery that we are more than the body and that the freedom of our spirit can be experienced here and now This new edition has been updated to incorporate Brunton s final revisions and includes an introduction by the Paul Brunton Philosophic Foundation Paul Brunton was a great original and got to a place of personal evolution that illumines the pathways of a future humanity Jean Houston author of *A Passion for the Possible* and *A Mythic Life* Any serious man or woman in search of spiritual ideas will find a surprising challenge and an authentic source of inspiration and intellectual nourishment in the writings of Paul Brunton Jacob Needleman author of *What is God*
