Looking Back A Living Testimony:

Looking Back Cecelia T. Robinson, 2003 Mark 5 19 says Jesus instructs a man for whom he has worked a miracle to go home to friends and tell them what great things the Lord has done for us My inspiration behind this book is The Lord says it is our responsibility as Christians to go out and tell others what God has done God is blessed by testimonies of his people who tell others of his Love and willingness to answer our prayers By the grace of God I know what the Lord has done and brought me from This book is about FAITH I ve been through times of doubt and confusion I ve had my back against the wall but now I know that when the valleys and the storms come I ll handle them even better than before The word of God is able to heal our wounds This book contains pieces of my life its ups and downs its pain and its glory its endless storms and its countless blessings I hope my testimonies will lead people toward God s love and faith

Broken/Sharpened/Blessed M. E. Matthews, 2010-01-19 A little about me I am just an ordinary woman who did an extraordinary thing I accepted Jesus Christ as my personal Savior in 1986 I am a woman who has had the opportunity to sit back and think of all the times God has blessed me and sent angels to intercede guide and protect me I am a very quiet person and a bit shy and only shared my stories with a few of my closet friends But always with my daughter I had no one else there with me through these trials and dilemmas just my daughter and years later my son which are what I know now as my testimonies trials and triumphs

Morning Magnified William McLeod, 2021-12-15 When I look back over my life I see nothing but the hand of God on my family I was gifted with the ministry of encouraging and lifting people I made a promise to God many years ago I promised

that every day that he wakes me up and put a word or song on my heart that I would write it and sing a joyful song unto the Lord The people of the world have been experiencing depression sickness loss of hope looking for someone or something to lift them and rescue them from the evilness of this dark world My thoughts for each day are if I can help someone along the way as I journey through this world then my living is not in vain I have a testimony of the goodness of Jesus Christ and I have to share it with the world God is good to me and I know it God is good to you but do you know it I pray that you will seek God and his righteousness and not the world s unrighteousness I pray that this book will be a blessing to you Step out on faith in the Son of God and watch how he will pour out his blessing on you *Behind the Lights* Helen Smallbone,Lisa

Mary E. Stuckey,2025-08-19 Since it was published in 1776 the Declaration of Independence has been used to advocate for social justice and to maintain inequitable social hierarchies it has served as a model for justifying revolutions in other nations and for the Confederacy s secession from the US federal government But as we approach its 250th anniversary this book asks Does the Declaration still matter In this volume leading scholars explore how this remarkably pliable document has been used for progressive and regressive politics alike and track its impact on independence movements across the globe The essays begin with the Declaration s immediate reception and masculine style of prose and then move on to its central role in interpreting civic action between state and federal governments most notably secession in the Antebellum era questions of sovereignty between Indigenous nations in the United States and the United States relationship with Latin America The next section focuses on the ways the Declaration was called upon to urge imperative moral action especially in terms of human rights in the US Civil Rights Movement and the Velvet Revolution in Czechoslovakia and in contrast how it was cast aside in the Syrian Revolution The final section teases out the tension between the needs reflected in the original document and the needs of the contemporary political world Used Abused and Sidelined demonstrates how this foundational document prepares us to tolerate and to resist and it points to how we might leverage the Declaration to create a different kind of political future
