Lana A. Whited,2024-02-26 In her follow up to The Ivory Tower and Harry Potter Lana A Whited has compiled a new collection of essays analyzing the books films and other media by J K Rowling This includes pieces on the Harry Potter books and movies Fantastic Beasts and Where to Find Them films The Cursed Child play as well as her writing outside the wizarding universe such as The Ickabog The Casual Vacancy and the Cormoran Strike series Many of the chapters explore works that influenced the Harry Potter series including Classical epic Shakespearian comedy and tragedy and Arthurian myth In addition to literary comparison the volume delves into topics like political authoritarianism distrust of the media

racial and social justice and developments in fandom It s fair to say that much has changed in regard to Harry Potter and J K Rowling scholarship in the twenty years since the first volume s publication While it was once considered a universally beloved book series the relationship between HP and its fans has grown more complicated in recent years As its readers have grown older and Rowling s reputation has wavered in the public eye Whited and her contributors consider the complicated legacy of Harry Potter and its author and explore how the series will evolve in the next twenty years Writing South Carolina Aida Rogers, Steven Lynn, 2017-03-01 Young South Carolinians offer their perspectives on and visions for the future of the state All of you who contributed to this book write much better than I did in high school That remarkable observation was made by Pat Conroy in the foreword to the first collection of student writing generated by the South Carolina High School Writing Contest and it embodies the contest s goals to encourage young people to write to think deeply and creatively to express themselves and thereby to recognize and cultivate their abilities This second volume of Writing South Carolina features the insightful and inspiring entries of each of the twenty nine winners and finalists high school juniors and seniors who were challenged to share using any genre their ideas for making South Carolina a better place to live Through essays poems and stories students used their imaginations to celebrate South Carolina and to envision a state that might be improved by addressing civic and social ills such as domestic violence racism drugs poverty and educational inequality Despite being raised in the age of texts and tweets these young writers offer their unique perspectives often revealing thought provoking troubling and exhilarating in language that is uniquely their own and often eloquent and passionate Marjory Wentworth who provides a foreword to this collection is South Carolina s poet laureate and has served as a judge for the competition with Pat Conroy **From an Existential Vacuum to a Tragic Optimism** Barbara A. Heavilin, Charles W. Heavilin, 2014-07-03 From an Existential Vacuum to a Tragic Optimism The Search for Meaning and the Presence of God in Modern Literature employs a new theoretical approach to critical analysis Victor Frankl s logotherapy from the Greek logos for word or reason and often related to divine wisdom a unique form of existentialism On the basis of his observations of the power of human endurance and transcendence the discovery of meaning even in the midst of harrowing circumstances Frankl diagnoses the malaise of the current age as an existential vacuum a sense of meaninglessness He suggests that a panacea for this malaise may be found in creativity love and moral choice even when faced with suffering or death He affirms that human beings may transcend this vacuum discover meaning or even ultimate meaning to be found in Ultimate Being or God and live with a sense of tragic optimism This book observes both the current age s existential vacuum a malaise of emptiness and meaninglessness and its longing for meaning and God as reflected in three genres poetry novel and fantasy Part I Reflections of God in the Poetic Vision addresses tragic optimism hope when there seems to be no reason for hope in poems by William Butler Yeats T S Eliot Samuel Taylor Coleridge and Gerard Manley Hopkins Part II American Angst Emptiness and Possibility in John Steinbeck s Major Novels presents a study of Steinbeck s The Grapes of Wrath East of Eden

and The Winter of Our Discontent novels that together form a uniquely American epic trilogy Together these novels tell the story of a nation's avarice corruption and betrayal offset by magnanimity heroism and hospitality Set against the backdrop of Frankl's ways of finding meaning and fulfillment all obliquely implying the felt presence of God the characters are representative Every Americans in whose lives are reflected a nation's worst vices and best hopes Part III A Tragic Optimism The Triumph of Good in the Fantasy Worlds of Tolkien Lewis and Rowling defines fantasy and science fiction as mirrors with which to view reality J R R Tolkien's The Lord of the Rings C S Lewis's That Hideous Strength and J K Rowling's Harry Potter series are considered in the light of Frankl's logotherapy providing paths to meaning and the ultimate meaning to be found in God In a postmodern fragmented age these works affirm a continuing vision of God often through His felt absence and also a most human yearning for meaning even when there seems to be none providing as Frankl maintains a tragic optimism

rituals are forms of world building or cosmos construction that serve as a means of making sense of our own world Such creative and interactive activity is arguably patently religious This book examines the nature of sacred space in virtual contexts technology as a vehicle for sacred texts who we are when we go online what rituals have in common with games and how they work online what happens to community when people worship online how religious worlds and virtual worlds nurture similar desires Rachel Wagner suggests that whilst our engagement with virtual reality can be viewed as a form of religious activity today s virtual religion marks a radical departure from traditional religious practice it is ephemeral transient rapid disposable hyper individualized hybrid and in an ongoing state of flux **Catalog of Copyright Entries**
