Basis of Preaching

Biblical Message

Preach the Word

is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation

Biblical preaching is centered around and takes its content from the inerrant Word of God

True Biblical preaching aims at life change

Biblical preaching also comes through the personality of the preacher

Some communicators or preachers are encouragers some are confrontational

Some are humour while others use sound logic and well reasoned content

It is not good to fall into the trap of trying to mimic your favourite preacher

Instead learn from them and develop your own style as a good communicator

Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book

Basis of Preaching

Biblical Message

Preach the Word

is both an art and a science

It is a science in the sense that there are rules and principles of communication that we are to follow

It is an art in that each person brings his own unique personality and style to the preaching experience

Preaching is truth through personality

Both are necessary

However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit

is focus in the book
