The Early Simple Stories Langston Hughes, 2002 Annotation Jesse B Semple first sprang to life in Langston Hughes's weekly Chicago Defender column in 1943 Almost immediately the Simple stories as they were routinely called had a large and ever increasing audience Simple soon became Harlem's Everyman an ordinary black workingman representative of the masses of black folks in the 1940s Simple had migrated to Harlem like many other blacks seeking to escape the racism of the South and he celebrated his new freedoms despite the economic struggles he still confronted Simple's bar buddy and foil in the stories is the better educated more articulate Boyd who has never lived in the South Their conversations permit Simple to speak the wisdom of the working class By the time the first book of Simple stories was published Hughes had honed and polished these two characters

enhancing the distinctions between the vernacular language of Simple and the more educated diction of his friend Remaining within the Afrocentric world that was his chosen sphere Hughes makes clear the message that Simple and Boyd are very much alike both are black men in a racially unbalanced society Both exist in a world within a world in Harlem the separate black community of New York City You imply that there is no fun to be had around white folks I never had none said Simple You have a color complex A colored complexion said Simple I said complex not complexion I added the shun myself said Simple I m colored and being around white folks makes me feel more colored since most of them shun Negroes Countless exchanges between Simple and his companion offer wit and wisdom that remind contemporary readers why Langston Hughes is so special [Helping English Language Learners Succeed](#) Carmen Zuniga-Dunlap, 2014-10-01 This resource provides teachers with research based instructional practices and strategies to guide English language learners toward academic success This second edition book contains effective models and background information on its approaches to support writing listening and speaking reading comprehension and vocabulary development for English language learners
