**Lorca's Experimental Theater** Andrew A. Anderson, 2024-11-25 Critical and historical discussions of the life and work of Federico García Lorca Spain's foremost poet and playwright of the twentieth century often obscure the author's more avant garde dramatic works In *Lorca's Experimental Theater* Andrew A. Anderson focuses on four of Lorca's most challenging plays *Amor de don Perlimplín con Belisa en su jardín* *El público* *As que pasen cinco años* and *El sueño de la vida* previously known as *Comedia sin título* and on the surrounding context in which they came to be written and in only one case performed during his lifetime While none of Lorca's plays can be considered conventional these four works stand out in his corpus for challenging theatrical conventions most forcefully both thematically and technically With discussions of stagecraft artistic modernism and the historical avant garde Lorca's *Experimental Theater* provides detailed interpretive readings of the four plays surveys their textual and performative history and examines the most important contemporary influences on Lorca's creation of these expressive innovative works

**European Theatre 1960-1990 (Routledge Revivals)** Ralph Yarrow, 2014-10-14 European theatre has been the site of enormous change and struggle since 1960 There have been radical shifts in the nature and understanding of performance fuelled by increasing cross cultural and international influence Theatre has had to fight for its very existence adapting its methods of operation to survive *European Theatre 1960-1990* first published in 1992 tells that story The contributors who in many cases have been theatre practitioners as well as critics provide a wealth of fascinating information

covering Germany France Poland Italy Spain and Sweden as well as Britain The book offers an historical and descriptive overview of developments across national boundaries enabling the reader to compare and contrast acting and directing styles administrative strategies and the relationship between ideology and achievement Chapters trace the evolution of theatre in all its aspects including such elements as the end of censorship in many countries the upsurge in political and personal awareness of the 1960s shifting patterns of state artistic policy and the effects on companies directors performers and audiences This book should be of interest to undergraduates postgraduates and academics of theatre studies

**The Oxford Guide to Literature in English Translation** Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators
