Love God, Love Yourself Faith Bolde, 2025-02-04 Through my own personal struggles I had been writing verses on sticky notes adhering them to my bathroom mirror to look at each day One day I was reading one and I thought why don't I just write my own devotional I started with those verses and created a journal entry that related to each one The process became therapeutic while I was still dealing with my own insecurities A wide variety of topics are shared about my experiences with skin issues body image comparison security in relationships friendships and trying to control everything when all I could truly do was surrender all those things to God I am certainly not perfect and I am not a pastor or seminary student but I felt the Holy Spirit leading me to author this book I pray that these verses and journal writings are not only a reminder to me but to the reader as well

The Problem with God Peter Steinberger,2013-07-02 Whether people praise worship criticize or reject God they all presuppose at least a rough notion of what it means to talk about God Turning the certainty of this assumption on its head a respected educator and humanist shows that when we talk about God we are in fact talking about nothing at all there is literally no such idea and so all of the arguments we hear from atheists true believers and agnostics are and will always be empty and self defeating Peter J Steinberger s commonsense account is by no means disheartening or upsetting leaving readers without anything meaningful to hold on to To the contrary he demonstrates how impossible it is for the common world of ordinary experience to be all there is With patience clarity and good humor Steinberger helps readers think critically and constructively about various presuppositions and modes of being in the world By coming to grips with our own deep seated beliefs we can understand how traditional ways asserting denying or even just wondering about God s existence prevent us from seeing the truth which it turns out is far more interesting and encouraging
