Delivered from the Leviathan Monster Amanda Z. Velez, 2011-09 What do you think of when you hear the word Leviathan In Isaiah 27 Leviathan is described as a twisted serpent or dragon Job 41 gives a lengthy description of the monster or beast But no matter how I think of it or what form it may take I always think of Leviathan as hell a place I have visited and never want to return to Meet Ruth Zayak At the age of three Ruth had already experienced more in her short life than most children should at her young age In her agonizing struggle through a life of neglect as well as emotional sexual and physical abuse Ruth had to make crucial actions and decisions to rid herself of the predator's grasp that had taken her life on a twisted and coiled journey This book depicts how Ruth overcame all hardships not allowing all the years of lies mental imprisonment shame or even the loss of a child rule her life and teaches others who may have been born out of abuse that they too can become free from all of the monsters in their lives In this powerful true story follow Ruth on her journey and discover for yourself how she was Delivered from the Leviathan Monster Mediatized Fan Play Line Nybro Petersen, 2022-04-10 Addressing fans' digital practices this book places fans' play at the centre of a networked mainstream culture that seems to increasingly cater to and adapt to fans' mediatized play Through case studies of the fan communities of the Hamilton musical and Norwegian streaming hit SKAM along with examples from many other online fan communities the book dives into how fans navigate and create play rules as part of their community building in a networked digital landscape and how they use the digital affordances of social media to engage in language play It analyses the role of mediatized fan play in the context of political culture and identifies processes of fanization as fans' play moods and modes are integrated into politics Finally the book discusses the role of fan play in the context of the global conspiracy theory QAnon as those instigating the conspiracy and those who are fans of the movement engage in dark play and deep play respectively The book suggests that we might understand fan communities as pioneer communities in the sense that there is increased value placed on fans' mood work and fan play is integrated into other societal domains This is an engaging book for
