Make It Fair An Angry Call For Federal Pension Reform:

Make it Fair! Hastings Keith, Richard L. Barnes, 2003 Pensions promised to current and future federal civilian and military retirees total 1.8 Trillion. Our children and grandchildren will have to pay that bill but there are no actual assets to pay it only the promise of the federal government. Retired Congressman Hastings Keith has fought this system especially its excessive cost of living increases COLAs for more than 25 years though he is a major beneficiary of the system. This is his story of what this means to your family's future and what you can do about it. *Review of the Non-service-connected Pension Program* United States. Congress. House. Committee on Veterans' Affairs. Subcommittee on Compensation, Pension, and Insurance, 1978. Congressional Record United States. Congress, 1993. The Washington Monthly, 1983-03.

Legislative History of the Labor-Management Reporting and Disclosure Act of 1959 United States. National Labor Relations Board. Office of the General Counsel, 1959. Counterfeiting Labor's Voice Mark A. Lause, 2024-04-09. Confidence man and canny operative charlatan and manipulator William A. Carsey emerged from the shadow of Tammany Hall to build a career undermining working class political organizations on behalf of the Democratic Party. Mark A. Lause's biography of Carsey takes readers inside the bare knuckle era of Gilded Age politics. An astroturfing trailblazer and master of dirty tricks, Carsey fits perfectly into a Democratic Party that based much of its post Civil War revival on shattering third parties and gathering up the pieces. Lause provides an in depth look at Carsey's tactics and successes against the backdrop of enormous changes in political life. As Carsey used a carefully crafted public persona to burrow into unsuspecting organizations, the forces he represented worked to create a political system that turned voters into disengaged civic consumers and cemented America's ever fractious two party system. **Labor Notes**, 2008. **Christian Nation**, 1901.

With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **Congressional Record** United States.
