Mean...Moody...Magnificent! Christina Rice,2021-06-15 By the early 1950s Jane Russell 1921 2011 should have been forgotten Her career was launched on what is arguably the most notorious advertising campaign in cinema history which invited filmgoers to see Howard Hughes s The Outlaw 1943 and to tussle with Russell Throughout the 1940s she was nicknamed the motionless picture actress and had only three films in theaters With such a slow inauspicious start most aspiring actresses would have given up or faded away Instead Russell carved out a place for herself in Hollywood and became a memorable and enduring star Christina Rice offers the first biography of the actress and activist perhaps most well known for her role in Gentlemen Prefer Blondes 1953 Despite the fact that her movie career was stalled for nearly a decade

Russell's filmography is respectable. She worked with some of Hollywood's most talented directors including Howard Hawks, Raoul Walsh, Nicholas Ray, and Josef von Sternberg, and held her own alongside costars such as Marilyn Monroe, Robert Mitchum, Clark Gable, Vincent Price, and Bob Hope. She also learned how to fight back against Howard Hughes, her boss for more than thirty-five years, and his marketing campaigns that exploited her physical appearance. Beyond the screen, Rice reveals Russell as a complex and confident woman. She explores the star's years as a spokeswoman for Playtex, as well as her deep faith and work as a Christian vocalist. Rice also discusses Russell's leadership and patronage of the WAIF foundation, which for many years served as the fundraising arm of the International Social Service (ISS) agency. WAIF raised hundreds of thousands of dollars, successfully lobbied Congress to change laws, and resulted in the adoption of tens of thousands of orphaned children. For Russell, the work she did to help unite families overshadowed any of her onscreen achievements. On the surface, Jane Russell seemed to live a charmed life, but Rice illuminates her darker moments and her personal struggles, including her empowered reactions to the controversies surrounding her films and her feelings about being portrayed as a sex symbol. This stunning first biography offers a fresh perspective on a star whose legacy endures not simply because she forged a notable film career but also because she effectively used her celebrity to benefit others.

Through the Lens of Faith Elizabeth Danna, 2022-07-14. There are spiritual things all around us, though some of them might not seem very spiritual at first glance. For the Christian, there are spiritual lessons to be drawn from everything around us, and there are spiritual and practical questions that many Christians ask. In these 120 devotional readings, Elizabeth Danna draws from sources as diverse as Tolkien and Conan Doyle, Star Trek and Shakespeare, comic books and cop shows, and science and nature and the occasional night at the movies. She also draws from current events, her own life, including lessons learned from her pets and her ministry experience.

Resound, 2004

Joyful Noise Ed Christian, 2003-04. By forbidding the music they don't like, they alienate the young. Ed Christian argues that music should be judged not by personal tastes but by its spiritual fruits. God approves of music that leads people closer to Him, whether we like it or not. When it comes to music for the worship service, however, unity is important. Appropriate church music doesn't alienate or offend but brings people together and lifts them up to God. The author examines the arguments of those who

reject contemporary Christian music in favor of traditional classics and show how God can use the new music to bless churches and change lives NLT, Personal Worship Bible, eBook Thomas Nelson,2003-11-19 The new iWorship Personal Worship Bible New Living Translation TM includes 365 daily devotions that lead readers into profoundly creative worship experiences Special features include study notes special introductions to all the books of the Bible 100 words of worship quotes reading plans special Scripture locator tools and a two color interior **Country Music** Irwin Stambler,Grelun Landon,2000-07-14 A comprehensive reference source on the history impact and current state of country music offering portraits of figures in the country music world What's Wrong With Christian Rock?
