Making A Leadership Change How Organizations And Leaders Can Handle Leadership Transitions Successfully:

Making a Leadership Change Thomas N. Gilmore,1988-10-28 Offers sound advice for executives and managers taking over new positions and for organizations undergoing leadership changes Provides practical guidance on all phases of the leadership transition process from initial planning through the executive search process to the major areas that the new leader must address over time to be successful

Making a Leadership Change Thomas North Gilmore,1988-11-01

Making a Leadership Change TN. Gilmore,2003 *Leadership Transitions* Richard Elsner,Bridget Farrands,2012-09-03

In a working life of 35 years a manager can expect to make at least 10 job changes or transitions where the demands for rapid business delivery and effective leadership will only increase with each new job According to recent research over 25 per cent of new leaders appointed from within fail within 18 months the figure is closer to 40 per cent for new leaders appointed externally The cost of this rate of failure is high ranging from financial to performance to organizational disruption This book identifies the sources of these failures and how to overcome them The authors show that whether the new leader has arrived as an external appointment or has been promoted internally the experiences can be divided into three phases Arriving Surviving and Thriving By analysing the different features of the leader s experience at each of these stages the authors are able to provide a strategy for leaders to take charge and succeed in their new roles

Managing Executive Transitions Tim Wolfred,2009-06-09 The Essential Guide for Managing Leadership Turnovers A leadership transition can be a time of high vulnerability for a nonprofit organization On the other hand an executive turnover offers unique opportunities for renewal and fresh thinking Managing Executive Transitions shows how this state of transition can give board and staff members a chance to put things back together in new and creative ways to discard some old pieces and to bring in fresh elements Nonprofit boards and executive directors will find practical advice on how to manage leadership turnovers in ways that can heighten mission impact while avoiding potential downsides Author Tim Wolfred recommends a transformational process of three phases Prepare Pivot and Thrive In the Prepare phase board members staff volunteers and funders engage in an efficient process for updating the agency s strategic directions and crafting a profile of the skills needed in the next executive In the Pivot phase a search ensues conducted by a board reinvigorated and excited about the agency s future impact In the Thrive phase the board engages the newly hired executive as a leadership partner and gives him or her clear performance priorities derived from the strategic directions Engaging case studies and hands on tools such as planning agendas timelines sample letters and communication tips will smooth the transition to new executive leadership
