Making It Happen A Fable About Project Management

J. Ashley Hunt

Making It Happen A Fable About Project Management:

Making It Happen Mackenzie Kyle, 1998-06-24 Written in the form of a novel this book aims to teach the basics of project management in an interesting and memorable way It should provides a useful mental framework and practical tools The story follows the learning experience of Will Campbell a middle manager with no project management experience Suddenly plunged into managing a career threatening project he must learn the hard way experiencing all the frustration and fulfilment of mastering some indispensable project management tools along the way

Making Things Happen Scott Berkun, 2008-03-25 In the updated edition of this critically acclaimed and bestselling book Microsoft project veteran Scott Berkun offers a collection of essays on field tested philosophies and strategies for defining leading and managing projects Each essay distills complex concepts and challenges into practical nuggets of useful advice and the new edition now adds more value for leaders and managers of projects everywhere Based on his nine years of experience as a program manager for Internet Explorer and lead program manager for Windows and MSN Berkun explains to technical and non technical readers alike what it takes to get through a large software or web development project Making Things Happen doesn t cite specific methods but focuses on philosophy and strategy Unlike other project management books Berkun offers personal essays in a comfortable style and easy tone that emulate the relationship of a wise project manager who gives good entertaining and passionate advice to those who ask Topics in this new edition include How to make things happen Making good decisions Specifications and requirements Ideas and what to do with them How not to annoy people Leadership and trust The truth about making dates What to do when things go wrong Complete with a new forward from the author and a discussion guide for forming reading groups teams Making Things Happen offers in depth exercises to help you apply lessons from the book to your job It is inspiring funny honest and compelling and definitely the one book that you and your team need to have within arm s reach throughout the life of your project Coming from the rare perspective of someone who fought difficult battles on Microsoft s biggest projects and taught project design and management for MSTE Microsoft s internal best practices group this is valuable advice indeed It will serve you well with your current work and on future projects to come

The Story of Managing Projects Young Hoon Kwak, Frank T. Anbari, 2005-01-30 Project management has been practiced for thousands of years but only recently have organizations begun to apply systematic management tools and techniques to manage complex projects Today s approaches to project management can be traced directly to methodologies designed by the U S military and Department of Defense in the years after World War II Subsequent advances in management information systems have helped to codify project management practices most recently the Internet has dramatically enhanced the ability of individuals teams and organizations to manage projects across continents and cultures in real time The Story of Managing Projects showcases cutting edge research conducted around the world on emerging practices in project management Covering an enormous spectrum of subjects and industries from an upgrade of the Greek railway system to infrastructure reconstruction

in Kuwait the authors explore the full range of inter personal technical and organizational dynamics of project management contributing new insights to its theory and application

Software War Stories Donald J. Reifer, 2013-10-14 A comprehensive practical book on software management that dispels real world issues through relevant case studies Software managers inevitably will meet obstacles while trying to deliver quality products and provide value to customers often with tight time restrictions The result Software War Stories This book provides readers with practical advice on how to handle the many issues that can arise as a software project unfolds It utilizes case studies that focus on what can be done to establish and meet reasonable expectations as they occur in government industrial and academic settings The book also offers important discussions on both traditional and agile methods as well as lean development concepts Software War Stories Covers the basics of management as applied to situations ranging from agile projects to large IT projects with infrastructure problems Includes coverage of topics ranging from planning estimating and organizing to risk and opportunity management Uses twelve case studies to communicate lessons learned by the author in practice Offers end of chapter exercises sample solutions and a blog for providing updates and answers to readers questions Software War Stories Case Studies in Software Management mentors practitioners software engineers students and more providing relevant situational examples encountered when managing software projects and organizations

Making Sense of Project Realities Charles Smith, 2017-11-28 There is more than a touch of The Emperor s New Clothes in the way many organizations approach project management and the consequences are all too clear project methodology inappropriately applied little or no consideration of complexity or ambiguity alienation of the stakeholders and a statistically poor record of performance for major business or infrastructure projects Charles Smith s groundbreaking book Making Sense of Project Realities offers convincing explanations as to why project management theory and practice have become disconnected and describes the kind of complex human skills that are required to deliver successful projects The text draws heavily on the experiences of practising project and programme managers from across private and public sector organizations many of whose stories were shared and analysed during the two year research network Rethinking Project Management which brought together thought leaders on project management from consultancy industry and academia The result is a highly readable very credible and imaginative exploration of the nature of projects and programmes that will strike a chord with every project practitioner a book that offers a realistic set of ideas for developing creative and effective project players who understand the purpose of what they are doing the context within which they are working and the people with whom they need to engage Update Several MBA Courses use this book and the tutor feedback is encouragingly positive including can be used from day one to change the mindset of the students concerning projects and their management

Convergence of Project Management and Knowledge Management T. Kanti Srikantaiah, Michael E. D. Koenig, Suliman Hawamdeh, 2010-11-16 Knowledge is power but this is especially true for teams carrying out a project As in other arenas the effective use of knowledge is possible only if it is

readily accessible well organized properly analyzed and competently disseminated to meet the project needs Knowledge gained from project failures or successes is vital for the long term sustainability of organizations to compete in the business environment This book focuses on the proper access and delivery methods for explicit knowledge in projects and also concentrates on tacit knowledge unknown and unavailable to most people in project environments Every project is unique with start and end dates detailed project plan budget schedule human resources and deliverables and all these areas have a high volume of rich knowledge Knowledge is created and flows through all nine project knowledge areas Project Integration Management Project Scope Management Project Time Management Project Cost Management Project Quality Management Project Human Resources Management Project Communications Management Project Risk Management and Project Procurement Management This book discusses the benefits of managing knowledge in projects and provides techniques that will increase the rate of return on projects Addressing strategy and deployment issues this volume also provides case studies making this an invaluable tool for the success of projects and sustainability growth of organizations

The Paradigm Initiative Story 'Gbenga Sesan, 2025-09-24 What does it take to transform a dream born in the heart of a struggling African community into a powerhouse organisation impacting millions In the heart of a Nigerian slum where computers were nearly nonexistent and hope for digital inclusion seemed elusive Gbenga Sesan dared to lay the foundations of the Paradigm Initiative a pan African organisation that now implements multimillion dollar projects across 28 countries The visionary's success did not arrive without the taste of setbacks From grappling with the challenge of starting out in a community whose very name and reputation deterred skilled professionals from wanting to move there to work to gathering resources and facing heart wrenching moments when team members voiced frustrations about insufficient salaries each page of this book will take you on an intriguing rollercoaster ride through the ups and downs of starting and growing an impactful organisation This book is not just a story It is a practical guide for aspiring changemakers and a sure roadmap for anyone who wants to learn how to navigate the complexities of institution building particularly in resource constrained environments while leaving no stone unturned in offering insights on fundraising and organisational development

Understanding Project Practices and Processes Mel Bost, 2025-03-31 Understanding Project Practices and Processes distills the author's experiences in developing program management offices PMOs and as an IT project office to guide project managers who may be facing challenges in delivering project goals and managing teams and stakeholders With insights into the behavior of project teams project managers stakeholders and project organizations the book brings to life such processes and practices of project management as risk management innovation and design thinking In presenting principles dedicated to achieving successfully good sound business and technological maturity the book explains the following Using lessons learned to improve processes When to implement process improvement to better attain goals Process capability maturity as a continuous process of improving and maturing a process to achieve consistent and repeatable results Distinction between processes and projects

How projects turn a strategy into action Key roles of communications and technology Research and real world scenarios explain the practice of project management With in depth coverage of project management offices knowledge management change management and project best practices this book is an indispensable guide for new as well as veteran project managers [A Tale of Two Systems](#) Michael K. Levine,2009-06-24 This business parable reviews two different systems development projects One project was an abject expensive failure while the other succeeded in creating a major new revenue stream bringing in new customers By reviewing the tales of these two systems readers will develop a better understanding of what works and what doesn't when it comes to **Succeeding in the Project Management Jungle** Doug

Russell,2011-03-08 Despite the investment of time and money companies are struggling to ensure their projects succeed In his innovative book author Doug Russell shows readers how the people centric TACTILE Management TM system maximizes an organization's current processes by cutting through the technical weeds to emphasize individual skills and the value of collaboration Using the seven characteristics of high performance project teams transparency accountability communication trust integrity leadership and execution **Succeeding in the Project Management Jungle** teaches readers how to take project teams out of their functional silos and transform them into a powerful integrated force balance the expectations of customers management and project teams with the technical requirements of cost schedule and performance avoid or minimize possible pitfalls and much more With countless man hours clocked and billions of dollars spent every year on project tools companies can't afford the astonishingly slow success rate of most businesses endeavors This phase by phase project guide shows readers how to apply invaluable people soft skills in real life situations to ensure every phase of the project cycle is a success

De Gruyter Handbook of Responsible Project Management Beverly L. Pasian,Nigel L. Williams,2023-01-30 The narrative about the project management profession is dominated by discussions of success and failure along with the need to improve the competence of project managers As a result the community is engaged in a fruitless search for a combination of tools techniques and practices that will result in desired outcomes for funders While the profession has made recent attempts to incorporate environmental and social responsibility these areas are still framed within the existing discourses of project delivery The De Gruyter Handbook of Responsible Project Management seeks to rethink project management by integrating contributions from the emerging responsible Management domain This handbook will explore the nature and extent of project professionals responsibility at different levels individual team organizational and societal along with the implications for education research and practice The De Gruyter Handbook of Responsible Project Management offers cutting edge insights into the field of project management It is an essential reference for scholars and practitioners *Make Better Decisions More Often: 30 Minute Reads* Nicholas Bate,2014-12-11 You're half an hour away from never making a bad decision again Why not use your next spare half an hour to skill up Each of these short e books can be read in just 30 minutes Addressing those painful work problems and giving practical tools and expert advice to overcome them the 30 Minute Reads

Making It Happen A Fable About Project Management Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Making It Happen A Fable About Project Management PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and

finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Making It Happen A Fable About Project Management PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Making It Happen A Fable About Project Management free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Making It Happen A Fable About Project Management Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
