Celibacy Benefits Scripture Momma, Introduction Proverbs 25 28 A man without self control is like a city broken into and left without walls Isn t celibacy hard People always ask me Isn t staying celibate hard This is my response The first month was hard The first year was hard but now it s easy So the real question is how bad do you want it Becoming Celibate is like learning how to ride a bike Learning to ride a bike for the first time when you were a kid was hard but you didn t give up You knew other kids were riding bikes and you wanted to experience that sense of freedom of riding a bike on your own The long term rewards are the prize Becoming Celibate is not easy when you first start but the long term rewards of success of staying celibate outweigh the difficulty of getting there So what is your reason for choosing to be celibate What is the reason you want to be celibate That is what you

should focus on Not on how hard it must be to maintain celibacy As believers we know that God is strong Lean on God for support by reading his words God makes all things that seem impossible possible Candid confessions about past love sex and relationships I speak candidly in this book about my past So if you are offended by reading about a person s feelings emotions and experiences related to sex relationships and hooking up don t read this book However if you think it might be interesting and informative to learn from a now celibate woman s perspective then you may really enjoy reading this book If you dislike reading about God If you dislike reading about God don t read this book God is a big part of my life and my major reason and inspiration for becoming celibate I would not call myself Christian but I am definitely a believer You may have found this book in a Christian section Regarding my faith I just say I believe in God
