Making Of Zimbabwe Decolonization In The Context Of Regional And International Politics:

The Making of Zimbabwe M. Tamarkin, 2012-11-12 First published in 1990 This volume is essentially a study in decolonization The approach of the author is of a conflict resolution process taken from the perspective of 1974 as the chosen point Following the decolonization of the Portuguese colonial empire the uniqueness of the decolonization of Rhodesia became more apparent and the conflict began to realize its full potential The author has taken three analytical concepts the goals continuum the strategic options continuum and the interaction within and between the three levels of the conflict system **A Selected Bibliography--Sub-Saharan Africa**, 1991 *Unpopular Sovereignty* Luise White, 2015-03-23 In

1965 the white minority government of Rhodesia after 1980 Zimbabwe issued a unilateral declaration of independence from Britain rather than negotiate a transition to majority rule In doing so Rhodesia became the exception if not anathema to the policies and practices of the end of empire In *Unpopular Sovereignty* Luise White shows that the exception that was Rhodesian independence did not in fact make the state that different from new nations elsewhere in Africa indeed this history of Rhodesian political practices reveals some of the commonalities of mid twentieth century thinking about place and race and how much government should link the two White locates Rhodesia s independence in the era of decolonization in Africa a time of great intellectual ferment in ideas about race citizenship and freedom She shows that racists and reactionaries were just as concerned with questions of sovereignty and legitimacy as African nationalists were and took special care to design voter qualifications that could preserve their version of legal statecraft Examining how the Rhodesian state managed its own governance and electoral politics she casts an oblique and revealing light by which to rethink the narratives of decolonization

African Democratic Montage E. Ike Udogu, 2025-03-10 *African Democratic Montage Case Studies on Ghana Zimbabwe Tanzania Ethiopia and Kenya* explores the challenges African states face in achieving democratic consolidation The book highlights that these countries have constitutional tools human rights frameworks the African Union s code of leadership and democratic election principles to foster good governance However their varied application of these tools leads to different democratic outcomes Coincidentally the book addresses the resurgence of military coups in some African countries exposing democracy s fragility and calling for solutions to prevent future coups It provides a brief history of each country s pre colonial colonial and post colonial periods showcasing their unique democratic journeys The volume notes that the struggle for democratic consolidation is hindered by issues in electoral contests and human rights violations Nevertheless it suggests that enforcing constitutional human rights and adhering to African Union declarations can promote good governance democratic consolidation peaceful coexistence and national cohesion **Southern African Update**, 1991 A bibliographical survey

The Foreign Policy of the Douglas-Home Government A. Holt, 2014-03-07 This book provides an important study of a short lived government making foreign policy in the shadow of an impending general election It considers Britain s relations with the United States Africa Asia and the Middle East [Bibliographie Mensuelle](#) United Nations Library (Geneva,
