Making Latino News Race Language Class:

Making Latino News America Rodriguez, 1999-09-16 Finally she explores how news is produced in both print and broadcast media for the vast Latino population in the United States using a cutting edge blend of the quantitative and qualitative approaches in her research BOOK JACKET Ethnic Media in the Digital Age Sherry S. Yu, Matthew D. Matsaganis, 2018-12-07 Ethnic media are media produced for and frequently by immigrants ethnic and linguistic minority groups and indigenous populations These media represent a sector of the broader media industry that has seen considerable growth globally even while many mainstream legacy media have struggled to survive or have ceased to exist largely due to the emergence of new communication technologies What is missing in the literature is a careful examination of ethnic media in the digital age The original research including case studies in this book provides insight into 1 what new trends are emerging in ethnic media production and consumption 2 how ethnic media are adapting to changing technologies in the media landscape of our times and 3 what enduring roles ethnic media perform in local communities and in an increasingly globalized world The ethnic media that contributors discuss in this book are produced for and distributed across a variety of platforms ranging from broadcasting and print to online platforms Additionally these media serve numerous immigrant ethnic and indigenous communities who live in and trace their origins back to a variety of regions of the world including Africa Asia Europe North America and Oceania **Newspaper Coverage of Interethnic Conflict** Hemant Shah, Michael C. Thornton, 2003-10-16 Over the past three decades United States foreign policy new immigrant communities and increasing global economic interdependence have contributed to an increasingly complex political economy in America s major cities For instance recent immigration from Asia and Latin America has generated cultural anxiety and racial backlash among a number of ethnic communities in America Newspaper Coverage of Interethnic Conflict Competing Visions of America examines mainstream and ethnic minority news coverage of interethnic conflicts in Miami Washington D C and Los Angeles Authors Hemant Shah and Michael C Thornton investigate the role of news in racial formation the place of ethnic minority media in the public sphere and how these competing visions of America are part of ongoing social and political struggles to construct define and challenge the meanings of race and nation The authors suggest that mainstream newspapers reinforce dominant racial ideology while ethnic minority newspapers provide an important counter hegemonic view of U S race relations The Routledge Companion to Latina/o Media Maria Cepeda, 2016-08-25 The Routledge Companion to Latina o Media provides students and scholars with an indispensable overview of the domestic and transnational dynamics at play within multi lingual Latina o media The book examines both independent and mainstream media via race and gender in its theoretical and empirical engagement with questions of production access policy representation and consumption Contributions consider a range of media formats including television radio film print media music video and social media with particular attention to understudied fields such as audience and production studies **Mobilizing the U.S. Latinx**

Vote Arthur D. Soto-Vásquez, 2020-01-27 This book examines the politics involved in the mobilization of the Latinx vote in America Delving into the questions of race and identity formation in conjunction with the role of communication media the author discusses the implications for Latinx voters and their place in the American political and racial system Utilizing an in depth study of the mobilizing efforts of national Latinx groups along with a rigorous analysis of online media news media and electoral results this book discusses How the old notions of white and black America clash with the growing focus on Latinos How political organizers develop and use messages of racial solidarity to motivate people what technologies are at their disposal and what their use means How the study of new media is vital to exploring race in the 21st century and why communication cannot ignore the racial legacies of the 20th century Theoretically located in between the fields of communication and racial ethnic studies this book will be of great relevance to scholars and students working in the field of communication studies political communication Latinx studies and sociology [The Routledge Handbook to the Culture and Media of the Americas](#) Wilfried Raussert, Giselle Liza Anatol, Sebastian Thies, Sarah Corona Berkin, 2020-03-02 Exploring the culture and media of the Americas this handbook places particular emphasis on collective and intertwined experiences and focuses on the transnational or hemispheric dimensions of cultural flows and geocultural imaginaries that shape the literature arts media and other cultural expressions in the Americas The Routledge Handbook to the Culture and Media of the Americas charts the pervasive asymmetrical flows of cultural products and capital and their importance in the development of the Americas The volume offers a comprehensive understanding of how inter American communication is constituted framed and structured and covers the artistic and political dimensions that have shaped literature art and popular culture in the region Forty six chapters cover a range of inter American key concepts and dynamics divided into two parts Literature and Music deals with inter American entanglements of artistic expressions in the Western Hemisphere including music dance literary genres and developments Media and Visual Cultures explores the inter American dimension of media production in the hemisphere including cinema and television photography and art journalism radio digital culture and issues such as freedom of expression and intellectual property This multidisciplinary approach will be of interest to a broad array of academic scholars and students in history sociology political science and cultural postcolonial gender literary globalization and media studies **An Introduction to Intercultural Communication** Fred E. Frederick Luis Aldama, Christopher González, 2016-04-12 From the influential work of Los Bros Hernandez in Love Latino comic book author artists who complicate issues of race and gender through their careful reconfigurations of the body comic strips Latino superheroes in mainstream comics and the complex ways that Latino superheroes are created and consumed within larger popular cultural trends Taken as a whole the book unveils the resplendent riches of comics by and about Latinos and proves that there are no limits to the ways in which Latinos can be represented and imagined in the world of comics

Critical Latin American and Latino Studies Juan Poblete, 2003

This book brings together some of the most prominent scholars working across the spectrum of Latin American and Latino studies to explore their changing intellectual undertaking in relation to global processes of change Critical Latin American and Latino Studies identifies the challenges and possibilities of more politically engaged and theoretically critical modes of scholarly practice One objective is to provide a brief critical history of the study of various Latin American cultures Latino Chicano Puerto Rican among others But these

essays also serve to assess the roles of ethnic and area studies in light of changing scholarly trends from emphases on gender and sexuality to a focus on postcoloniality and globalization The result is an important contribution to current debates on the conditions of contemporary knowledge production Book jacket The American South in a Global World James L. Peacock, Harry L. Watson, Carrie R. Matthews, 2006-03-13 Looking beyond broad theories of globalization this volume examines the specific effects of globalizing forces on the southern United States Eighteen essays approach globalization from a variety of perspectives addressing such topics as relations between global and local communities immigration particularly of Latinos and Asians local industry in a time of globalization power and confrontation between rural and urban worlds race ethnicity and organizing for social justice and the assimilation of foreign born professionals From portraits of the political and economic positions of Latinos in Miami and Houston to the effects of mountaintop removal on West Virginia communities these snapshots of globalization across a broad southern ground help redirect the study of the South in response to how the South itself is being reshaped by globalization in the twenty first century Contributors Catherine Brooks Morristown New Jersey David H Cissel University of Memphis Thaddeus Countway Guldbrandsen University of New Hampshire Carla Jones University of Colorado Boulder Sawa Kurotani University of Redlands Redlands Cal Paul A Levengood Virginia Historical Society Carrie R Matthews University of North Carolina at Chapel Hill Bryan McNeil University of North Carolina at Chapel Hill Marcela Mendoza University of Memphis Donald M Nonini University of Toronto James L Peacock University of North Carolina at Chapel Hill Barbara Ellen Smith University of Memphis Jennie M Smith Berry College Mount Berry Ga Sandy Smith Nonini University of Toronto Ellen Griffith Spears Emory University Gregory Stephens University of West Indies Mona Steve Striffler University of Arkansas Ajantha Subramanian Harvard University Meenu Tewari University of North Carolina at Chapel Hill Lucila Vargas University of North Carolina at Chapel Hill Harry L Watson University of North Carolina at Chapel Hill Rachel A Willis University of North Carolina at Chapel Hill *Cultural Studies Vol18 1 Jan 2* Various Authors, 2021-12-24 Cultural Studies examines how cultural practices relate to everyday life history knowledge ideology economy politics technology and the environment Volume 18 from the 2nd January 2014 **Latino History Day by Day** Caryn E. Neumann, Tammy S. Allen, 2013-05-09 This title takes a calendrical approach to illuminating the history of Latinos and life in the United States and adds more value than a simple this day in history through primary source excerpts and resources for further research Latino a history has been relatively slow in gaining recognition despite the population s rich and varied history Engaging and informative Latino History Day by Day A Reference Guide to Events will help address that oversight Much more than just a this day in history list the guide describes important events in Latino a history augmenting many entries with a brief excerpt from a primary document All entries include two annotated books and websites as key resources for follow up The day to day reference is organized by the 365 days of the year with each day drawing from events that span several hundred years of Latino a history from Mexican Americans to Puerto Ricans to Cuban Americans With this

guide in hand teachers will be able to more easily incorporate Latino a history into their classes Students will find the book an easy to use guide to the Latino a past and an ideal starting place for research

Rallying for Immigrant Rights Kim Voss,Irene Bloemraad,2011-07-06 From Alaska to Florida millions of immigrants and their supporters took to the streets across the United States to rally for immigrant rights in the spring of 2006 The scope and size of their protests rallies and boycotts made these the most significant events of political activism in the United States since the 1960s This accessibly written volume offers the first comprehensive analysis of this historic moment Perfect for students and general readers its essays written by a multidisciplinary group of scholars and grassroots organizers trace the evolution and legacy of the 2006 protest movement in engaging theoretically informed discussions The contributors cover topics including unions churches the media immigrant organizations and immigrant politics Today one in eight U S residents was born outside the country but for many lack of citizenship makes political voice through the ballot box impossible This book helps us better understand how immigrants are making their voices heard in other ways

Understanding Ethnic Media Matthew D. Matsaganis,Vikki S. Katz,Sandra J. Ball-Rokeach,2011 At present the picture of the ethnic media is an incomplete one While there is significant material on the portrayal of ethnic minorities in the mainstream media and on how these representations affect ethnic perceptions there is very little material research on how the media produced by ethnic communities for ethnic communities affect 1 the perceptions of self and of the ethnic community and 2 how the production and consumption of ethnic media affects the character of the larger media landscape Understanding Ethnic Media approaches the ethnic media from the consumers point of view AND the producers vantage point as changes that occur in the ethnic community affect the media and vice versa This accessible textbook strives to bridge the gap between the consumer and the production centered research as it examines the relationships a between the ethnic media available in particular markets and b between the ethnic and mainstream media

The ^AOxford Handbook of American Immigration and Ethnicity Ronald H. Bayor,2016-06-01 The Oxford Handbook of American Immigration and Ethnicity brings together thirty leading scholars to make sense of all the themes methodologies and trends that characterize the debate on American immigration They examine a wide range of topics including pan ethnicity whiteness intermarriage bilingualism religion museum ethnic displays naturalization regional mobility census categorization immigration legislation and its reception ethnicity related crime and gang formation By exploring the idea of assimilation in a multicultural society this Handbook shows how deeply pan ethnicity changed American identity over the time

The Routledge Companion to Ethnic Marketing Ahmad Jamal,Lisa Peñaloza,Michel Laroche,2015-06-19 The globalization of marketing has brought about an interesting paradox as the discipline becomes more global the need to understand cultural differences becomes all the more crucial This is the challenge in an increasingly international marketplace and a problem that the world s most powerful businesses must solve From this challenge has grown the exciting discipline of ethnic marketing which seeks to understand the considerable

opportunities and challenges presented by cultural and ethnic diversity in the marketplace To date scholarship in the area has been lively but disparate This volume brings together cutting edge research on ethnic marketing from thought leaders across the world Each chapter covers a key theme reflecting the increasing diversity of the latest research including models of culture change parenting and socialization responses to web and advertising role of space and social innovation in ethnic marketing ethnic consumer decision making religiosity differing attitudes to materialism acculturation targeting and ethical and public policy issues The result is a solid framework and a comprehensive reference point for consumer researchers students and practitioners
