

Mr. Britling Sees it Through

by
H. G. WELLS

The story describes Great Britain before the War; illustrates the party conflicts then raging, and proceeds to tell how the War has affected the spirit and character of the nation. It abounds in striking and characteristic incidents.

It is a picture, lucid, varied, critical, of the feeling of the country about the War, as reflected in the sympathetic and sensitive intelligence of the man of whose spiritual history it is an account.
