

**Praise for Richard Bausch's
*Spirits and Other Stories***

"Richard Bausch is a master of the short story. In nine distinctive, unflaggingly witty and remarkably crafted tales, he brings to life characters and situations so vivid and compelling as any in contemporary literature. *Spirits and Other Stories* is a collection that ranks with those of Bobbie Ann Mason and Joyce Kilmer in its range, its style, its rare power, but Bausch's literary voice is unmistakable: no one else's but his is an original."

—Richard Church, *The Washington Post*

"*Spirits and Other Stories* is a dazzling collection... Some of these stories are actually breathtaking in their propriety."

—William Perry

"Several of these stories rank with the best written in contemporary American fiction. Bausch is a master."

—Linda Erdreich

"There are such fine and marvelously smart stories. They perform one of literature's noblest obligations—to reimagine the known world and make us view and more sympathetic to it."

—Richard Ford

"*Spirits* is one of the finest collections of stories I have ever come across... More than the books in there to be read is written one so an unnecessary digression of the real and to find out the wonderful things that Richard Bausch has in your hands."

—Ruth Forman Shaw, *USA Today*

Praise for Richard Bausch

"In many ways, perhaps surprising that when I was an old man, in the second and third decades of the twenty-first century, all of Bausch's *Spirits*, his stories, everything he may write—will be his prize."

—Thomas C. Hall, *Commonwealth*
