Mr Sam The Life And Times Of Samuel Bronfman:

Samuel Bronfman Michael R. Marrus, 1998-10-01 As the creator of the Seagram whiskey empire Sam Bronfman became a mythic figure in the business world and in the years after his death the legend has developed further and further away from the life This is the complete story of the man and the business he built Bronfman was an intuitive leader and manager who knew his industry inside out and set the highest standards for his products and himself His life makes a fascinating tale of business power wealth and ethnic politics Sam Bronfman was a volatile shrewd and highly individualistic leader whose technical knowledge and financial acumen remain unchallenged *Mr. Sam* Michael R. Marrus, 1992 *Samuel Bronfman* Michael Robert Marrus, 1991 The irascible son of a Jewish pioneer from Czarist Russia whose business acumen built an international company renowned for the quality of its products Samuel Bronfman's father failed as a wheat farmer and then found success selling frozen fish firewood and horses At this point young Sam observed to his father The bar makes more profits than we do Instead of selling horses we should be selling the drinks And thus began what was to become the Seagram whiskey empire Sam's insight and timing were right as Canada and especially the United States were coming under the influence of the temperance movement While legend often places Sam in the thick of Prohibition era bootlegging and rum running in fact he built for the long term and kept his operations within both the law and its loopholes as he supplied American bootleggers Sam demonstrated his marketing genius by insisting on quality in a business notorious for cutting corners and thereby set the standard for the industry in the decades to follow Sam's success in penetrating the American market was such that after Prohibition his competitors lobbied the federal government for protection While Samuel Bronfman is a classic rags to riches tale it is also the story of a Jew who remained in many ways outside business and social establishments even after becoming internationally famous Commuting every week between his Montreal and New York office his was a private life centered on his family and their home in Montreal and summer places such as Tarrytown New York In the 1950s Sam under instructions from his daughter Phyllis Lambert commissioned Mies van der Rohe to design a new corporate headquarters the Seagram building at 375 Park Avenue a landmark on the New York City skyline As a leader of the Jewish community Sam was elected president of the Canadian Jewish Congress in 1939 and went on to organize financial aid to the fledgling state of Israel beginning decades long involvement in Jewish affairs and support for the Jewish state *Mr Sam* Michael R. Marrus, 1991 Key Texts in American Jewish Culture Jack Kugelmass, 2003 Key Texts in American Jewish Culture expands the frame of reference used by students of culture and history both by widening the canon of Jewish texts and by providing a way to extrapolate new meanings from well known sources Contributors come from a variety of disciplines including American studies anthropology comparative literature history music religious studies and women's studies Each provides an analysis of a specific text in art music television literature homily liturgy or history Some of the works discussed such as Philip Roth's novel *Counterlife* the musical *Fiddler on the Roof* and Irving Howe's *World of*

Our Fathers are already widely acknowledged components of the American Jewish studies canon Others such as Bridget Loves Bernie infamous for the hostile reception it received among American Jews may be considered key texts because of the controversy they provoked Still others such as Joshua Liebman's Piece of Mind and the radio and TV sitcom The Goldbergs demonstrate the extent to which American Jewish culture and mainstream American culture intermingle with and borrow from each other

The Bronfmans Nicholas Faith, 2024-03-26 For decades the Bronfman family ruled Seagram's and the liquor industry This is the story of their meteoric rise and spectacular fall The story of the Bronfman family is a fascinating and improbable saga It is dominated by Mr Sam the single greatest figure in the history of the liquor business the man who made drinking whiskey respectable in the United States and who in the 1950s and 1960s built Seagram into the first worldwide empire in wine and spirits After Sam's death in 1971 his oldest son Edgar maintained the business though he was distracted by his matrimonial problems Nevertheless in the 1980s he masterminded a major coup when he translated a small investment in oil made by his father into a 25 percent stake in the mighty DuPont company But in the 1990s Edgar allowed his second son Edgar Jr to indulge his ambition to become a media tycoon The stake in DuPont was sold and the money reinvested in Universal the film and theme park empire Edgar Jr then paid more than 10 billion to buy Polygram Records and thus fulfill his fancy to be king of the world's music business But at the same time he remained in charge of the liquor business which started to stagnate indeed to fall apart Then came the final disaster when the increasingly divided family sold out to Jean Marie Messier overreaching empire builder of Vivendi the French conglomerate But the story of this amazing family over the past century is about more than booze and business The Bronfmans is a spectacular account that details the larger than life personalities and bitter rivalries that have made the family so famous and sometimes so infamous

One for the Road Barron H. Lerner, 2011-10-14 Don't drink and drive It's a deceptively simple rule but one that is all too often ignored And while efforts to eliminate drunk driving have been around as long as automobiles every movement to keep drunks from driving has hit some alarming bumps in the road Barron H Lerner narrates the two strong and vocal sides to this debate in the United States those who argue vehemently against drunk driving and those who believe the problem is exaggerated and overregulated A public health professor and historian of medicine Lerner asks why these opposing views exist examining drunk driving in the context of American beliefs about alcoholism driving individualism and civil liberties Angry and bereaved activist leaders and advocacy groups like Mothers Against Drunk Driving campaign passionately for education and legislation but even as people continue to be killed many Americans remain unwilling to take stronger steps to address the problem Lerner attributes this attitude to Americans love of drinking and love of driving an inadequate public transportation system the strength of the alcohol lobby and the enduring backlash against Prohibition The stories of people killed and maimed by drunk drivers are heartrending and the country's routine rejection of reasonable strategies for ending drunk driving is frustratingly inexplicable This book is a fascinating study of the culture of drunk driving grassroots and
