Todd Gray

Mrs Dizzy The Life Of Mary Anne Disraeli Viscountess Beaconsfield:

Mrs. Dizzy Mollie Hardwick,1972 *Disraeli* Christopher Hibbert,2015-11-03 The acclaimed biographer chronicles the life and times of the Victorian statesman who crossed class boundaries to become prime minister To Thomas Carlyle he was not worth his weight in cold bacon but to Queen Victoria Benjamin Disraeli was the kindest Minister she had ever had and a dear and devoted friend In this masterly biography by England s outstanding popular historian Christopher Hibbert reveals the personal life of one of the most fascinating men of the nineteenth century and England s most eccentric Prime Minister A N Wilson A superb speaker writer and wit Disraeli did not intend to be a politician Born into a family of Jewish merchants Disraeli was a conspicuous dandy constantly in debt and enjoyed many scandalous affairs until in 1839 he married an eccentric widow twelve years older than him As an antidote to his grief at his wife s death in 1872 he threw himself into politics becoming Prime Minister for the second time in 1874 much to the Queen s delight **Disraeli** David Cesarani,2016-04-26 Lauded as a great Jew excoriated by antisemites and one of Britain s most renowned prime ministers Benjamin Disraeli has been widely celebrated for his role in Jewish history But is the perception of him as a Jewish hero accurate In what ways did he contribute to Jewish causes In this groundbreaking lucid investigation of Disraeli s life and accomplishments David Cesarani draws a new portrait of one of Europe s leading nineteenth century statesmen a complicated driven opportunistic man While acknowledging that Disraeli never denied his Jewish lineage boasted of Jewish achievements and argued for Jewish civil rights while serving as MP Cesarani challenges the assumption that Disraeli truly cared about Jewish issues Instead his driving personal ambition required him to confront his Jewishness at the same time as he acted opportunistically By creating a myth of aristocratic Jewish origins for himself and by arguing that Jews were a superior race Disraeli boosted his own career but also contributed to the consolidation of some of the most fundamental stereotypes of modern antisemitism *Lives of Victorian Political Figures, Part I, Volume 2* Nancy LoPatin-Lummiis,Michael Partridge,Richard Gaunt,2021-03-24 Aims to bring alive through the eyes of their contemporaries three of the greatest political figures of the Victorian era Henry third Viscount Palmerston Benjamin Disraeli and William Gladstone This four volume set draws together various documents including journals and diaries pamphlets correspondence and other ephemeral literature Volume 2 covers the political life of Benjamin Disraeli Part I *The Ladies of Londonderry* Diane Urquhart,2007-03-10 Against a backdrop of increasing democracy and the associated process of aristocratic decline this book examines the political influence of the leading Tory hostesses the Marchionesses of Londonderry Over one hundred and fifty years from 1800 1959 these women were patrons and confidantes to key political figures such as Disraeli Bonar Law Edward Carson and Ramsay MacDonald By the late 19th century upper class women were at the height of their prowess exerting political sway by private means whilst exploiting more public avenues of political work canvassing addressing meetings and leading the new associations established in an attempt to educate a mass electorate At that time this hybrid of private and

public aristocratic politicking aroused little criticism but by the interwar period the hold that the 7th Marchioness of Londonderry Edith Vane Tempest Stewart allegedly had over MacDonald prompted widespread criticism of her role as the Mother of the National Government The lives of these vibrant and fascinating women have long been overlooked in histories of the nineteenth and early twentieth centuries as well as in studies of conservatism unionism or the aristocracy Despite their social and political importance few of their contemporaries acknowledged their influence partly because of the indirect way that aristocratic women exerted political power and their place in society was essentially defined by their male relatives The Ladies of Londonderry offers the first examination of the powerful political hostesses of the Anglo Irish establishment and sheds considerable light on the workings of 19th and 20th century politics Remarkable Women of Devon Todd Gray,2009

Lives of Victorian Political Figures, Part I Michael Partridge,2021-05-19 Aims to bring alive through the eyes of their contemporaries three of the greatest political figures of the Victorian era Henry third Viscount Palmerston Benjamin Disraeli and William Gladstone This four volume set draws together various documents including journals and diaries pamphlets correspondence and other ephemeral literature *Victoria and Albert at Home* Tyler Whittle,2023-10-13 First Published in 1980 *Victoria and Albert at Home* describes the sitting construction and decorating of the two royal residences at Osborne and Balmoral and paints a memorable portrait of the Queen s family and her Court beside the Solent and the Dee At the time of their marriage the royal couple had the use of many crown properties but except for Windsor Castle they found none to their taste and began to look for a home of their own Sir Robert Peel found them an estate on the Isle of Wight which was peaceful beautiful and at that time sufficiently remote from London However when access from London became swifter and easier their privacy was lost and they looked elsewhere for a second private family residence A small estate in Scotland was recommended and Prince Albert once again designed the house this time in Scottish baronial style Drawing on memories archives and family papers some of which with a number of illustrations have never been published before Tyler Whittle has written an interesting entertaining and vivid account of life at a time so very much more elegant and yet at the same time so very much robust than anything that can be imagined today This is a must read for students and scholars of British history and Royal history *Mary Anne Disraeli* James Sykes,1928 **Victorian Women** Peter Bell,1989
