Mrs Howard Hughes:

Mrs. Howard Hughes Raymond Strait,1970 *Spy* ,1986-11 Smart Funny Fearless It s pretty safe to say that *Spy* was the most influential magazine of the 1980s It might have remade New York s cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There s no magazine I know of that s so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It s a piece of garbage Donald Trump **Katharine the Great** Darwin Porter,2004 Based on years of painstaking research this tell all biography unveils the secret closeted life of the indomitable grande dame of American actresses Katharine Hepburn covering the years between her birth in 1907 and the debut of her role in *The African Queen* in 1950

Woman's Who's who of America John W. Leonard,1914 **Jean Peters** Michelangelo Capua,2024-03-05 From 1947 to 1955 Jean Peters 1926 2000 appeared in films opposite such Hollywood leading men as Tyrone Power Marlon Brando Burt Lancaster Spencer Tracy Richard Widmark and Robert Wagner as well as international stars including Louis Jourdan and Rossano Brazzi Despite her talent and status Peters eschewed the star studded lifestyle of 1950s Hollywood turning down roles that were too sexy and refusing to socialize with other actors discuss her private life in the press or lead the glamorous lifestyle often associated with her peers She was seen as a mystery to reporters who constantly tried to discover tidbits about her personal life In 1957 her marriage to Howard Hughes led to her retirement from acting and her further withdrawal from social events in Hollywood Instead she shifted her attention to charitable work arts and crafts and university studies in psychology and anthropology Her status as an enigma only grew as she agreed never to speak of her marriage with Hughes After her divorce however Peters attempted to resume her acting career in television but never regained her previous level of stardom Jean Peters Hollywood s Mystery Girl grants an in depth analysis of each of her nineteen films and is enriched by several high quality photographs from the author s personal collection **LIFE** ,1972-02-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Hughesworld** Arelo C. Sederberg,2013-01-17 Hughesworld is an authentic account written by a press spokesman for Howard Hughes that traces the highlights of his varied life in motion pictures and aviation but concentrates on the management struggle that followed his death in 1976 Hughes died intestate or without a valid will opening up a circus of phony will documents In addition hundreds of far distant relatives staked claims A first cousin Texas lawyer William Lummis assumed control after a long and bitter struggle with executives and lawyers who had previously managed Hughes businesses Hughes is shown as a brilliant aviation pioneer and aircraft designer as well as a motion picture producer and an able if unorthodox industrialist At one time he owed a major airline TWA a leading oil well drilling bit company Hughes Tool and a missile and electronics concern Hughes Aircraft In the final

phase of his business life he owned six Las Vegas hotel casinos He ended as a tragic character living secluded in pain from injuries sustained in plane crashes rendered helpless by drugs **Woman's Who's who of America** ,1914 **Kate**

William J. Mann,2007-10-30 The first major Katharine Hepburn biography independent of her control reveals the smart complicated and sophisticated woman behind the image Onscreen she played society girls Spencer Tracy s sidekick lionesses in winter But the best character Katharine Hepburn ever created was Katharine Hepburn a Connecticut Yankee outspoken and elegant she wore pants whatever the occasion and bristled at Hollywood glitter So captivating was her image that she never seemed less than authentic But how well did we know her really Was there a woman behind the image who was more human more driven and ultimately more triumphant because of her vulnerability William J Mann a cultural historian and journalist a sympathetic admirer but no mere fan has fashioned an intimate often revisionist and truly unique close up that challenges much of what we think we know about the Great Kate Previous biographies mostly products of friends and fans have recycled the stories she hid behind taking Hollywood myths at face value Mann goes deeper delivering new details from friends and family who have not been previously interviewed and drawing on materials only available since Hepburn s death With affection intelligence and a voluminous knowledge of Hollywood history Mann shows us how a woman originally considered too special and controversial for fame learned the fine arts of movie stardom and transformed herself into an icon as durable and all American as the Statue of Liberty The Golden Book of California Robert Sibley,1937
