Much Silence Meher Baba His Life And Work:

Much Silence Tom Hopkinson, Dorothy Hopkinson, 1975 **Much Silence** Tom Hopkinson, Lady Dorothy Hopkinson, 1982 *The Life And Teachings Of Sai Baba Of Shirdi* Antonio Rigopoulos, 1993-03-09 A vast and diversified religious movement originating from Sai Baba of Shirdi is often referred to as the Sai Baba movement Through the chronological presentation of Sai Baba s life light is shed on the various ways in which the important guru figures in this movement came to be linked to the saint of Shirdi **The Who and Philosophy** Rocco J. Gennaro, Casey Harison, 2016-06-23 The Who were one of the most memorable and influential of the 1960s British Invasion bands memorable because of their loudness and because they destroyed instruments during performances and influential because of their success in crafting Power Pop singles like My Generation and I Can See for Miles long playing albums Live at Leeds and Who s Next and the rock operas Tommy and Quadrophenia The themes that principal songwriter Pete Townshend imparted into The Who s music drew upon the group s mostly working class London upbringings and early Mod audiences frustration angst irony and a youthful inclination to lash out Like some of his rock and roll contemporaries Townshend was also affected by religious ideas coming from India and the existential dread he felt about the possibility of nuclear war During a career that spanned three decades The Who gave their fans and rock critics a lot to think about The remarkable depth and breadth of The Who s music and their story as one of the most exciting and provocative rock bands over the last half century are the subjects of the philosophical explorations in this collection **The Experience of Hinduism** Eleanor Zelliot, Maxine Berntsen, 1988-02-28 This book presents multi faceted images of religious experience in the Marathi speaking region of India In addition to Irawati Karve s classic On the Road about her pilgrimage to Pandharpur there are three essays by Karve that appear in English for the first time Here is possession by gods and ghosts an actual sermon by an inspired saint in the traditional bhajan style and an autobiographical account of the religious nationalism of the militant R S S These are engaging true to life accounts of the lives of individual Hindus Essays and imaginative literature a poem and a short story interplay the ideas concepts personalities practices rituals and deities of Hinduism in a surprisingly coherent manner **The Hagiographer and the Avatar** Antonio Rigopoulos, 2021-04-01 In this biographical study Antonio Rigopoulos explores the fundamental role of a hagiographer within a charismatic religious movement in this case the postsectarian cosmopolitan community of the Indian guru Sathya Sai Baba The guru s hagiographer Narayan Kasturi was already a distinguished litterateur by the time he first met Sathya Sai Baba in 1948 The two lived together at the guru s hermitage more or less continuously from 1954 up until Kasturi s death in 1987 Despite Kasturi s influential hagiography Sathyam Sivam Sundaram little scholarly attention has been paid to the hagiographer himself and his importance to the movement In detailing Kasturi s relationship to Sathya Sai Baba Rigopoulos emphasizes that the hagiographer s work was not subordinate to the guru s definition of himself Rather his discourses with the holy man had a reciprocal and reinforcing influence resulting in the

construction of a unified canon Furthermore Kasturi s ability to perform a variety of functions as a hagiographer successfully mediated the relationship between the guru and his followers Drawing on years of research on the movement as well as interviews with Kasturi himself this book deepens our understanding of this important pan Indian figure and his charismatic religious movement

Dattatreya: The Immortal Guru, Yogin, and Avatara Antonio Rigopoulos, 1998-04-02 Presents the multi faceted Hindu deity Dattatreya from his Puranic emergence to modern times This book presents the multi faceted Hindu deity Dattatreya from his Puranic emergence up to modern times Dattatreya s Brahmanical portrayal as well as his even more archaic characterization as a Tantric antinomian figure combines both Vaisnava Saiva motifs Over the course of time Dattatreya has come to embody the roles of the immortal guru yogin and avatara in a paradigmatic manner From the sixteenth century Dattatreya s glorious characterization emerged as the incarnation of the trimurti of Brahma Visnu and Siva Although Maharashtra is the heartland of Dattatreya devotion his presence is attested to throughout India and extends beyond the boundaries of Hinduism being met with in Sufi circles and even in Buddhism and Jainism via Nathism The scarce attention which most Western scholars of Indian religions have paid to this deity contrasts with its ubiquitousness and social permeability Devotion to Dattatreya cuts through all social and religious strata of Indian society among his adepts we find yogis Brahmins faqirs Devi worshippers untouchables thieves and prostitutes This book explores all primary religious dimensions myth doctrine ritual philosophy mysticism and iconography The comprehensive result offers a rich fresco of Hindu religion as well as an understanding of Marathi integrative spirituality precisely this complexity of themes constitutes Dattatreya s uniqueness I learned a great deal from this book Although I had known about Dattatreya as an important figure

in Hinduism I had never realized the richness and complexity of this truly Protean deity As Rigopoulos notes Dattatreya has been largely neglected by scholars and this book makes you wonder why since he is so intriguing I suspect that this will become a classic in its area since there really is no comparable work which does so much relating to Dattatreya In a way to read the history of Dattatreya as presented by Rigopoulos is to engage the history of Hinduism Virtually all of the major historical phases and issues are there from the Vedic period up to the last decade Glen Hayes Bloomfield College *Behind Blue Eyes* Geoffrey Giuliano, 2002-05-28 As far as legendary rock bands go The Who ranks alongside the Beatles and the Rolling Stones Penning the Who's enduring rock anthems and bringing those songs to life with some of the most frenetic and destructive guitar performances ever witnessed Pete Townshend proved that his excess matched his talent and left in his wake bottles syringes groupies and trashed hotel rooms as his band brought their music to an equally energized generation Biographer Giuliano spills the beans on Townshend's childhood his battles with band members during the Who's glory days as mod gods his strange devotion to the Indian mystic Meher Baba and the many unexpected turns his creative activities have taken in between the band's several break ups and reunions
