elucidates both its violence and its vulnerability *Alfons Mucha* Wilfried Rogasch, 2020 At the beginning of the twentieth century when Alfons Mucha went to the United States for four years as a lecturer the world famous poster designer Art Nouveau book illustrator designer photographer and painter was greeted with enthusiasm Mucha is regarded as one of the most important representatives of Jugendstil he knew how to move between the various genres more skilfully than virtually any other artist of his day 00After training as a stage decorator in Vienna Mucha travelled via Munich to Paris There he created a stir in the 1890s with his stylistically refined and elegantly executed posters These designs were not only his artistic breakthrough they also revolutionised the aesthetic of what was still a new medium Mucha's later works also demonstrated the inimitable Mucha style which celebrated floral elements lines and beauty and which is lavishly illustrated in this book
