Mudhook Machine Gunner D. J. Polley, 1997-01 **Men of War** Jessica Meyer, 2016-04-30 Exploring how understandings of masculinity were constructed by British First World War servicemen through examination of their personal narratives including letters home from the front and wartime diaries This book presents a nuanced investigation of masculine identity in Britain during and after the First World War *Stand To!* ,1998 **Making Sense of the Great War** Alex Mayhew, 2024-04-18 This interdisciplinary account explores how English infantrymen in Belgium and France experienced and coped with war between 1914 and 1918 **1918** Peter Hart, 2008 In the spring of 1918 the German army launched a series of devastating offensives against the French and British lines on the Western Front For four months they threw literally everything they had at the Allies sending them reeling all the way back to the Marne But despite the most appalling losses the British did not break and when the German advance ran out of steam in the summer the Allies finally turned the tables on them and began the astonishing advance that would bring an end to the war In a conflict known for its static battles 1918 provided some of the most dramatic mobile battles of the century For the Germans this was the last desperate fling of the dice much like the Ardennes offensive of December 1944 This book captures the desperation of the ordinary British soldiers fighting with their backs to the wall as they clung on to their fragile lines Drawing on the dramatic personal accounts of men who were there both commanders and ordinary soldiers Peter Hart brings to life the sheer suspense of waiting for the German attack the desperate turmoil of the retreat and the nail biting turning of the tide which brought an end to the war As a chronicle of the vast offensives of 1918 it is unparalleled in its scope and depth **The Official History of Australia in the War of 1914-1918: The A.I.F. in France** ,1981 **Official Gazette of the United States Patent Office** USA Patent Office, 1921 **Official Gazette of the United States Patent Office** United States. Patent Office, 1921 **A Signaller's War** David Langley, 2016-10-06 As the First World War roared into its second year 17 year old Lawrence Ellis marched into his recruitment office and signed up eager to fight for King and Country Underage as so many were it wasn't until he had cut his teeth in the Royal Field Artillery that Ellis joined the Corps of Royal Signallers It was some years after the war however that the private began to commit his memories to art and words A Signaller's War includes a poignant selection of Ellis images portraying the conditions experiences and hopes of the common soldier in the trenches of the Western Front Often humorous sometimes horrific always honest this collection is a unique insight into the life of a young volunteer who grows from a boy to a man during his service after witnessing the aftermath of the Somme and action at Cambrai He was not a trained artist writer or diarist yet his work demonstrates a skill and sensitivity that will leave the reader breathless
