Winner, 2003 With characteristic wit intellectual sharpness and passion for authenticity the groundbreaking author of Girl Meets God illuminates eleven spiritual lessons that Judaism has taught her **Tiny Step Away from Deepest Faith** Marjorie Corbman, 2005-10-01 In a society where my generation is often mischaracterized or misunderstood by parents and those around them assumed to be irreligious cynical and jaded I intend to depict it as I see it which is to say a generation lying just at the door of faith having rejected everything but faith itself Having assumed everything to be meaningless we are very close to accepting God as the only source of meaning Marjorie Corbman In this candid thought provoking account seventeen year old Marjorie Corbman teaches the rest of us something about faith She recounts her own experiences as well as those of many of her friends dismantling with remarkable transparency and grace the misconceptions surrounding today's teenagers Chapters focus on issues and experiences that Corbman and her peers are searching for such as intimacy tradition eternity community justice escape and how each relates to what Corbman calls the one thing needful faith Much has been written about teenagers from self help books for parents to young adult novels but very little has been written by teens themselves This is a book that is sorely needed both for adults wishing to understand today's kids and also for those teenagers who wish to assign some meaning to their beliefs sufferings and searching **Creating with God** Sarah Jobe, 2011-10-01 Creating with God is a boldly truthful sometimes funny and deeply spiritual account of where babies come from and where babies take us Jobe reads the Bible through the lens of her back to back pregnancies and finds that God

Edie, Mark A. Lamport, 2021-09-07 Faith left on rocky soil withers But faith nurtured in the good soil of Christian teaching formation and mentorship grows to maturity and yields

thriving community Educational ministries are so often where this happens where the desires of the human heart are shaped toward a love for God a love for one's neighbor and a love for the world In this comprehensive guide to educational ministries in the twenty first century Fred Edie and Mark Lamport explore how church leaders and others involved in Christian education can nurture a robust cruciform faith within their communities When discussing strategies and goals Edie and Lamport consider a range of contexts and a variety of related fields that might give insight into educational ministry theology pedagogy philosophy social science and more Those working with any age group children adolescents and adults will find a relevant discussion of key underlying theological themes a guide to concrete practices and indispensable help in navigating shifting cultural dynamics Exceedingly practical and consistent with the teachings of the gospel the wisdom in this book will speak to all who long to foster discipleship in their church school or missional community Key Features A Road Map at the beginning of each chapter concisely introduces the chapter's topic and essential themes Sidebars throughout the text provide deeper insight into particular important or nuanced concepts Discussion questions at the end of each chapter facilitate further reflection especially in conversation with others Suggestions for further reading are provided at the end of each chapter for those interested in exploring the chapter's ideas in greater depth Concluding the book is a series of afterwords from experts in the field of Christian educational ministries Martyn Percy Almeda Wright Craig Dykstra Kirsten Oh Elizabeth DeGaynor and Thomas Groome
