Jacob Neusner has published more than 1000 books and articles scholarly and academic popular and journalistic and is one of the most published humanities scholars in the world Over a period of fifty years he has made significant insightful and challenging contributions to the study of Rabbinic Judaism particularly in the disciplines covered in the three volumes which make up Neusner on Judaism the study of history volume 1 literature volume 2 and religion and theology volume 3 These unique volumes of selective writings by Jacob Neusner with new introductions by the author offer scholars an invaluable resource in the field of Judaic Studies Torah Through the Ages Jacob Neusner,2004-01-30 This brief history of Judaism not only seeks to tell the story of Judaism or of Judaisms but to define it in such a way as to make it possible for the reader to grasp and make sense of Judaism all at once on its own terms Professor Neusner accomplishes this task by selecting the central Jewish symbol of Torah and describing its role down through the ages First Torah is defined the dual Torah oral and

written and related to Jewish identity Then follows an account of the formation of the written Torah and the development of the Mishnah after the fall of Jerusalem in 70 CE This leads into an account of Midrash and the composition of the Talmud After a discussion of Torah as a symbol chapters follow on Maimonides the Zohar Reform Judaism and Zionism The book ends by pulling the threads together into a woven portrait of Judaism Here in concise and readable form is the model volume for writing the history of Judaism or of Judaisms as well as the history of any particular religion **Judaism** Jacob

Neusner,2002 In this comprehensive and engaging work an internationally recognized scholar presents an up to date study on the roots and the living religion of Judaism Fellowship in Judaism Jacob Neusner,2004-10-18 These essays examine the sociology of Judaism in the last decades of the Second Jewish Commonwealth The author discerns two kinds of religious fellowship one constituted by the haber translated fellow based on observance of certain religious laws and the other by the talmid hakham translated sage based on concern for study and application of the Torah He contrasts the former with the contemporary community at Qumran and shows the difference between the haburah and the Dead Sea commune to have been based in some measure on a different attitude towards society The final chapter presents an analysis of Jewish religious fellowship today and offers some concrete suggestions for recovering a more vital social religious life with the aid of the lessons of the ancient fellowships *Judaism's Theological Voice* Jacob Neusner,1995-05-01 Distinguished historian of

Judaism Jacob Neusner here ventures for the first time into constructive theology Taking the everyday life of contemporary Judaism as his beginning Neusner asks when in the life of the living faith of the Torah does Israel the holy community meet God Where does the meeting take place What is the medium of the encounter In his attempt to answer these questions Neusner sets forth the character and the form of the Torah as sung theology Israel the holy community meets God in the synagogue while at prayer and in the yeshiva when studying the Torah at the moment in each setting when the Torah is received In both circumstances people do not read but sing out its words With the written part of the Torah sung in the synagogue and the oral part declaimed in centers of sacred learning music provides the medium for Judaism s theological voice Neusner identifies a reciprocal exchange between the holy community Israel and God Israel sings to God when the Torah is studied and God sings to Israel when the Torah is declaimed Through the metaphor of music Neusner offers an account of how he believes those faithful to the Torah meet God in the Torah and how they should listen to the melody of God s self revelation The result is an original theological reflection that will interest all students of Judaism An Introduction to

Judaism Jacob Neusner,1991-01-01 An ancient religion practiced through most of recorded history and having profound influence on both Christianity and Islam Judaism is also a modern religion that still transforms the lives of many people Neusner surveys how Judaism took shape as people responded to political and religious crises and describes how Judaism is practiced in American today **Rabbi Talks with Jesus** Jacob Neusner,2000-02-16 Placing himself within the context of the Gospel of Matthew Neusner imagines himself in a dialogue with Jesus of Nazareth and pays him the supreme Judaic gesture

of respect making a connection with him through an honest debate about the nature of God's One Truth Neusner explains why the Sermon on the Mount would not have convinced him to follow Jesus and why by the criterion of the Torah of Moses he would have continued to follow the teachings of Moses He explores the reasons Christians believe in Jesus Christ and the Kingdom of Heaven while Jews continue to believe in the Torah of Moses and a kingdom of priests and holy people on earth This revised and expanded edition with a foreword by Donald Akenson creates a thoughtful and accessible context for discussion of the most fundamental question of why Christians and Jews believe what they believe

The Halakhah: Historical and Religious Perspectives Jacob Neusner, 2002-04-01 The normative law or Halakhah of the Oral Torah defines the principal medium by which the sages set forth their message Norms of conduct more than norms of conviction convey the sages' statement by embodying its system for the social order of holy Israel The essays gathered here complementing the author's *Theology of the Halakhah* Brill 2001 systematically investigate the religious meaning of the normative law of Judaism with special reference to the concept of time and history that is embodied by the law in the now classic essays *History Time and Paradigm in Scripture and in Judaism* *Halakhah Past Time Why No History in Rabbinic Judaism* and the comparison of history and purity in Rabbinic Judaism and in the religious system of the Dead Sea library at Qumran *History and Purity in First Century Judaism* Two essays of anthropological interest *The Halakhah and Anthropology* and *The Halakhah and the Inner Life of the Israelite* move from history to the Halakhah as a cultural indicator The final essays take up two theological questions how the theology expressed in the Halakhic system works together with the theology conveyed by the Aggadic statements of Rabbinic Judaism in late antiquity and the case for the Rabbis' reading of ancient Israelite Scripture *Why the Rabbis are right* An essay *ritual without myth* argues that the Halakhah on its own without verbal explanation embodies its own mythic structure in the context of the law of Numbers 19 Mishnah tractate Parah
