Life Sentences Anthony B. Pinn, Gregory Colleton, 2007-10-01 Whether from established authors or by writers new to fiction the short stories in this volume explore life as change using Ecclesiastes 3:1-8 as the lens The writers come from different backgrounds perspectives and levels of familiarity with the short story but what ties them together is a willingness to creatively explore the raw and more uncomfortable dimensions of life big events and small happenings all bound up by a recognition of the inevitability and discomfort of change Each writer has a story to tell a creative and imaginative angle on life as it happens somewhere to someone *Life Sentences* represents an experiment a recognition of and confrontation with the depth of culture and culture's life maps with the ways in which the joys and troubles of life are given meaning This collection attempts to address these large and small challenges and dynamics of life without the jargon of the professional philosopher or theologian but with the more earthy language of popular culture the short story Contributors Annette Almazan Faynessa Armand E.
