

Lifetime Of Experiences

Tangling melody's rhythms throughout intellect, feeling them spreading and touching particles of this brain, creating many sights, developing thoughts, images and portraits of prose.

All being written out, a lifetime of experiences and situations through many walks and avenues of life, finding extraordinary attitudes of positivism.

Enlightening and improving everything being found through coded rhythms, then formulated in mathematical formulas and equations, a treasure trove of joy and it's happiness.

Always ready to be accepted by intellect and written down in poetry journals for all of posterity, a future of gems and wisdom written to possibly fall back on when faced with decisions of what this world should be.

Eternity's Sunrise Leo Damrosch, 2015-10-28 William Blake overlooked in his time remains an enigmatic figure to contemporary readers despite his near canonical status Out of a wounding sense of alienation and dividedness he created a profoundly original symbolic language in which words and images unite in a unique interpretation of self and society He was a counterculture prophet whose art still challenges us to think afresh about almost every aspect of experience social political philosophical religious erotic and aesthetic He believed that we live in the midst of Eternity here and now and that if we could open our consciousness to the fullness of being it would be like experiencing a sunrise that never ends Following Blake's life from beginning to end acclaimed biographer Leo Damrosch draws extensively on Blake's poems his paintings and his etchings and engravings to offer this generously illustrated account of Blake the man and his vision of our world The author's goal is to inspire the reader with the passion he has for his subject achieving the imaginative response that Blake himself sought to excite The book is an invitation to understanding and enjoyment an invitation to appreciate Blake's imaginative world and in so doing to open the doors of our perception
