William Morris

Political Writings Contributions To Justice And Commonweal 1883-1890 William Morris Library:

The Routledge Companion to William Morris Florence S. Boos, 2020-10-29 William Morris 1834-96 was an English poet, decorative artist, translator, romance writer, book designer, preservationist, socialist theorist, and political activist whose admirers have been drawn to the sheer intensity of his artistic endeavors and efforts to live up to radical ideals of social justice. This Companion draws together historical and critical responses to the impressive range of Morris's multi-faceted life and activities: his homes, travels, family, business practices, decorative artwork, poetry, fantasy romances, translations, political activism, eco-socialism, and book collecting and design. Each chapter provides valuable historical and literary background information, reviews relevant opinions on its subject from the late nineteenth century to the present, and offers new approaches to important aspects of its topic. Morris's eclectic methodology and the perennial relevance of his insights and practice make this an essential handbook for those interested in art history, poetry, translation, literature, book design, environmentalism, political activism, and Victorian and utopian studies.

Political Writings William Morris, 1994 Between 1883 and 1890 William Morris contributed almost 500 signed articles to two of the most important socialist papers, *Justice* and *Commonweal*. Little of this work has been reprinted since it first appeared.

William Morris Peter Faulkner, Peter Preston, William Morris Society, 1999 This well-illustrated book celebrates every aspect of the wide-ranging achievements of William Morris: writer, designer, cultural critic, revolutionary socialist, with particular emphasis on their relevance to our own times. The book makes available up-to-date Morris scholarship in accessible form. Written by a group of international scholars who took part in a conference marking the centenary of the death of Morris in 1896, the book has sections devoted to Morris and Literature, covering texts from *The Earthly Paradise* to the late romances; Morris the Arts; and Morris Gender and Politics, with fresh consideration of his relation to Victorian ideas of manliness and of the particular qualities of his anti-statist politics. The latter section also draws attention to a hitherto unknown play by Morris's daughter May and concludes with an account of his biographer, the late E. P. Thompson.

William Morris and the Idea of Community Anna Vaninskaya, 2010-10-12 The great polymath William Morris and his contemporaries and followers from H. Rider Haggard to H. G. Wells are the focus of this study. Anna Vaninskaya draws upon a wide array of primary sources from working-class fiction and articles in fringe socialist newspapers to historical treatises, autobiographies, and diaries in order to explore the many ways Victorians and Edwardians talked about community and modernity. Vaninskaya's narrative moves from the realm of romance bestsellers and sniggering reviews to debates in weighty historical tomes and then to the headquarters of revolutionary parties, to street corners and shabby lecture halls. She demonstrates how in each domain the dream of community clashed with the reality of the modern state and market.

Writing on the Image David Latham, 2007-01-01 *Writing on the Image* is a collection of essays that showcases the varied canon of Morris.

The Journal of the William Morris Society, 2000

Political Economy from Below Rob Knowles, 2017-07-05 Communitarian anarchism is a generic form of socialism that denies the

need for a state or any other authority over the individual from above and which requires absolute belief that the individual cannot exist outside of a community of others This book suggests that the communitarian anarchists of the nineteenth century developed and articulated a distinct tradition of economic thought The period of this study begins with the first major writing of the French communitarian anarchist Pierre Joseph Proudhon in 1840 and ends with the temporary burial of anarchist theorizing at the beginning of the First World War in 1914 However he tradition of communitarian anarchist economic thought did not end in 1914 The economic thought explored in this book provides a fresh perception of the fragmentation evident in many societies today especially where there is a substantial informal economy **The Philosophy**

of Utopia Barbara Goodwin,2012-12-06 This collection addresses the important function of utopianism in social and political philosophy and includes debate on what its future role will be in a period dominated by dystopian nightmare scenarios

Ernest Gimson Annette Carruthers,Mary Greensted,Barley Roscoe,2019-10-04 This rich new volume brings to light the versatility and accomplishments of the English architect designer and maker Ernest Gimson a central figure in the Arts and Crafts Movement **The Hollow Land and Other Contributions to the Oxford and Cambridge Magazine** William

Morris,1996 **Encyclopedia of the Essay** Tracy Chevalier,1997 A hefty one volume reference addressing various facets of the essay Entries are of five types 1 considerations of different types of essay e g moral travel autobiographical 2 discussions of major national traditions 3 biographical profiles of writers who have produced a significant body of work in the genre 4 descriptions of periodicals important for their publication of essays and 5 discussions of some especially significant single essays Each entry includes citations for further reading and cross references Annotation copyrighted by Book News Inc Portland OR A Bibliography of William Morris Eugene D. LeMire,2006 Provides an account of William Morris writings This bibliography focuses not only to what those writings are and when or by whom they were issued but also to the ways by which they reached the public

Anglophonia Collectif d'auteurs,1998 *Arts and Crafts Essays* Arts and Crafts Exhibition Society,1996 *Newsletter* William Morris Society,2006 **Sigurd the Volsung** William Morris,1994 The Water of the Wondrous Isles William Morris,1994 Mathilde Blind James Diedrick,2017-01-12 With Mathilde Blind Late Victorian Culture and the Woman of Letters James Diedrick offers a groundbreaking critical biography of the German born British poet Mathilde Blind 1841 1896 a freethinking radical feminist Born to politically radical parents Blind had by the time she was thirty become a pioneering female aesthete in a mostly male community of writers painters and critics including Algernon Charles Swinburne William Morris Ford Madox Brown William Michael Rossetti and Richard Garnett By the 1880s she had become widely recognized for a body of writing that engaged contemporary issues such as the Woman Question the forced eviction of Scottish tenant farmers in the Highland Clearances and Darwin s evolutionary theory She subsequently emerged as a prominent voice and leader among New Woman writers at the end of the century including Mona Caird Rosamund Marriott Watson and Katharine Tynan She also developed important associations with leading male decadent

writers of the fin de siècle most notably Oscar Wilde and Arthur Symonds. Despite her extensive contributions to Victorian debates on aesthetics, religion, nationhood, imperialism, gender, and sexuality, however, Blind has yet to receive the prominence she deserves in studies of the period. As the first full-length biography of this trailblazing woman of letters, Mathilde Blind underscores the importance of her poetry and her critical writings, her work on Shelley, biographies of George Eliot and Madame Roland, and her translations of Strauss and Bashkirtseff for the literature and culture of the fin de siècle. **Poems by the Way** William Morris, 1994 **Hopes and Fears for Art ; & , Signs of Change** William Morris, 1994
