Jones, Ann E. Christensen, 2022-08-31 This text provides a comprehensive understanding of the foundational literacy knowledge skills behaviors and attitudes necessary to guide emerging readers and writers in early childhood Centered on the critical question of why some children learn to read easily while others do not this text walks readers through developmentally appropriate

goal setting based on the foundational literacy skills that are critical for preschool and kindergarten children to develop. Written in an authoritative yet accessible style, chapters offer instructional strategies, insights, and scenarios from educators' self-reflection and a variety of methods for implementation. Each chapter also includes differentiation for children with language and learning challenges, as well as dual language learners exploring methods for valuing the home language while building critical literacy skills in the classroom. Providing critical skills for guiding all emerging readers to an independent reading level, this is an essential resource for both students in early childhood literacy and special education courses and educators in early childhood public education, non-profit preschool settings such as Head Start, home and daycare settings, and private and corporate care and education centers.

Early Reading First and Beyond Susan E. Israel, 2007-12-13

Foster young children's early literacy skills and build a strong foundation for reading. Emphasizing the importance of providing emerging readers with the skills for future literacy success, *Early Reading First and Beyond* is a comprehensive resource that helps early childhood educators develop children's readiness for kindergarten by providing creative learning experiences based on the most current literacy research. In reader-friendly terms, Susan E. Israel illustrates how to create rich learning environments, provide activities to engage young minds, and promote the important language, cognitive, and early reading skills necessary to encourage learners' self-confidence. Teachers will find proven practices, assessment tools, guidelines for meeting individual learning needs, examples, advice for professional development sessions, and connections to International Reading Association standards. This book presents essential information for understanding and implementing the core components of an Early Reading First program: Designing early childhood programs of excellence, School-parent partnerships, Oral language development, Phonological awareness, Print awareness, Alphabetic knowledge, Early metacognitive thinking, Advocating strong connections between home and school. This accessible text offers teachers, early childhood education specialists, literacy coaches, administrators, and parents the appropriate tools to make a significant positive difference in young children's futures.
