**Radical Holiness for Radical Living** C. Peter Wagner, 1998-11      **Apostles and Prophets** C. Peter Wagner, 2000-10-05 Jesus revealed Himself to be the cornerstone of the church But He has built His church and continues to build it through apostles and prophets people who are empowered by the Holy Spirit Now a leader of the New Apostolic Reformation gives us new insights into how the people called to crucial roles in the church apostles prophets evangelists pastor and teachers must work together to fulfill their divine purpose For the first time since the Early Church God is harnessing apostles and prophets to fulfill the promises of His divine plan Prepare to play your part      **Charisma and Christian Life** , 1999      Warfare Prayer C. Peter Wagner, 2009-10-28 Warfare Prayer provides a toolbox and an operator s manual for those who take seriously the Apostle Paul s statement that we wrestle not against flesh and blood but against principalities and powers The demonic world around us is a reality but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us Based on a combination of sound biblical theology and real life experiences this book is a user friendly guide for those committed enough to join the army of God      Reformer's Pledge Bill Johnson, Lance Wallnau, Chuck Pierce, Heidi Baker, C. Peter Wagner, James W. Goll, John Arnott, Cindy Jacobs, Lou Engle, Jim Garlow, 2010-11-01 Too often Christian leaders trying to reform society are perceived as intolerant right wing conservatives without an ounce of compassion The truth is many people trying to bring about positive societal reformation are very compassionate and loving people The selected writers who contributed to this book are compassionate reformers I am privileged to know each author and consider all of them dear friends Ch Ahn The Reformer s Pledge is an exciting collection of ten essays by the following respected and dedicated Church leaders Bill Johnson James W Goll Lance Wallnau John Arnott Chuck Pierce Cindy Jacobs Heidi Baker Lou Engle C Peter Wagner Jim Garlow With insight and anointing each author presents a clear picture of reforms that need to be made and the kind of actions required by believers to be in step with God s plan Poignant topics include racism love prayer defending the sanctity of marriage and other fundamental issues facing the Church today Each important topic is addressed thoroughly and sensitively in Spirit inspired chapters sure to stir your soul ignite your calling and fulfill your God given destiny      **A Divine Alliance** Jim Laffoon, 2001-07      **Saints and Feasts of the Liturgical Year** John Paul Thomas, 2023-12-10 If a list were made of the greatest human beings who have ever lived those reflected upon in this four volume series would be at the top of that list Though historians often attempt to judge greatness from their own subjective perspective there must be an objective criteria by which human greatness is judged The only Person Who is capable of establishing that criteria is God The criteria that God has established are the virtues as identified by Jesus and revealed by Him through the holy Gospels The goal of this four volume series is to present each saint found on the Catholic liturgical calendar as a Solemnity Feast or Memorial in such a way as to identify the Godly virtues that place them on the top of that list Though their greatness has already been

established and their heroic virtues confirmed by the Church God chose the men and women found in these pages not only for greatness in their lifetimes but also as models of holiness in ours These men and women are gifts to you given by God through the Church Every saint is unique but every saint is similar because each one became living witnesses to Christ and living Gospels for a world in need Some saints were united to God through martyrdom some through virginity and chastity some through works of charity and some through lives of intense prayer The saints have come from every culture every socioeconomic background every level of education and every personality type Through every saint God shines forth radiating His abundant mercy through the diversity of their lives In the end it is not their personality preferences gifts or any other unique qualities that unite them as the one communion of saints It is God and God alone Who floods their souls and forms them into a united song of praise of God's eternal glory Why read about the saints Why learn about their lives Why ponder what they said and did The answer is simple You are called to be among their company You are called to become as holy as they were transformed by God's grace and to radiate that grace in the world today At first the virtues of the saints might seem to be out of your reach The saints can appear to be superhuman The truth is that the saints became fully human by becoming who they were created to be They rejected the deceptions of the devil the seductions of the world and the weaknesses of the flesh Instead they discovered the truths of God sought out the riches of Heaven and became filled with the strength of every virtue As you read about the lives of the saints ponder their words and actions study their heroic virtues and learn from their lives of prayer allow yourself not only to be inspired by them but also to desire to imitate them Nothing is stopping you from being counted among the saints in Heaven God promises to lavish every grace upon you that you need to walk down that holy path Only when you refuse His grace is that mission thwarted

**Church, Identity, and Change** David A. Roozen, James R. Nieman, 2005-05-02 Since colonial days religious work in America has happened through denominations At least since the start of the twentieth century these religious bodies consisted of a fairly tight intra denominationally connected system of congregations regional judicatories and national offices This system was the product of more than two centuries of consolidation among America's historic immigrant and indigenous churches The vast majority of these structures are still in place retain some semblance of internal coherence have considerable social and religious significance and will be with us for the foreseeable future Nevertheless the stresses upon them today clearly indicate that they are entering an unsettled period of transition The purpose of this book is to examine the national structures of eight diverse Protestant denominations as a part of that shift The frame of this study is the relationship between the theological and organizational nature of national denominational structures as they adapt to the changing situation of the twenty first century

*What Do Christians Believe?* Malcolm Guite, 2020-03-31 A lucid summary and interpretation of the Christian faith from one of the leading Christian poets of our time Jeremy Begbie Duke University I give you a new commandment that you love one another Just as I have loved you you also should love one another Jesus Christ Christianity began as a minor sect within Judaism and has become one of the

major world religions What started as a small group of people who shared the same language lifestyle and background is now a movement which embraces many different languages and cultures giving rise to an astonishing variety of practices and interpretations yet all with a common basis of shared faith inspired by the teaching life death and new life of a carpenter from Nazareth How did this happen What Do Christians Believe was written for the reader looking for quick practical insights into the beliefs and practices of Christianity Jesus himself identified love as the essential element in both worship and daily life Using this teaching and the core Christian belief that Jesus was God s way of opening himself to humanity theologian poet and songwriter Malcolm Guite explains the inner meaning of such key Christian teachings as atonement redemption and the concept of God as Trinity Living in Bible Times Christopher J. Richmann, 2020-01-09 F F Bosworth was the only major living link between the late nineteenth century divine healing movement that gave birth to Pentecostalism and the post World War II healing revival that brought Pentecostalism into American popular culture At once on the fringes and in the mainstream of American Pentecostalism Bosworth has largely been ignored by historians Richmann demonstrates that Bosworth s story not only draws together disparate threads of the Pentecostal story but critiques traditional interpretations of speaking in tongues Azusa Street denominational affiliation divine healing the relationship to fundamentalism the Word of Faith movement and eschatology In this critique Richmann provides a much needed critical biography of Bosworth as well as a fresh interpretation of Pentecostalism **The Authority of the Believer and Healing** Ché Ahn, 1999-07 *Communion of Radicals* Jonathan McGregor, 2021-11-03 Popular perceptions of American writers as either godless radicals or God fearing reactionaries overlook a vital tradition of Christian leftist thought and creative work In *Communion of Radicals* Jonathan McGregor offers the first literary history of theologically conservative writers who embraced political radicalism as their reverence for tradition impelled them to work for social justice Challenging recent accounts that examine twentieth century American literature against the backdrop of the rising Religious Right *Communion of Radicals* uncovers a different literary lineage in which allegiance to religious tradition fostered dedication to a more just future From the Gilded Age to the Great Depression to the civil rights movement traditional faith empowered the rebellious writing of socialists anarchists and Catholic personalists such as Vida Scudder Dorothy Day Claude McKay F O Matthiessen and W H Auden By recovering their strain of traditioned radicalism McGregor shows how strong faith in the past can fuel the struggle for an equitable future As Christian socialists Scudder and Ralph Adams Cram envisioned their movement for beloved community as a modern version of medieval monasticism Day and the Catholic Workers followed the fourteenth century example of St Francis when they lived and wrote among the disaffected souls on the Bowery during the Great Depression Tennessee s Fellowship of Southern Churchmen argued for a socialist and antiracist understanding of the notion of the South and the Agrarian tradition popularized by James McBride Dabbs Walker Percy and Wendell Berry Agrarian roots flowered into creative expressions encompassing the queer and Black medievalist poetry of Auden and McKay respectively

Matthiessen's Catholic socialist interpretation of the American Renaissance and the genteel anarchism of Percy's southern comic novels Imaginative writing enabled these Christian leftists to commune with the past and with each other driving their radical efforts in the present Communion of Radicals chronicles a literary Christian left that unites deeply traditional faith with radicalism and offers a usable past that disrupts perceived alignments of religion and politics

Courey, 2015-02-26 Global Pentecostalism is a twenty first century phenomenon Yet in North America where the movement was born it has stalled Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism Through the identification of parallels between Martin Luther and contemporary Pentecostals Courey detects in Luther's Theology of the Cross a potent remedy for this tension Utilising this insight Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world This work comprises of three parts The first is historical charting the antecedents and development of Pentecostal triumphalism The second is an experiment in historical theology seeking basic resonances between Luther and early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism The final section is an effort in constructive theology applying the theologia crucis to some of the central aspects of Pentecostalism

**Holy Jumpers** William Kostlevy, 2010-05-19 In this groundbreaking book

William Kostlevy presents a fascinating study of the Metropolitan Church Association MCA a religious community founded in Chicago in the early 1890s The MCA was one of the most controversial societies of the era Its members were called jumpers because of their acrobatic worship style and Burning Bushers after their caustic periodical the Burning Bush They objected to the concept of private property rejected elite denominations and professed an alternative radical vision of Christianity using modern music and folk art to spread their message A product of the holiness revival of the late nineteenth century and a catalyst for Pentecostalism the MCA played a vital role in the twentieth century growth of evangelical Christianity yet it has long been ignored in studies of American radicalism of communal societies and even of holiness and Pentecostal Christianity Kostlevy rectifies this omission providing a valuable new context for understanding the origins of Pentecostalism He investigates the internal struggles of the Holiness Movement showing how radically divergent theological currents came to dominate a major segment of the American evangelical community He also shows how deeply the MCA impacted the lives of twentieth century evangelists Bud Robinson and Seth C Rees self designated first woman bishop Alma White and Pentecostal evangelists A G Garr and Glenn Cook As Holy Jumpers demonstrates Holiness Christians and the MCA in particular played a profoundly formative role in the development of modern evangelical and Pentecostal Christianity
