Radical Prayer Contemporary Interpretations:

Radical Prayer Perry D. LeFevre, 1982 Prayer Stanley James Grenz, 2005 Prayer has always stood at the heart of the manner in which evangelicals pray But why is petitionary prayer important Grenz presents petitionary prayer as a crucial aspect of the coming of God's kingdom on Earth and challenges the contemporary church to recapture what it means to be a church that prays

Hopeful Realism in Urban Ministry Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy

Barth's Theology of Interpretation Donald Wood, 2016-04-08 Through his single minded insistence on the priority of the Bible in the life of the church Karl Barth 1886-1968 decisively shaped the course of twentieth century Christian theology Drawing on both familiar texts and recently published archival material Barth's Theology of Interpretation sheds new light on Barth's account of just what it is that scripture gives and requires In tracing

Danaher, 2011-09-22 The current popularity of contemplative prayer is not accidental A twenty first century understanding of the human condition has made us suspicious of words and the understanding we craft out of words Theology generally offers us words that purport to give us a more precise and certain understanding of God but the mystic has always known that our relationship to God transcends words and the kind of understanding that words produce The theology of the mystic has always been about understanding our communion with the mystery that is God in order to fall evermore deeply in love with the Divine That is the ultimate purpose of contemplative prayer and the purpose of this book is to offer a philosophy and theology of contemplative prayer in the twenty first century **Das Gebet als Grundakt des Glaubens** Werner Schüssler, A.
