Radical Restoration A Call For Pure And Simple Christianity:

Radical Restoration F. LaGard Smith, 2003-09 What if we radically restored first century faith and practice in our own time and culture Smith pleads for a more complete restoration by exploring the areas of youth ministry elders the Lord's Supper gathered worship and the Christian lifestyle **American Book Publishing Record**, 2004 *Forthcoming Books*

Rose Arny, 2002-02 **Reformed Confessionalism in Nineteenth Century America** Sam Hamstra, Arie J. Griffioen, 1995 A scholarly yet accessible resource for religious historians mainline and evangelical ecumenists liturgists pastors and educated laypersons Subject Guide to Books in Print, 1971 *Venice and the Radical Reformation* Riccarda Suitner, 2023-12-04 The Republic of Venice was the only Catholic territory in which an Anabaptist community formed in the 16th century The history of Venetian Anabaptism hitherto little known in Reformation Studies is the focus of this book Using a large quantity of archival material and rare printed sources Riccarda Suitner reconstructs the lives of the Republic's Anabaptists and the inquisitorial repression they suffered and analyses the doctrinal specificities of the Radical Reformation in this area This story represents a fundamental stage in the relations between German central European and Italian culture in the early modern period Events in Venice are presented within a broader comparative framework paying particular attention to the German states Switzerland the Polish Lithuanian Commonwealth Transylvania Moravia Tyrol and the Kingdom of Naples It will emerge that its Venetian history cannot be ignored if we are to gain a true understanding of the European Reformation **The Christian Advocate**, 1905 *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 **Encounter**, 1959 **The Scattered Nation**, 1902 *God and Government* Jarrett A. Carty, 2017-11-08

Martin Luther 1483-1546 famously began the Reformation a movement that shook Europe with religious schism and social upheaval While his Ninety Five Theses and other theological works have received centuries of scrutiny and recognition his political writings have traditionally been dismissed as inconsistent or incoherent *God and Government* focuses on Luther's interpretations of theology and the Bible the historical context of the Reformation and a wide range of writings that have been misread or misappropriated Re contextualizing and clarifying Luther's political ideas Jarrett Carty contends that the political writings are best understood through Luther's two kingdoms teaching in which human beings are at once subjects of a spiritual inner kingdom and another temporal outer kingdom Focusing on Luther's interpretations of theology and the Bible the historical context of the Reformation and a wide range of writings that have been misread or ignored Carty traces how Luther applied political theories to the most difficult challenges of the Reformation such as the Peasants War of 1525 and the Protestant resistance against the Holy Roman Empire as well as social changes and educational reforms The book further compares Luther's political thought to that of Protestant and Catholic political reformers of the sixteenth century Intersecting scholarship from political theory religious studies history and theology *God and Government* offers a comprehensive look at Martin Luther's political thought across his career and writings **American Apocalypse** Matthew

Avery Sutton, 2014-12-15 A Choice Outstanding Academic Title 2015 The first comprehensive history of modern American evangelicalism to appear in a generation American Apocalypse shows how a group of radical Protestants anticipating the end of the world paradoxically transformed it The history Sutton assembles is rich and the connections are startling New Yorker American Apocalypse relentlessly and impressively shows how evangelicals have interpreted almost every domestic or international crisis in relation to Christ's return and his judgment upon the wicked Sutton sees one of the most troubling aspects of evangelical influence in the spread of the apocalyptic outlook among Republican politicians with the rise of the Religious Right American Apocalypse clearly shows just how popular evangelical apocalypticism has been and during the Cold War how the combination of odd belief and political power could produce a sleepless night or two D G Hart Wall Street Journal American Apocalypse is the best history of American evangelicalism I've read in some time If you want to understand why compromise has become a dirty word in the GOP today and how cultural politics is splitting the nation apart American Apocalypse is an excellent place to start Stephen Prothero Bookforum *Restoration Appreciation* John C.

Nugent, 2022-05-13 The Restoration Movement is one of the largest Christian traditions indigenous to the United States boasting nearly four million adherents Over the last century however it has suffered internal division isolationism declining institutions and widespread ignorance of its own roots The dynamism and solidarity that once typified our churches appears to be fading which has many asking if the Restoration Movement has lost all momentum Yet Jesus prayed for Christian unity and tied such unity to the world's belief John 17 Only a united church will convince unbelievers that God sent Jesus as his ultimate expression of love for them This prayer propelled the early Movement into action and may do so again today This highly accessible book invites restorationists to rise above the partisanship of our day rally around our core commitments and lead out in our strengths It informs readers about the modest origins unique resources and current challenges facing our churches It fosters stimulating conversations about mission race creeds Scripture education unity humility and relevance If it's time for you your congregation or your students to encounter or recover their restoration roots then this book is for you

Empowering Spirit, Empowering Structures Stephen Charles McKnight, 2023-08-03 Noel Perkin a banker turned missionary led Assemblies of God World Missions AGWM for more than thirty years 1927-59 His life exemplifies the missionary zeal historians have noted within the early Pentecostal movement Perkin's experience of the Holy Spirit and his experiences as a missionary in Argentina led him to create systems intended to empower others to fulfill Christ's commission to make disciples of all nations Perkin's empowering leadership played a significant part in AGWM's remarkable growth into a leading Pentecostal mission sending agency which currently sends over 2 000 missionaries to 140 countries As one of the principal architects of AGWM's missiology and operation Perkin transformed a two person office relying on envelope boxes for its accounting system into a well structured strategic mission agency and laid a foundation for AGWM's continued growth Empowering Spirit Empowering Structures uses the foundation of a biographical study to examine the concept of

empowerment through Perkin's life and the impact that Perkin and his missiology had and continues to have upon AGWM

The History of the World Hans Ferdinand Helmolt (1865- ed),1902 **The Problem of Atheism** Augusto Del Noce,2022-01-05 In 1964 Augusto Del Noce assembled in a book some of his best works on Marxism atheism and the history of modern philosophy The result was *Il problema dell'ateismo* which he always regarded as foundational to his way of thinking The book remains his best known work and is still in print in Italy almost sixty years later The Problem of Atheism offers the first English translation of this landmark book one of the earliest works to recognize the new secularizing trends in Western culture following World War II Del Noce situates atheism historically reconstructing its philosophical trajectory through European modernity Documenting the author's entire intellectual experience these essays explore the birth of modern philosophy reckon with the great European crisis of 1917 to 1945 and the Cold War that followed and mine the opposition between Marxism and the rise of the affluent society The result is rich with premonitions of the cultural landscape that would take shape throughout the 1960s and the decades that followed Proving its English translation to be long overdue The Problem of Atheism remains relevant to contemporary debates about secularization political theology and modernity
