Radical Right Parties And Electoral Competition:

The Oxford Handbook of the Radical Right Jens Rydgren, 2018-02-01 The resurgence of strong radical right wing parties and movements constitutes one of the most significant political changes in democratic states during the past several decades particularly in Europe The radical right s comeback has notably attracted interest from political scientists sociologists and historians although the majority of past research focuses on party and electoral politics In contrast *The Oxford Handbook of the Radical Right* not only covers existing literature but also shows how the radical right forms movements rather than parties Editor Jens Rydgren has gathered an international cast of contributors to cover concepts and definitions ideologies and discourses and a range of contemporary issues such as religion globalization gender and activism Further this volume is one of few to provide a number of cases focusing on areas outside of Europe including Russia the US Australia Israel and Japan By integrating various strands of scholarship on the radical right that covers different regions and different research perspectives this Handbook provides an authoritative and state of the art overview of the topic and will set the agenda for scholarship on the radical right for years to come

The Extreme Right in Europe Uwe Backes, Patrick Moreau, 2011-12-07 The present work deals not only with the well organized right extremism in modern Europe as well as with its function in proper political parties but equally includes two additional broader approaches the militant branches and subcultures that exist including some paramilitary phenomena in Eastern Europe and the broad realm of their political ideas and cultural trends and the influence they exert on European political culture

Radical Right Movement Parties in Europe Manuela Caiani, Ondřej Císar, 2018-12-07 This book provides state of the art research by leading experts on the movement parties of the radical right It examines the theoretical implications and empirical relevance of these organizations comparing movement parties in time and space in Europe and beyond The editors provide a theoretical introduction to radical right movement parties discussing analytical frameworks for interpreting their causes forms and effects In the subsequent sections of the book chapter authors examine a range of empirical case studies in Western Central and Eastern Europe using a combination of qualitative and quantitative methodological approaches and make a significant contribution to the literature on social movements and party politics This book is essential reading for scholars of European party politics and students in European politics social movements comparative politics and political sociology

The Populist Radical Right Cas Mudde, 2016-10-04 The populist radical right is one of the most studied political phenomena in the social sciences counting hundreds of books and thousands of articles This is the first reader to bring together the most seminal articles and book chapters on the contemporary populist radical right in western democracies It has a broad regional and topical focus and includes work that has made an original theoretical contribution to the field which make them less time specific The reader is organized in six thematic sections 1 ideology and issues 2 parties organizations and subcultures 3 leaders members and voters 4 causes 5 consequences and 6 responses Each section features a short introduction by the editor which introduces

and ties together the selected pieces and provides discussion questions and suggestions for further readings The reader is ended with a conclusion in which the editor reflects on the future of the populist radical right in light of more recent political developments most notably the Greek economic crisis and the refugee crisis and suggest avenues for future research

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah de Lange, Matthijs

Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen's National Front or Nigel Farage's UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

The Emergence of a Euro-American Radical Right Jeffrey Kaplan, Leonard Weinberg, 1998 The United States and Western Europe are experiencing a new and important cultural and political development In this book Jeffrey Kaplan and Leonard Weinberg argue that there now exists a set of conditions common to the United States and Western Europe that draws right wing radicals on both sides of the Atlantic closer together

Extreme Reactions Lenka Bustikova, 2019-10-24 Shows that the acquisition of political power and demand for rights by ascendant minority groups in Eastern Europe has precipitated a backlash of radical right mobilization

Extreme Right Parties in Western Europe Piero Ignazi, 2003-05-29 This text explores the extreme right in order to assess its ideological meaning and political expression Beginning with a discussion of the usefulness of the left right distinction it deals with the varied significance of the term right and analyses the right's post war evolution across Europe

The Oxford Handbook of Electoral Persuasion

Elizabeth Suhay, Bernard Grofman, Alexander H. Trechsel, 2020-04-01 Elections are the means by which democratic nations determine their leaders and communication in the context of elections has the potential to shape people's beliefs attitudes and actions Thus electoral persuasion is one of the most important political processes in any nation that regularly holds elections Moreover electoral persuasion encompasses not only what happens in an election but also what happens before and after involving candidates parties interest groups the media and the voters themselves This volume surveys the vast political science literature on this subject emphasizing contemporary research and topics and encouraging cross fertilization among

research strands A global roster of authors provides a broad examination of electoral persuasion with international perspectives complementing deep coverage of U S politics Major areas of coverage include general models of political persuasion persuasion by parties candidates and outside groups media influence interpersonal influence electoral persuasion across contexts and empirical methodologies for understanding electoral persuasion *Party Transformations in European Democracies* André Krouwel, 2012-11-20 Political parties regularly change and adapt in response to ever changing circumstances Until now these changes have frequently prompted both scholars and the media to suggest a whole new type of political party and over time the number of models and types has proliferated to the point of confusion contradiction and a loss of explanatory power In this sophisticated yet accessible study Andr Krouwel rejects this m lange of models as inadequate He utilizes a wide range of data sources to analyze the ideological organizational and electoral change undergone by more than one hundred European parties in fifteen different countries from Scandinavia to the Iberian Peninsula between 1945 and 2010 The result is one of the most comprehensive empirically grounded studies to date of the genesis development and transformation of political parties in advanced democratic states **Class Politics and the Radical Right** Jens Rydgren, 2013 One of the most significant events in European politics the past two decades is the emergence of radical right wing parties mobilizing against immigration and multiethnic societies Such parties have established themselves in a large number of countries often with voter shares exceeding ten and sometimes even twenty percent Many of these parties exert a real influence on the policy within respective country The emergence of the recent wave of radical right wing party politics has generated a large and growing literature spanning a variety of dimensions such as ideology voting and policy impact This volume will cover all these dimensions but it will in particular focus on two questions why is it that the working class tends to be especially attracted by the radical right wing parties And what does the radical right wing parties growing electoral successes mean for Social Democracy and the traditional left in Europe which are meeting growing competition from the radical right over working class voters Bringing together the leading scholars within this field this book makes a unique contribution by focusing on the relationship between class politics and the radical right Populist Political Communication in Europe Toril Aalberg, Frank Esser, Carsten Reinemann, Jesper Stromback, Claes De Vreese, 2016-07-01 In an increasing number of countries around the world populist leaders political parties and movements have gained prominence and influence either by electoral successes on their own or by influencing other political parties and the national political discourse While it is widely acknowledged that the media and the role of communication more broadly are key to understanding the rise and success of populist leaders parties and movements there is however very little research on populist political communication at least in the English speaking research literature Originating from a research project funded by the European Cooperation in the field of Scientific and Technical Research COST this book seeks to advance this research It includes examinations 24 European countries and focuses on three areas within the context of populism and

populist political communication populist actors as communicators the media and populism and citizens and populism

Comparative European Politics Rory Costello, Neil Robinson, 2020 This essential guide to comparative European politics provides the broadest range of coverage on Europe illustrated via the widest range of examples applied to contemporary events

Domestic Contestation of the European Union Sara B. Hobolt, Toni Rodon, 2021-06-29 This book examines how Europe wide issues such as immigration cross national redistribution and further European integration have reshaped electoral democracy and party competition across Europe After decades of scholars and commentators bemoaning the limited politicization of the EU nationally European issues have come to dominate domestic electoral politics From the Eurozone crisis to the struggle of dealing with growing numbers of migrants and refugees entering Europe EU wide issues now occupy a salient part of the domestic political debate This book examines what drives public opinion towards some of the key Europe wide issues of the day and how these EU issues shapes electoral behaviour and party competition It brings together leading scholars from different fields to explore what shapes preferences towards Europe wide policy issues how they influence electoral behaviour and party fortunes and what the implications are for the quality of European democracy Overall this book deepens our understanding of the state of European democracy domestically in an era in which national and Europe wide problems and policy solutions are inextricably linked The chapters in this book were originally published in the Journal of European Public Policy

Welfare Democracies and Party Politics Philip Manow, Bruno Palier, Hanna Schwander, 2018-04-19 Europe s political landscapes are in turmoil and new radical parties challenge the established political order This book locates Europe s contemporary challenges within the longer economic and political trajectories of its welfare democracies The book argues that it is imperative to understand the specific structures of political competition and voter party links to make sense of the political and economic turmoil of the last decades In four distinct European welfare democracies Nordic Continental Southern and Anglo Saxon the political economy the party system and the structure of the political space are co determined in a specific way Accordingly different packages of policies and politics and distinct patterns of alignment between core electoral groups and political parties exist in the four welfare democracies and shape the reactions of European welfare democracies to the current turmoil This volume provides an analytical framework that links welfare states to party systems combining recent contributions to the comparative political economy of the welfare state and insights from party and electoral politics It states three phenomena First concerning electoral politics the book identifies a certain homogenization of European party systems the emergence of a new combination of leftist socio economic and rightist socio cultural positions in many parties and finally the different electoral success of the radical right in the north of Europe and of the radical left in the south Secondly the contributions to this book indicate a confluence toward renewed welfare state support among parties and voters Thirdly it demonstrates that the Europeanization of political dynamics combined with incompatible growth models has created pronounced European cleavages

Radical Left Voters in Western Europe Raul

Gomez, Luis Ramiro, 2022-10-07 *Radical Left Voters in Western Europe* explores who votes for Radical Left Parties in contemporary Western Europe and why. Once considered a relic of the past which was doomed to disappear in affluent societies, Radical Left Parties were able to survive unprecedented electoral crises in the 1980s and 1990s to become a stable and significant feature of contemporary West European politics. Despite this, our knowledge of the electorate of contemporary Radical Left parties is extremely limited. To fill this gap, this book analyzes the radical left electorate in 17 West European countries: Belgium, Cyprus, Denmark, Finland, France, Greece, Germany, Iceland, Ireland, Italy, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, and Switzerland for a period of 18 years (2000-2018). The research combines data from multiple sources: surveys, country level data, and party level data to show how, amidst social and political change, Radical Left Parties have been able to maintain a relatively sizeable and clearly identifiable electorate with fairly similar socio-demographic and attitudinal features. Moreover, the book argues that in order to explain electoral support for Radical Left Parties, it is important to consider not only voter characteristics but also the characteristics of the parties themselves and of the political and economic context in which they compete for votes. This book will be of interest to scholars of comparative politics, political sociology, electoral behaviour, and political parties.

The Re-invention of the European Radical Right Andrej Zaslove, 2011-08-04. Combining an in-depth case study of the Italian Northern League with a comparative focus on other parties, Andrej Zaslove employs a socio-economic, institutional, and ideological analysis to argue that the new wave of right-wing parties in Western Europe converged into a radical right populist party family in the 1990s. He examines the transformation of the Northern League from its regionalist roots while focusing on the party's nationalism, authoritarianism, support for a market economy, opposition to globalization, and scepticism regarding Italian integration into the European Union. He also scrutinizes the Northern League's participation in political power between 2001 and 2006 and its influence on federalism, immigration, economic policy, and European integration. A thorough and thought-provoking work, *The Re-invention of the European Radical Right* offers remarkable insight into the ongoing effects of radical right populism on politics and public policy in Europe.

Impact of Extreme Right Parties on Immigration Policy Joao Carvalho, 2013-09-05. Drawing on a mixed research methodology with a strong qualitative character, this book traces the political impact of the British National Party in the UK, the Front National in France, and the Lega Nord in Italy by exploring their contagion effects on immigration politics and policy in particular over the patterns of inter-party competition, public behaviour, and policy developments. This book suggests that extreme right party impact on immigration politics and policy is an outcome of the extreme right parties' electoral threats to established parties alongside the agency of mainstream political elites. It also highlights the decline in the intensity of extreme right parties' contagion effects on public attitudes to immigration throughout the late 2000s or the potential overstatement of this political process in the past. Featuring detailed case studies of the UK, France, and Italy as three mature multi-party democracies where the extreme right was on the rise during the past decade, this work will be of

great interest to students and scholars of populism extremism European politics and comparative and party politics

Rationality of Irrationality Kyung Joon Han,2022-09-20 Citizens in democracies complain that political parties positions on major issues are too ambiguous for them to confidently understand Why is party position ambiguity so common Are party positions ambiguous because political parties fail in forming clear policies or because they deliberately blur their positions Rationality of Irrationality argues that political parties are motivated to strategically blur their position on an issue when they struggle with a certain disadvantage in the issue Specifically political parties present an ambiguous position when their own supporters are divided in their stances on the issue A political party also blurs position stances when voters do not acknowledge that the party has the ability and integrity to solve problems related to the issue Political parties blur their position in these cases because ambiguous party positions divert voters attention from the issue Voters support a political party whose policy positions on major issues are close to their own stances However voters cannot confidently and exactly estimate party positions on an issue when they are only ambiguous

Elgar Encyclopedia of Political Sociology Maria Grasso,Marco Giugni,2023-12-11 This comprehensive and authoritative Encyclopedia featuring entries written by academic experts in the field explores the diverse topics within the discipline of political sociology By looking at both macro and micro components questions relating to nation states political institutions and their development and the sources of social and political change such as social movements and other forms of contentious politics are raised and critically analysed

Radical Right Parties And Electoral Competition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Radical Right Parties And Electoral Competition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Radical Right Parties And Electoral Competition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Radical Right Parties And Electoral Competition free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading

Radical Right Parties And Electoral Competition. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Radical Right Parties And Electoral Competition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Radical Right Parties And Electoral Competition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Right Parties And Electoral Competition is one of the best book in our library for free trial. We provide copy of Radical Right Parties And Electoral Competition in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Radical Right Parties And Electoral Competition. Where to download Radical Right Parties And Electoral Competition online for free? Are you looking for Radical Right Parties And Electoral Competition PDF? This is definitely going to save you time and cash in something you should think about.
