Radical Desire

Anna Fishzon, Emma Lieber

Radical Desire:

Amorous Acts Frances L. Restuccia, 2006 *Amorous Acts* uses psychoanalytic concepts to show how queer theory is operating to put in place a non heterosexist social order

Bad Education Lee Edelman, 2022-12-05 Long awaited after *No Future* and making queer theory controversial again Lee Edelman's *Bad Education* proposes a queerness without positive identity a queerness understood as a figural name for the void itself unnamable around which the social order takes shape Like Blackness woman incest and sex queerness as Edelman explains it designates the antagonism the structuring negativity preventing that order from achieving coherence But when certain types of persons get read as literalizing queerness the negation of their negativity can seem to resolve the social antagonism and totalize community By translating the nothing of queerness into the something of the queer the order of meaning defends against the senselessness that undoes it thus mirroring Edelman argues education's response to queerness its sublimation of irony into the meaningfulness of a world Putting queerness in relation to Lacan's *ab sens* and in dialogue with feminist and Afropessimist thought Edelman reads works by Shakespeare Jacobs Almod var Lemmons and Haneke among others to show why queer theory's engagement with queerness necessarily results in a bad education that is destined to teach us nothing

Radical Desire Housk

Randall, Mark Ramsden, 2000 This highly illustrated work looks at all the radical extremes of sexual practice including tantric sex sex magick occult practice bondage erotic piercing fetishism erotic performance rubber sado masochism and bisexuality

Mobile Desires Liz Montegary, Melissa Autumn White, 2016-04-29 This book combines mobilities research with feminist and queer studies offering new perspectives on mobility justice It foregrounds academic activist and artistic work revealing state sponsored strategies for managing the mobility of people as mechanisms for aligning erotic and political desires with capitalist and nationalist interests

Stages of Desire Michael Kidd, 1999-07-01 Within the rich tradition of Spanish theater lies an unexplored dimension reflecting themes from classical mythology Through close readings of selected plays from early modern and twentieth century Spanish literature with plots or characters derived from the Greco Roman tradition Michael Kidd shows that the concept of desire plays a pivotal role in adapting myth to the stage in each of several historical periods In *Stages of Desire* Kidd offers a new way of looking at the theater in Spain Reviewing the work of playwrights from Juan del Encina to Luis Riaza he suggests that desire constitutes a central element in a large number of Greco Roman myths and shows how dramatists have exploited this to resituate ancient narratives within their own artistic and ideological horizons Among the works he analyzes are Timoneda's *Tragicomedia llamada Filomena* Castro's *Dido y Eneas* and Unamuno's *Fedra* Kidd explores how seventeenth century playwrights were constrained by the conventions of the newly formed national theater and how in the twentieth century mythological desire was exploited by playwrights engaged in upsetting the melodramatic conventions of the entrenched bourgeois theater He also examines the role of desire both in the demythification of prominent classical heroes during the Franco regime and in the cultural critique of institutionalized

discrimination in the current democratic period Stages of Desire is an original and broad ranging study that highlights both change and continuity in Spanish theater By elegantly combining theory literary history and close textual analysis Kidd demonstrates both the resilience of Greco Roman myths and the continuing vitality of the Spanish stage **The Black Register** Tendayi Sithole,2020-04-09 How can thinkers grapple with the question of the human when they have been dehumanized How can black thinkers confront and make sense of a world structured by antiblackness a world that militates against the very existence of blacks These are the questions that guide Tendayi Sithole s brilliant analyses of the work of Sylvia Wynter Aim C saire Steve Biko Assata Shakur George Jackson Mabogo P More and a critique of Giorgio Agamben Through his careful interrogation of their writings Sithole shows how the black register represents a uniquely critical perspective from which to confront worlds that are systematically structured to dehumanize The black register is the ways of thinking knowing and doing that emerge from existential struggles against antiblackness and that dwell in the lived experience of being black in an antiblack world The black register is the force of critique that comes from thinkers who are dehumanized and who in turn question define and analyze the reality that they are in in order to reframe it and unmask the forces that inform subjection This book redefines the arc of critical black thought over the last seventy five years and it will be an indispensable text for anyone concerned with the deep and enduring ways in which race structures our world and our thought *The Desiring Self* Walter E. Conn,1998 This volume explores the two movements in the journey to transcendence The first is the drive to be an integrated and powerful self The second is to leave that behind and move beyond the self into relationship The two movements are inextricably joined separation and attachment autonomy and relationship Humans are pulled simultaneously by the urge to be and to be for The Desiring Self is an explanation and a practical guide to the process of self transcendence Using case studies as well as insights from psychology and theology it takes readers through the steps of understanding themselves as incarnate integrated and yet transcendent beings bent on discovering their true selves as known by God It is a book to be read and relished by pastoral counselors spiritual directors readers exploring the confluence of psychology and religion and all persons on the journey of self transcendence BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Constructing Reality in Comparative Theology** Paul S Chung,2023-01-01 In contemporary Western society the church has been pushed to the margins leading experts to describe the current era as a time after Christendom Many traditional churches and congregations are struggling a condition worsened by the COVID 19 pandemic regulations As the practice of churchgoing wanes the performance of the sacrament is called into question How can we bring the traditional communal experience of sacrament into the modern world Lacanian Left Yannis Stavrakakis,2007-07-12 In recent years psychoanalysis especially Lacanian theory has been gradually acknowledged as a vital resource in the ongoing re orientation of contemporary political theory and analysis Of particular note is that the work of Jacques Lacan is increasingly being used by major political philosophers associated with

the Left This indicates the dynamic emergence of a new theoretico political horizon that of the Lacanian Left However this has yet to be properly conceived and structured as a field The Lacanian Left is the first book to bring it into academic consciousness and to draw its implications for concrete political analysis in a systematic way It offers An accessible mapping of its main contours A detailed examination of the points of convergence and divergence between the major figures active or at the periphery of this terrain including Slavoj Žižek the central Lacanian notion of enjoyment The Lacanian Left puts forward innovative analyses of political power and authority nationalism European identity consumerism and advertising culture de democratisation and post democracy It will be of value to everyone interested in exploring the potential of psychoanalysis to reinvigorate political theory critical political analysis and democratic politics

Studying Lacan's Seminar VII Carol Owens, 2023-11-24 Studying Lacan's Seminar VII offers a contemporary critically informed set of analyses of Lacan's ethics seminar and astute reflections about what Lacan's ethics offer to the field of psychoanalytic thought today The volume interrogates the seminar with fresh voices and situated curiosities and perspectives making for a compellingly exciting range of explorations of the crucial matters related to an ethics of psychoanalysis The chapters question and tease out the paradoxes Lacan draws attention to in his seminar of 1959-1960 and in addition they offer radical engagements with the seminar in light of theories of racism inequality capitalism education and subjectivity The key elements in Lacan's seminar are explained debated and reconsidered with Antigone das Ding and the inevitable *ne c'est pas sur son dos* duly unpacked examined and ruminated upon Studying Lacan's Seminar VII will be of interest to psychoanalytic scholars and students of Lacanian psychoanalysis as well as psychoanalytic therapists and analysts It will also be of interest to scholars and students of politics philosophy and studies at the intersections of racism film feminism sociology gender and queer theory

The Queerness of Psychoanalysis Vanessa Sinclair, Elisabeth Punzi, Myriam Sauer, 2024-11-29 The Queerness of Psychoanalysis From Freud and Lacan to Laplanche and Beyond is an exploration of psychoanalysis often complicated and fraught history with thinking about queerness as well as its multifaceted heritage Throughout the chapters the contributors write about psychoanalysis relationship with queerness the ways in which queerness is represented in the psychoanalytic archive and how that archive endures in the present and creates various disruptive effects both within and beyond the clinic Each chapter from the global cohort of contributors approaches queerness from a different angle they consider the literary aspects of queerness presence in the analytic world the clinical complexities of working with queer and trans people metapsychological inclusion and exclusion of queerness and many other subjects Taken together these contributions constitute a decisive intervention into the psychoanalytic canon They are an unabashed demand for accepting and furthering the representation and inclusion of queer and in particular trans people within psychoanalysis It is a call for action to utilize and deepen psychoanalysis enormous explicatory powers and bring together voices that have so far been denied a unity of expression while critically reevaluating psychoanalysis historical relationship to queerness Each chapter proposes different

ways of thinking and writing psychoanalytically with many of the papers queering the format and forms of expression commonly found in academic writing through their use of dialogues conversations or other experimental forms of writing

Written almost exclusively by analysts scholars and activists who identify as trans and or queer this important volume puts theory into practice by centering queer and trans voices *Nigerian Pentecostalism* Nimi Wariboko, 2014 Part 1 Origins and spirituality of Nigerian Pentecostalism Sources of Nigerian pentecostalism The spell of the invisible Excremental visions in postcolonial Pentecostalism Desire and disgust ways of being for God The Pentecostal self from body to body politic Part 2 Ethical vision of Nigerian Pentecostal spirituality Politics between ontology and spiritual warfare Miracles sovereignty and community Altersovereignty and virtue of Pentecostal friendship Spirituality and the weight of blackness This neighbor cannot be loved invisibility and nudity of the Pentecostal other Pentecostalism and Nigerian society **Comparative Theology Among Multiple Modernities** Paul S. Chung, 2017-08-22 This book presents a heuristic and critical study of comparative theology in engagement with phenomenological methodology and sociological inquiry It elucidates a postcolonial study of religion in the context of multiple modernities **Deconstruction: A Reader** Martin McQuillan, 2017-09-25 Philosophers do it literary critics do it even architects poets painters do it It can involve the concepts of capital politics and justice So what after all is deconstruction Deconstruction A Reader makes an answer to this question available in the only way possible by offering a selection of breathtaking range and depth of essential texts With more than sixty selections by fifty contributors including nine pieces by Jacques Derrida this is the ultimate anthology of deconstructive reading demonstrating that deconstruction is vivid surprising varied and true to the text **Woman in Lars von Trier's Cinema, 1996-2014** Ahmed Elbeshlawy, 2016-10-11 This book discusses the figure of Woman in Lars von Trier's distinctive cinematic productions from 1996 to 2014 It takes the notorious legacy of violence against women in von Trier's cinema beyond the perceived gender division elevating the director's image above being a mere provocateur By raising fundamental questions about woman sexuality and desire Elbeshlawy shows that Trier's cinematic Woman is an attempt at creating an image of a genderless subject that is not inhibited by the confines of ideology and culture But this attempt is perennially ill fated And it is this failure that not only fosters viewing enjoyment but also gives the films their political importance elevating them above both commendations and condemnations of feminist discourse **Communist Study** Derek R. Ford, 2022-01-14 In the second edition of this groundbreaking work Derek R Ford contends that radical politics needs educational theory posing a series of educational questions pertinent to revolutionary movements How can pedagogy bridge the gap between what is and what can be while respecting the gap and its uncertainty and contingency How can pedagogy accommodate ambiguity while remaining faithful to the communist project In answering these questions Ford develops a dynamic pedagogical constellation that radically opens up what education is and what it can mean for revolutionary struggle In charting this constellation Ford takes the reader on a journey that traverses disciplinary boundaries innovatively reading

theorists as diverse as Lenin Agamben Marx Lyotard Althusser and Butler Demonstrating how learning underpins capitalism and democracy Ford articulates a theory of communist study as an alternative and oppositional logic that perhaps paradoxically demands the revolutionary reclamation of testing Poetic performative and provocative Communist Study is oriented toward what Ford calls the sublime feeling of being in common which as he insists is always a commonness against

Evolving Grace Jean-Pierre Fortin,2024-12-15 *Evolving Grace* The Spiritual History of a Christian Doctrine seeks to bring out the personal living significance and transformative power of the Christian faith throughout the ages This book spans from Patristic foundations through the elaborated systematic constructions of the Middle Ages to the profound transformation induced by the Protestant Reformation and Roman Catholic responses to it to twentieth century de and reconstructions This theological history grounded in and reflective of the spiritual experience and development of real Christians in and from the past contributes to the production and nurturing of a living theology in and for the present

The Queerness of Childhood Anna Fishzon,Emma Lieber,2022-07-21 This book represents a meeting of queer theorists and psychoanalysts around the figure of the child Its intention is not only to interrogate the discursive work performed on and by the child in these fields but also to provide a stage for examining how psychoanalysis and queer theory themselves interact with the understanding that the meeting of these discourses is most generative around the queer time and sexualities of childhood From the theoretical perspectives of queer theory psychoanalysis anthropology and gender studies the chapters explore cultural aesthetic and historical forms and phenomena that are aimed at or are about children and that give expression to and make room for the queerness of childhood

Traversing the Fantasy Jason Glynos,2017-11-30 Slavoj Žižek is one of the most provocative and important thinkers writing in contemporary philosophy This book is an engaged debate with Žižek It contains a series of specially commissioned critical essays from an impressive collection of contributors covering the full extent of his oeuvre Essays examine Žižek on cultural theory film studies ethics political theory social theory Kant and Lacanian psychoanalysis In the spirit of Žižek's own interventions these essays critically interrogate his ideas challenging him to respond directly which he does in an extended polemical reply that concludes the collection This volume represents an exciting and important contribution to contemporary theoretical debate and adds significantly to the growing literature on Žižek

A New Awareness Dominic Arcamone,2024-02-29 *A New Awareness* is an endeavor of affection and generosity toward Sebastian Moore The book examines his key theological insights and themes over seventy years and proposes that they are still relevant today for the Christian Community He was a theologian and poet He wrote about many theological topics the significance of Jesus the experiences of the disciples and their meaning for us redemption the Trinity sexuality and ecclesiology and original sin But he is mainly known for being the theologian of desire self love to self gift desire is love trying to happen to be myself for another and the insight that there is no more wonderful reality than to be desired by the one you desire

Radical Desire Introduction

In the digital age, access to information has become easier than ever before. The ability to download Radical Desire has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Radical Desire has opened up a world of possibilities. Downloading Radical Desire provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Radical Desire has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Radical Desire. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Radical Desire. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Radical Desire, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Radical Desire has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Radical Desire Books

What is a Radical Desire PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Radical Desire PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper.
