## **Radical Faith An Alternative History Of The Christian Church:**

**Radical Faith** John Driver, 1999 John Driver has written a history that is an alternative both to traditional accounts and to sectarian interpretations Radical Faith outlines the story of Christian people whose radical faith and commitment relegated them to the margins of a powerful church Recovering the story of God's people in this unique way provides readers with a valuable new perspective on Christian history Eighteen different groups and movements are represented from the first century up to the 20th Teachers and students of church history will appreciate the combination of clear organization lucid prose and numerous sidebar citations from primary sources

**The Global House Church Movement** Rad Zdero, 2004 A major church shift is happening all around the world God is once again bringing back the power and simplicity of New Testament style Christianity The Lord is raising up the global house church movement Do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective If so read this book [Rooted in Jesus Christ](#) Daniel Izuzquiza, 2009-04-06 Offers a Christian proposal for radical social transformation Daniel Izuzquiza here proposes a vibrant interdisciplinary theology from the unique perspective of the least of these the poor and extends an invitation to mystical political and ecclesial engagement In Rooted in Jesus Christ Izuzquiza analyzes the language of theology the role of social sciences the transformation of culture and the church's approach to politics To that end he dialogues with some of the main theological proposals of the late twentieth century from Latin American liberation theology to radical theology in the English speaking world to European political theology He also offers a more systematic development of radical ecclesiology analyzing the sources of the proposal as alternative Christian practices The result is a groundbreaking call to action and change for the entire church In this groundbreaking book Daniel Izuzquiza offers a vibrant Christian proposal for radical social transformation His wide ranging study explores the relationship between church and society by dialoguing critically and constructively with major theological currents of our day Izuzquiza's interdisciplinary theology from the perspective of the poor is truly radical at once in a political ecclesial and mystical sense We need a way forward beyond our well worn and tired debates Daniel Izuzquiza offers just that His splendid book engages and assesses postliberalism radical orthodoxy Anabaptist witness liberation theology and the role of the Jesuits in Christianity in order to show the need for a radical ecclesiology that is unapologetically Christocentric socially attuned and ecumenically generous For anyone not invested in the current structures of power in the church university or nation state this book offers wisdom For those of us so invested this book shows a viable alternative preserving the good and challenging the rest We should all pay attention D Stephen Long author of Speaking of God Theology Language and Truth I am happy to recommend Daniel Izuzquiza's Rooted in Jesus Christ Toward a Radical Ecclesiology to serious readers in the English speaking world who may have dared to wonder if the traditional church of our time is what Jesus really had in mind And if not what might a church rooted in the Christ of the Incarnation look like Rather than superficially inspiring his readers Izuzquiza brings us face to

face with what the body of Christ could be by responding more fully to the truly amazing grace of God that has come to us in Jesus of Nazareth Traditional Catholics and conservative Protestants alike as well as revolutionaries and political activists for that matter will be confronted and challenged here And rather than concerning ourselves so exclusively with tactics and strategies Izuzquiza reminds us of the importance of simply being the church radically rooted in Jesus Christ John Driver author of *Radical Faith An Alternative History of the Christian Church* **Christianity's Dangerous Idea** Alister McGrath, 2008-11-04 A New Interpretation of Protestantism and Its Impact on the World The radical idea that individuals could interpret the Bible for themselves spawned a revolution that is still being played out on the world stage today This innovation lies at the heart of Protestantism's remarkable instability and adaptability World renowned scholar Alister McGrath sheds new light on the fascinating figures and movements that continue to inspire debate and division across the full spectrum of Protestant churches and communities worldwide **Toward an Anabaptist-Pentecostal Vision** Joseph C. L. Sawatzky, 2023-03-28 What does Pentecostalism the fastest growing Christian expression worldwide have to do with Anabaptism whose Mennonite adherents have sometimes been called the quiet in the land In this groundbreaking study Joseph C L Sawatzky explores a mission history of North American Mennonites working with African Initiated and Pentecostal type churches in southern Africa illuminating points of divergence and convergence between Anabaptist and Pentecostal streams Placing testimonies of African and North American participants in this history within a broader biblical and theological framework this study proposes bases for an emerging Anabaptist Pentecostal vision with implications for the church its leadership and its witness in the world This lively interdisciplinary study will interest students of mission interculturality and the Christian faith itself *Struggles for Shalom* Laura Brenneman, Brad D. Schantz, 2014-04-23 *Struggles for Shalom* is a collection of essays by biblical scholars about peace justice and violence in ancient Jewish and Christian texts written to honor the life work of Mennonite scholars Perry B Yoder and Willard M Swartley In this volume twenty three authors colleagues former students friends and others influenced by Yoder's and Swartley's scholarship add to the honorees work in appreciation for their shared focus on biblical texts lessons of peace Specific texts and topics include Eccl 3 1 9 and time for war Ezek 14 12 23 and God's retribution Luke 22 31 61 and Peter's sword the temple cleansing episodes in John 2 and Mark 11 sectarianism and violence in manuscripts from the Dead Sea violence in creation in the Hebrew Bible Chronicles as utopian literature peace and violence in Paul's writings and globalization in biblical studies This collection is diverse and ambitious For church and academy and for anyone curious about what Scripture has to say about peace and violence this book delivers focused study of peace and violence across the Testaments Contributors Include Wilma Ann Bailey Jo Ann A Brant Laura L Brenneman Jacob W Elias Reta Halteman Finger Michael J Gorman Nancy R Heisey Paul Keim Christopher Marshall Safwat Marzouk Douglas B Miller Ben C Ollenburger Dorothy M Peters David Rensberger Andrea Dalton Saner Brad D Schantz Mary H Schertz Steven Schweitzer Willard M Swartley Jackie Wyse Rhodes Joshua Yoder Perry

response to real life concerns Highly recommended Andrew Jones Blogger and founder Boaz Project RAD ZDERO has a Ph D degree in Mechanical Engineering He has been involved in the house church and small group movement since 1985 Rad is the author of The Global House Church Movement He is also the editor of Nexus The World House Church Movement Reader and The Starfish Files house church magazine Rad lives just outside Toronto Canada

**God After Christendom?** Brian Haymes, Kyle Gingerich Hiebert, 2017-03-08 In the face of what appears to be a widespread questioning of the practical usefulness of serious theological reflection on the nature and purposes of God the authors of this intriguing book argue that a return to the sources of the Christian tradition represents nothing less than a rich trove of resources for Christian living By revisiting the story of speech about God in scripture and in the living tradition of the church the authors argue that we are thereby enabled to confront the contemporary temptations that too often unwittingly remake God in our own image In this way the authors provocatively suggest that at least part of what Christian discipleship involves today is bound up with the task of unlearning some of the ways of speaking of God that have become so familiar to us By learning to reread the texts of the Christian tradition particularly in its most vital and creative moments the authors suggest that we might become better equipped to faithfully read the signs of our own times

**Embodying the Way of Jesus** Ted Grimsrud, 2007-01-15 The Anabaptist tradition originating as part of the sixteenth century Protestant Reformation has from its beginning presented an alternative approach to Christian faith Jesus centered Anabaptist convictions such as pacifism simple living and community remain of vital concern for twenty first century Christians Embodying the Way of Jesus Anabaptist Convictions for the Twenty First Century traces the origins and historical expressions of Anabaptist faith and then suggests ways Anabaptist convictions speak to our contemporary world Ted Grimsrud proposes a fourfold approach to interpreting Anabaptist theology considering themes from the Bible from the tradition s history from present experience and from envisioning a hopeful future What emerges is an engaging portrait of a living tradition that speaks with urgency and relevance to a world badly in need of a message of peace

**The Anabaptists and Contemporary Baptists** Malcolm B. Yarnell, 2013 Scholars and pastors Paige Patterson Rick Warren etc offer essays on sixteenth century Anabaptists Balthasar Hubmaier Leonhard Schiemer Hans Denck etc proposing to recover the Anabaptist vision among Baptists as a means of restoring New Testament Christianity
