circumstances She asks what if God has dreams for you What if he is accomplishing those dreams in the midst of shattered hopes When life doesn't go as expected it's easy to feel like a victim We look at the events that have gone wrong and view our lives as impaired What if we could see our future as God sees it Would our view radically change if we understood we are indeed victims rather than of happenstance God the Relentless Lover has vigorously sought you He has instilled dreams in your heart that are grander than you can imagine But the route to their fulfillment often is through a path you wouldn't seek What if God wants to take the hopes that tug at your heart and enliven them Are you ready to live inside the mysterious joy of being a victim of grace
