Radio On A Listeners Diary:

Radio On Sarah Vowell, 1997-12-15 A self proclaimed member of Generation X examines what is on the radio day by day and how she as an audience interacts with it from morning to night in a car at home and in the office Tracking the Audience Karen Buzzard, 2012 In *Tracking the Audience The Ratings Industry From Analog to Digital* author Karen Buzzard examines the key economic political and competitive factors that have influenced ratings methods dominant in each of the markets for radio TV and the Internet tracing the practice's history from its early beginnings up to its most recent advances Beginning with the birth of the industry in 1929 *Tracking the Audience* traces the establishment of a standardized ratings currency as it evolved to meet the needs of the analog broadcast system and explores the search for new gold standards necessitated by the devastating effects of the digital revolution Buzzard examines key challenges to the established system by discussing the movement from traditional sampling methods to new more transparent measurements More than a history of the ratings industry itself it also tracks the evolving business model for the broadcast industry *Tracking the Audience The Ratings Industry From Analog to Digital* shows how the development of conceptual tools designed to measure and package radio TV and Internet audiences is the result of a variety of historical factors With a detailed examination of ratings providers their methods and their attempts to adjust to meet new demands a digital age this volume explains how a standardized broadcast system of audience measurement ratings has evolved and where it is going in the future *Mass Communication in India, Fifth Edition* Keval J. Kumar, 2020-12-10 Third Completely Revised and Updated Edition *Mass Communication in India* is a result of the author's in depth study and understanding of the media The book deals with a general introduction to Communication Theory Advertising Television Effects of Media and Development In short the book is designed to give the student of Mass Communication a general and comprehensive view of the modern and traditional media in India It meets the objective of being a text book as well as a book that gives an overview of mass communication in India *Rating the Audience* Mark Balnaves, Tom O'Regan, Ben Goldsmith, 2011-01-01 This is an accessible introduction to the history machinery and impact of audience ratings It will be key reading for media professionals and students *Media Research Methods* Barrie Gunter, 2000-02-11 In this book Barrie Gunter provides a broad overview of the methodological perspectives adopted by media researchers in their attempt to derive a better understanding of the nature role and impact of media in society By tracing the epistemological and theoretical roots of the major methodological perspectives Gunter identifies the various schools of social scientific research that have determined the major perspectives in the area Drawing a distinction between quantitative and qualitative methods he discusses the relative advantages and disadvantages of each approach and examines recent trends that signal a convergence of approaches and their associated forms of research The unique strength of this Sounds of Belonging Dolores Ines Casillas, 2014-10-17 How Spanish language radio has influenced American and Latino discourse on key current affairs issues such as citizenship and immigration Winner Book of the Year presented by the

American Association of Hispanics in Higher Education Honorable Mention for the 2015 Latino Studies Best Book presented by the Latin American Studies Association The last two decades have produced continued Latino population growth and marked shifts in both communications and immigration policy Since the 1990s Spanish language radio has dethroned English language radio stations in major cities across the United States taking over the number one spot in Los Angeles Houston Miami and New York City Investigating the cultural and political history of U S Spanish language broadcasts throughout the twentieth century Sounds of Belonging reveals how these changes have helped Spanish language radio secure its dominance in the major U S radio markets Bringing together theories on the immigration experience with sound and radio studies Dolores In s Casillas documents how Latinos form listening relationships with Spanish language radio programming Using a vast array of sources from print culture and industry journals to sound archives of radio programming she reflects on institutional growth the evolution of programming genres and reception by the radio industry and listeners to map the trajectory of Spanish language radio from its grassroots origins to the current corporate sponsored business it has become Casillas focuses on Latinos use of Spanish language radio to help navigate their immigrant experiences with U S institutions for example in broadcasting discussions about immigration policies while providing anonymity for a legally vulnerable listenership Sounds of Belonging proposes that debates of citizenship are not always formal personal appeals but a collective experience heard loudly through broadcast radio **Billboard**, 1949-03-19 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Sounding Places Karolina Doughty, Michelle Duffy, Theresa Harada, 2019 This edited collection examines the more than representational registers of sound It asks how sound comes to be a meaningful ingredient in the microgeographies of place making through the workings of affect emotion and atmosphere how sound contributes to shaping a variety of embodied and spatially situated experiences and how such aspects can be harnessed methodologically These topics contribute to broader debates on the relations between representation and the non or more than representational that are taking place across the social sciences and humanities in the wake of the cultural turn More specifically the book contributes to the fertile theoretical intersections of sound affect emotion and atmosphere
