Rafa Benitez:

Champions League Dreams Rafa Benitez, 2012-09-13 This is a stimulating and deeply insightful football narrative by Rafa Benitez which focuses on the legendary manager's dramatic six Champions League campaigns with Liverpool. Rafa expertly navigates fans through intriguing European adventures that embrace the triumph and despair of two Champions League finals, three semi-finals and five quarter-finals in what was a golden era for the Anfield club, an era that supporters felt gave them their pride back after years in the wilderness. What sets this apart is the unique ways in which Rafa allows fans into his high pressured world, the fascinating glimpses he offers of a top manager's thought processes and decision making during the cut and thrust of a high octane European campaign. Understand how a great manager prepares for then executes a master plan for European success. *Rafa* John Williams, Ramon Llopis, 2007 In 2004 Rafa Benitez became the manager of Liverpool bringing with him a platoon of Spanish players and designs on the club's first league title since 1990. In his first season in England Benitez offered both hope and misery to Liverpool supporters. In Europe the club battled to the final of the Champions League in 2005 and against all expectations won. Domestically though they faltered. Could he yet turn Liverpool around and learn from his early mistakes? And could Liverpool overcome its own structural and funding problems to deliver a new stadium, new investors and a team to match its supporters' ambitions? This sourcebook examines the developing connections between the English and Spanish game and focuses on Benitez's attempt to bring the Premiership title to Anfield. It also uniquely offers a detailed account from Spanish academic Ramon Llopis of Benitez's rise in the Spanish game including his terrific work at Valencia. Rafa Benitez has brought a distinctly Iberian flavor to Liverpool Football Club and this engrossing book reveals all you need to know about the man, his soccer philosophies and the new Spanish fury at Anfield.

Rafa Benitez Paco Lloret, 2005 On 25 May 2005 Liverpool FC won the Champions League Final in one of the most memorable and extraordinary nights of English football. Benitez surpassed his fantastic Spanish success with Liverpool FC. This authorised biography is a vivid and lively account of both his personal and professional life from his early days up to his most recent successes. Author Paco Lloret has been a sports journalist for over 20 years. He first met Benitez in 1996 and has been in frequent contact since, giving him a privileged viewpoint of this extraordinary manager. **Groove Armada** John Williams, Professor John Williams, Ramón Llopis, 2006 This book examines the developing connections between English and Spanish soccer by looking at key figures, players like Beckham, Owen and Woodgate and managers such as Mourinho at Chelsea. It focuses in particular on manager Rafa Benitez, formerly of Valencia, now Liverpool, and the struggles he faces in the British game. **A Season on the Brink** Guillem Balague, 2011-08-25 ENTHRALLING FourFourTwo STIRRING Dublin Herald FASCINATING Red and White Kop ASTONISHING Bleacher Report The Sunday Times Bestseller Twentieth anniversary edition fully updated with a new foreword from Rafael Benitez. When Rafael Benitez was appointed manager of under-achieving Liverpool at the start of the 2004/05 season, the reaction of many fans was 'Who the hell is Rafael Benitez?' After a

wonderful spell at Valencia the Spaniard arrived to take over Liverpool's famous Boot Room determined to change the club's fortunes and win over a disillusioned Kop. In just one season Benitez's importation of Spanish players, coaching methods and diet led to a revolution usurping Jose Mourinho's Chelsea to reach the European Champions League final in Istanbul. It was a match that would go down in history as one of the greatest of all time. At half time Liverpool were 3-0 down to Carlo Ancelotti's AC Milan, a team many regarded as the best in the world, filled with stars such as Paolo Maldini, Kaká and Andrea Pirlo. However, against all the odds, Liverpool produced a stunning comeback with goals from club captain Steven Gerrard, Vladimir Smicer and Xabi Alonso, before a dramatic penalty shoot-out saw the Reds clinch European glory. Featuring exclusive interviews with Benitez himself, assistant manager Pako Ayestarri and key first team players, this is the behind-the-scenes story of Rafa's remarkable success with Liverpool.

Jose - Farewell to the King Harry Harris, 2016-02-25. I stay until they want me not to stay. No club moves me from Chelsea until Chelsea wants me to move because I want to be where I am loved. JOSE MOURINHO JANUARY 2014. Yet in December 2015 the love affair came to an incredible and stunning end. This book chronicles the entire remarkable story of Jose Mourinho and Chelsea with a critical insight into how and why it ended so dramatically. Confrontational, passionate, full of chutzpah. Mourinho is a masterful tactician and surely the best boss in the history of Chelsea. Yet for a second time the Emperor of the Bridge, Roman Abramovich, cast him aside. The reason? Having won the Premier League, the team's defence of the title proved to be one of the most bizarre periods in the club's history. In his first stint at Stamford Bridge, the self-styled Special One won two League titles, back-to-back the FA Cup and two League Cups, and included a still unsurpassed Premier League points tally record of 95 in the 2004-5 season. On returning home after a six-year absence, Mourinho received a welcome from an army of Chelsea fans who loved him every bit as much as they used to. He rewarded their faith in some fashion, sweeping aside newly rich Manchester City to soar to a third League title with three games to spare, as well as a third League Cup. Then came the biggest collapse of any defending title holder. Why did it happen? Who was to blame? Was there a players' rebellion? Who panicked behind the scenes and why? How much was the row with the first team doctor, Eva Carneiro, at the heart of Mourinho's second sacking from Chelsea? The answers lie in this fully revised, updated and expanded edition of Harry Harris's biography. It brings Mourinho's story right up to date, showing exactly why English football would be infinitely poorer without the colourful, commanding and controversial presence of the Special One.

Looking for the Toffees Brian Viner, 2014-08-14 In 1977-78 Brian Viner was a season ticket holder in the Gwladys Street End at Goodison Park home to his beloved Everton In front of him were the stars of the day striker Bob Latchford creative midfielder Duncan McKenzie and goalkeeping hero George Wood There were no airs and graces then Viner would regularly see Latchford in the local pub and even once saw Wood mowing the field at his school so asked him to come and join his classmates for a kickabout which he did It would never happen now But as well as nostalgia for that period Viner reveals how this was a time when so much was on the cusp of change in football the first wave of foreign players would arrive the next season with Ossie Ardiles and Arnold Muhren among them on Merseyside the era of punk would soon give way to Thatcherism and even Viner himself at 16 was on the verge of adulthood But little of what happened next could ever have been predicted Viner's investigation of that year in the 1970s based on many interviews with

the players of the time not only reveals a vanished era but also shows how football often fails to look after its own as the life stories of what happened to the players afterwards shows but how the spirit of the sport will always shine through
