Memory Fragments from the Armenian Genocide Margaret DiCanio, 2002 Memory Fragments from the Armenian Genocide A Mosaic of a Shared Heritage brings together thirty profiles of North Americans of Armenian descent All exemplify the philosophy that doing well is doing good a credo handed down to them by family members who lost everything when they fled from the Turkish massacres Family stories of how survivors escaped survived and made new lives are filtered through the memories of succeeding generations The profiles reflect how the actions of the survivors shaped the lives of succeeding generations Armenian immigrants feared their heritage might be lost in North America Their fears proved to be unfounded Children and grandchildren retain the culture passed on to them At the same time they hold dear the values of the New World that enabled their families to live free of political repression While details of their daily lives differ most of those profiled share a reverence for education In the New World they flourish as intellectuals artists teachers entertainers and entrepreneurs thereby filling leadership roles decimated by Turks early in their campaign to wipe out the Armenians By making the most of their talents they do homage to those who sacrificed so much

A New History of American and Canadian Folk Music Dick Weissman, 2019-09-05 Building on his 2006 book *Which Side Are You On* Dick Weissman's *A New History of American and Canadian Folk Music* presents a provocative discussion of the history evolution and current status of folk music in the United States and Canada North American folk music achieved a high level of popular acceptance in the late 1950s When it was replaced by various forms of rock music it became a more specialized musical niche fragmenting into a proliferation of musical styles In the pop folk revival of the 1960s artists were celebrated or rejected for popularizing the music to a mass audience In particular the music seemed to embrace a quest for authenticity which has led to endless explorations of what is or is not faithful to the original concept of traditional music This book examines the history of folk music into the 21st century and how it evolved from an agrarian style as it became increasingly urbanized Scholar performer Dick Weissman himself a veteran of the popularization wars is uniquely qualified to examine the many controversies and musical evolutions of the music including a detailed discussion of the quest for authenticity and how various musicians critics and fans have defined that pursuit

Which Side Are You On? Dick Weissman, 2006-01-01 A history with a personal touch of the American folk music revival is penned by a recording artist songwriter and former member of the Journeymen

Spinning the Child Liam Maloy, 2020-10-01 *Spinning the Child* examines music for children on records radio and television by assessing how ideals of entertainment education the child and the family have been communicated through folk music the BBC's children's radio broadcasting the children's songs of Woody Guthrie Sesame Street The Muppet Show and Bagpuss the contemporary children's music industry and other case studies The book provides the first sustained critical overview of recorded music for children its production and dissemination The music lyrics and sonics of hundreds of recorded songs are analysed with reference to their specific social historical and technological contexts The chapters expose the attitudes morals and desires that adults have communicated both to and about the child through the music that has been created and compiled for children The musical representations of age race class and gender reveal how recordings have both reflected and shaped transformations in discourses of childhood This book is recommended for scholars in the sociology of childhood the sociology of music ethnomusicology music education popular musicology children's media and related fields *Spinning the Child*'s emphasis on the analysis of musical lyrical and sonic texts in specific contexts

Ledgin,2010-02-09 From Ani DiFranco to Bob Dylan to Woodie Guthrie American folk music comprises a truly diverse and rich tradition one that is almost impossible to define in broad terms This book explains why folk music is still highly relevant in the digital age From indigenous music to Pete Seeger and Bruce Springsteen singing This Land Is Your Land side by side at the pre inaugural concert for our first African American president folk music has been at the center of America's history Thomas Jefferson wooed his bride to be with fiddle playing Stephen Foster captured the mood of our country in transition The Carter Family adapted music from across the pond to Appalachia Paul Robeson carried folk music of many lands to the world stage Woody Guthrie's dust bowl ballads spoke to the common man while Sixties protest music put folk on the map following the Kingston Trio's hit Tom Dooley Folk music has evolved with America's changing landscape celebrating its multi cultural traditions From Irish step dancers to rap parlor songs to Dixieland blues to classical *Discovering Folk Music* presents the genre as surprisingly diverse every bit the product of our national melting pot Demonstrating continuing relevance of folk music in our everyday lives the book spotlights an amazing array of personalities with special emphasis on the folk revival era when Dylan Baez Odetta and Peter Paul and Mary sang out These and others influenced such contemporary performers as Shawn Colvin and Ani DiFranco Those on today's fringes of folk scene continue to look to these deep roots while embracing alternative sounds Included are interviews with such legendary artists as Janis Ian Tom Paxton and Jean Ritchie Nora Guthrie Woody's daughter also weighs in *Discovering Folk Music* is a ground breaking look at 21st century folk music in our rapidly changing digital world family friendly while ripe for rediscovery by the Woodstock generation **Child and Adolescent**

Psychotherapy David A. Crenshaw,2008-09-26 This edited collection by David A Crenshaw with contributions from such notables as James Garbarino Kenneth V Hardy and Andrew Fussner addresses the multiple sources of wounding of children and teens in contemporary life The book conveys a message of hope and optimism even in work with children who might be viewed as impossible cases because the contributors share a passion for utilizing and building on the strengths of children and families These authors go beyond treating psychiatric symptoms to address in a more comprehensive way the emotional suffering of youth The unifying treatment framework for the book is relational therapy The emotional injuries of children do not develop in a vacuum but rather in a relational context and healing must also be embedded in an empathic relationship between the child and the family Building repairing and restoring connections within the family and the larger community as well as within the therapeutic relationship opens the door to growth healing and meaningful belonging The stories of triumph over adversity by the courageous children and families in this book will inspire those who daily strive to make a meaningful difference in the lives of hurting youth to renew their commitment to this worthy mission *The Writers Directory* ,2013
