## **Raging Bull:**

**Perspectives on Raging Bull** Steven G. Kellman, 1994 Winner of the 1980 Academy Award for Best Picture *Raging Bull* earned mostly scathing denunciations from many of its earliest reviewers. Now considered the most celebrated film of the decade, Martin Scorsese's portrait of Jake LaMotta continues to elicit strong critical and popular reactions. This collection of writings on the film includes an introductory essay surveying the reception of the film and the changing critical response, a scene by scene scan of the film, a sampling of the most important reviews and articles, and essays focusing on such major themes as gender and sexuality, language and boxing as metaphor.

**The Making of Raging Bull** Mike Evans, 2006 Based on the autobiography of boxer Jake La Motta, *Raging Bull* has been hailed as director Martin Scorsese's masterwork by many critics. Looking at the film both in the context of American cinema in the late seventies and early eighties and its place in Scorsese's work before and since, *The Making Of Raging Bull* is a unique analysis of a classic. Exploring the actual shooting and editing of the gritty black and white film, the book also looks at past screen treatments of a subject which is violent by its very nature and the effect the role had on the lead star Robert De Niro's subsequent career.

[Martin Scorsese's Raging Bull](#) Kevin J. Hayes, 2005-02-07 *Raging Bull* 1980 represents American film making at its best. Since its initial release, the film has been called the greatest film of the 1980s, the greatest boxing film ever made, the greatest sports film ever made, and indeed one of the greatest films of all time. *Raging Bull* A Cambridge Film Handbook presents the fullest critical appreciation of Scorsese's film available. The introduction tells the story of how the film came about, examining its inspirations and positioning *Raging Bull* within the history of cinema. Subsequent chapters, each written by contributors from different disciplines (film studies, literary history, theater history), discuss the film from a variety of perspectives. Though primarily directed toward undergraduate and graduate film courses, this collection should enhance appreciation of *Raging Bull* for all readers. Contributors to this volume have been issued a challenge to write chapters that contain fundamental information for students, to include new information and ideas for seasoned film scholars, and to write in a jargon-free style that all readers can appreciate.

*The New York Times Guide to the Best 1,000 Movies Ever Made* Peter M. Nichols, 2004-02-21 From the film critics of *The New York Times* come these uncut original reviews of the most popular and influential movies ever made, from the Talkies to blockbuster megahits like *Chicago* and *The Wizard of Oz*, from timeless classics like *Casablanca* and *Notorious* to beloved foreign films by Truffaut and Kurosawa, Fellini and Almodovar. The reviews, eloquent, incisive, and intuitive, reflect Hollywood history at its best, must-have reading for movie lovers or students. In addition, this essential volume includes full cast and production credits for every movie, the 10 Best lists for every year from 1931 to the present, an index of films by genre, and an index of foreign films by country of origin. This edition is thoroughly updated to include all the important movies of the past several years, as well as a new introduction by *A Times* film critic A. O. Scott.

*Focus On: 100 Most Popular United States National Film Registry Films* Wikipedia contributors, **La Haine (Mathieu Kassovitz, 1995)** Ginette Vincendeau, 2005 [The Films of Martin Scorsese](#) Eric San Juan, 2020-09-10 Few mainstream filmmakers have as pronounced a disregard for the supposed rules of filmmaking as Martin Scorsese. His inventiveness displays a reaction against the right way to make a movie, frequently eschewing tradition in favor of something flashy and unexpected. Despite this, he's become one of the most influential directors of the last fifty years, a critical darling and a fan favorite. In *The Films of Martin Scorsese: Gangsters, Greed, and Guilt*, Eric San Juan guides readers through the crooks, the mobsters, the loners, the moguls, and the nobodies of Scorsese's 26-movie filmography. San Juan examines the techniques that have made Scorsese one of the most innovative directors in history, the themes that drive his works, and what Scorsese might be trying to tell us through his films. Iconic movies such as *Taxi Driver*, *Raging Bull*, *GoodFellas*, and *The Irishman* are all examined in fascinating and insightful detail. With rare behind-the-scenes photos and over five decades of Scorsese interviews, even the most ardent Scorsese fan will find new information in this book to discuss, dissect, and debate.

**Knockout** Leger Grindon, 2011-05-10 *Knockout: The Boxer and Boxing in American Cinema* is the first book-length study of the Hollywood boxing film, a popular movie entertainment since the 1930s that includes such classics as *Million Dollar Baby*, *Rocky*, and *Raging Bull*. The boxer stands alongside the cowboy, the gangster, and the detective as a character that shaped America's ideas of manhood. Leger Grindon relates the Hollywood boxing film to the literature of Jack London, Ernest Hemingway, and Clifford Odets, the influence of ring champions, particularly Joe Louis and Muhammad Ali, and controversies surrounding masculinity, race, and sports. *Knockout* breaks new ground in film genre study by focusing on the fundamental dramatic conflicts uniting both documentary and fictional films with compelling social concerns. The boxing film portrays more than the rise and fall of a champion; it exposes the body to reveal the spirit. Not simply a brute, the screen boxer dramatizes conflicts and aspirations central to an American audience's experience. This book features chapters on the

conventions of the boxing film the history of the genre and its relationship to famous ring champions and self contained treatments of thirty two individual films including a chapter devoted to Raging Bull Martin Scorsese and the American Dream Jim Cullen,2021-06-18 Introduction the provincial cosmopolitan The Elizabethan era Redeeming dreams Impressive failures Dream critiques Recurring dreams Conclusion dream of life **The Oxford Handbook of Cinematic Listening** Carlo Cenciarelli,2021 Defines a new area of interdisciplinary research Looks at the ways in which listening to film is situated in textual spatial and historical practices Covers a broad span of film history from early cinema and European art cinema to contemporary science fiction and live score screenings Extends the study of film sound beyond film considering cinema in relation to media ranging from shadow plays and photograph musicals to video games and VR Book jacket

Martin Scorsese Vincent LoBrutto,2007-11-30 Martin Scorsese s current position in the international film community is unrivaled and his name has become synonymous with the highest standards of filmmaking excellence He is widely considered America s best living film director and his Taxi Driver and Raging Bull appear frequently on worldwide surveys of the best films of all time Here in the first biographical account of this artist s life Vincent LoBrutto traces Scorsese s Italian American heritage his strict Catholic upbringing the continuing role of religion in his life and art his obsessive love of cinema history and the powerful impact that the streets of New York City had on his personal life and his professional career Meanwhile the filmmaker s humble soft spoken public persona tells only part of the story and LoBrutto will delve into the other side of a complex and often tortured personality Scorsese s intense passion his private relationships his stormy marriages and his battles with drugs and depression are all chronicled here and in many cases for the first time In addition the book includes an interview with the director as well as filmographies cataloging his work as a director producer actor and presenter As his Best Director award at the 2007 Oscars clearly demonstrated Scorsese has become something like Hollywood royalty in recent years finally enjoying the insider status and favor that eluded him for most of his career But these recent developments aside Scorsese is also notable as a distinctly American type of artist one whose work created in a medium largely controlled by commercialism and marketing has always been unmistakably his own and who thus remains a touchstone of artistic integrity in American cinema In *Martin Scorsese A Biography* readers can examine not only the work of one of the form s genuine artists but also the forces that have propelled the man behind it *The Blood Poets: Millennial blues : from Apocalypse now to The matrix* Jake Horsley,1999 This thought provoking and insightful study of 40 years of American violent cinema ties together the multiple disciplines of psychology criminology censorship and anthropology The study is divided into two volumes Volume 1 American Chaos From Touch of Evil to The Terminator and Volume 2 Millennial Blues From Apocalypse Now to The Matrix Horsley raises a new dialogue between scholars and movie buffs as readers struggle to find their own answers to the connection between the need to portray and the need to watch violent films **The Films of Martin Scorsese and Robert De Niro** Andrew J Rausch,2023-06-14 In 1973 early in their careers Martin

Scorsese and Robert De Niro collaborated for the first time. Over the next few decades they worked together on seven more movies many of which brought them both acclaim and awards. And while successful director and actor pairings have occurred throughout the history of film few have fashioned so many works of enduring value as these two artists. In little more than two decades Scorsese and De Niro produced eight features including the classics *Taxi Driver*, *Raging Bull* and *GoodFellas*. In *The Films of Martin Scorsese and Robert De Niro* Andrew J Rausch examines the creative output of this remarkable pair from their initial offering *Mean Streets* to their most recent film together *Casino*. Rausch looks at their relationship as individual artists who worked together to create cinematic magic as well as the friendship that was forged nearly 40 years ago. Drawing upon interviews and other sources Rausch goes behind the scenes of their eight films providing insight. *New York Magazine*, 1981-02-09. *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

**Twogether** Sanjana Chhatlani, Emotions run high all through when the estranged couple disaster magnate Gautam and Miss Oh So Right Gunjan are forced to take a family vacation to the US for the sake of their two kids Akash and Shrutika. Needless to say there are fireworks all along what with barbed attacks from Gunjan unwanted attention from the others in the tour group and pressure from the kids. The entire journey becomes one hell of a roller coaster ride with a captivating mesmerising new world unfurling before them every day while they deal with each other's inconsistencies and a troubled past. The journey manifests into a bouquet of ridiculously funny sparky situations making you laugh cry and cringe in equal measure. Will the journey bring the two together? Will the cute to goodness Shrutika have both Mom and Dad live happily ever after just like in her fairy tales? The journey covers five states from coast to coast and numerous tourist destinations therein. At every juncture there are crazy but hilarious occurrences which keep bringing the two unwilling protagonists together much to their chagrin. All through the trip Gunjan fiercely and rebelliously defends her to be separated status. She even makes a futile attempt to break off from the tour mid way and return back to India with the kids. Gautam on the other hand is in a state of constant dilemma oscillating between holding on and letting go. There is also the entry of the ex to spice up the journey and make it obnoxiously funny. The unique highlight of the book is its format. It is presented by both the protagonists alternately giving a peek into both points of view while still carrying the story forward. It becomes a memoir with a fresh feisty approach that resonates with the reader at various levels. It's one book where relatable and ridiculous both go hand in hand making it an engaging and enjoyable read. It also handles the fragility complexities and deep rooted nature of family relationships with delicacy and at the same time with a dose of sharp wit and tongue in cheek humour. It's a visual tour of America through the eyes of tourists serving as a warm refresher for people who have seen the sights and a vivid description
