up of science fiction fantasy history and philosophy Plunder of Gor is the 34th book in the Gorean Saga but you may enjoy reading the series in any order Witness of Gor John Norman,2014-04-01 Ar defeated shamed and systematically looted is occupied by Cosian forces Perhaps Marlenus of Ar alone the great ubar could remind the men of their Home Stone and its meaning But it is thought that he perished in the Voltai Young women from Earth brought to Gor are commonly taken to the markets to be branded collared and sold as the delicious lovely livestock they are Such is the case of a young woman whom we shall call Janice for that was her Gorean slave name In the prison pits of piratical Treve there exists a chained prisoner who believes himself to be of the Gorean peasantry The nature and even the existence of this prisoner strangely enough is a closely guarded secret In order to better keep this secret it is decided that his servant and warder had best not be a native Gorean Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire Witness of Gor is the 26th book in the Gorean Saga but you may enjoy reading the series in any order **Mercenaries of Gor** John Norman,2014-04-01 Tarl Cabot is caught up in intrigues and rivalries on the planet of Gor in this science fantasy adventure On Gor there are numerous mercenary companies some larger some smaller whose services may be purchased or bid upon for given periods of time The allegiance of these companies is to their pay and their captains The forces of Cos and Tyros powerful maritime ubarates and their allies have now beached upon the mainland and are utilizing the city of Torcodino as a repository for supplies in preparation to march on a nigh undefended and unprepared Ar Should Ar fall the disinterested tolerances and neutralities and even the balance of power long sustained between Ar and the great maritime ubarates things that made the existence of the independent companies possible will vanish a development threatening the very existence of the independent companies But when Cabot arrives in Ar it is a city rife with doubt dissension and treason To whom shall the letters be delivered and whom can he trust Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire Mercenaries of Gor is the 21st book in the Gorean Saga but you may enjoy reading the series in any order **Ghost Dance** John Norman,2014-04-01 In Ghost Dance it is through Chance s keen eyes and weary heart that readers embark on a journey of discovery and sorrow On the run across the plains Chance stumbles upon Running Horse a Sioux warrior enacting the sacred and violent ritual of the Sun Dance Quickly Chance is pulled into the world of the Sioux people As their civilization teeters on the brink of destruction the Sioux perform the mournful and frightening Ghost Dance Clashes with the white man are frequent the Wounded Knee Massacre approaches still in the unknown distance and violence and anger threaten the traditions of a proud and once great people Nearby in her quaint sod house Miss Lucia Turner awaits the full impact of those clashes Dust on the horizon signals great change coming to her once simple life Lucia will soon become a different kind of woman With Ghost Dance author John Norman brings the same vigor and passion of storytelling and imagination that enriches his classic Gor novels to a vivid story of historical upheaval and personal exploration
