## **Rainas Story:**

Angels in Pink: Raina's Story Lurlene McDaniel, 2006-10-10 Raina is happy and relieved that her friends Kathleen and Holly found volunteering at the hospital rewarding. They loved their summers at the hospital so much they will be working for credit during their junior year. Raina is also looking forward to spending as much time as possible with Hunter during their last year of high school together. Kathleen is still dating Carson but they are at different schools and she's worried it won't last. And poor Holly's still waiting for her parents to let up on their rules so she can actually go out on a date. Everything is going well until Raina's old boyfriend Tony shows up and threatens to ruin the thing that matters to Raina the most her relationship with Hunter. But she isn't the only one with a secret. When Raina's mother reveals her family secret Raina feels betrayed. Luckily she has Holly and Kathleen to lean on.

Verini, Abir Bazaz, 2023-09-29 This book opens up a dialogue between pre modern women identified as mystics in diverse locations from South Asia to Europe It considers how women from the disparate religious traditions of Hinduism Islam and Christianity expressed devotion in parallel ways The argument is that women s mysticism demands to be compared not because of any essential female experience of the divine but because the parallel positions of marginalization that pre modern women experienced led them to deploy intimate encounters with the divine to speak publicly and claim authority The topics covered range from the Sufi devotional tradition of Sidi Indians of African ancestry to the Bhakti poet Mirabai and the nuns of Barking Abbey Collectively the chapters show how mysticism allowed premodern women to speak and act by unsettling traditional gender roles and expectations for religious behavior At the same time as uncovering connections the juxtaposition of women from different traditions serves to highlight distinctive features The book draws on a range of disciplinary expertise and will be of particular interest to scholars of medieval religion and theology as well as history and literary studies      *Teaching Fantasy Writing* Carl Anderson, 2024-07-16 Teaching fantasy writing increases student engagement enables them to flex their creative muscles and helps them learn important narrative writing skills Opportunities for kids to lean into their innate creativity and imagination have been squeezed out of most school days due to the pressures of standardized testing And writing instruction has become more and more formulaic In *Teaching Fantasy Writing* Carl Anderson shows you how to include a study of fantasy writing in your writing curriculum that will engage student interest and creativity and make writing exciting for them again *Teaching Fantasy Writing* is a game changer The fantasy genre gives children tools for expression that other genres don't providing them with a powerful way to work through challenging issues and emotions And it also offers students the opportunity to address subjects such as gaining confidence in oneself bullying fighting injustice and more Plus fantasy writing helps kids learn the skills necessary to meet narrative writing standards And they'll have fun doing it If you're an elementary school teacher who wants to help your students develop their writing skills by studying a high interest high impact genre you've come to the right place In *Teaching Fantasy Writing* Carl Anderson will Discuss why fantasy writing develops students creativity increases their engagement in writing and accelerates their growth as writers Walk you through fantasy units for students in grades K 1 2 3 and 4 6 which include detailed lessons you can teach

to help students write beautiful and powerful fantasy stories Suggest mentor texts that will show students how to craft their fantasy stories Show you examples of students fantasy writing including the worldbuilding work they do before writing drafts Explain how you can modify the units and lessons to fit the needs of the students in your classroom By teaching fantasy writing you can reignite the spark of creativity in your students and increase their joy in writing Imagine the possibilities

*Changing Scenes* Pirjo Lyytikäinen,2003-12-18 Six articles in *Changing scenes* represent the ongoing reassessment of fin de siècle literature in Finnish research The period was seen in earlier research as something of a national renaissance or golden age and interpreted in the light of its national symbols and meanings Only recently has more attention been paid to its international dimensions and its role in the modernisation of Finnish culture In particular the spotlight has been trained on the reflection in Finnish literature of manifestations of the degeneration thinking so common in Europe at that time Research has also picked out works and writers that featured less in earlier studies One modernist Finnish poet Neustadt Prize winning Paavo Haavikko is also examined in an article representing the latest Finnish research in this field
