Rainbow Round the Moon Stephanie Wyatt,1994

Representing the Rainbow in Young Adult Literature

Christine A. Jenkins,Michael Cart,2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don t always know what books offer well rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In Representing the Rainbow in Young Adult Literature LGBTQ Content since 1969 Christine Jenkins and Michael Cart provide an overview of the literary landscape An expanded version of The Heart Has Its Reasons this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well In this resource Jenkins and Cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are wrongheaded stereotypical or outdated Each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction This book also features an annotated bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers Encompassing a wider array of sexual identities Representing the Rainbow in Young Adult Literature is an invaluable resource for young people eager to read about books relevant to them and their lives

Over

the Rainbow and 'Round the Moon ARIEL. ARCHER,2024-06-11 The Summer of 69 A summer when it all came together and when a lot of things came apart A summer of small steps and giant leaps or beginnings and endings of change For Theresa McKinley Julia Bancroft Jillian Adams Alan Madison Abby Waterstone Reggie Moore and other characters from the Fate Chance and Choices trilogy and related works it was a summer in which a lot happened in which they connected to each other and what was going on in the world around them It was a summer that brought transformation reflection action and reaction It was a summer like no other From the pen of Ariel Archer a tale that weaves the fabric of fate chance and choices tighter and more complexly than any other book in the series A tale that brings all others together and at the same time one that can be read and enjoyed completely detached from the trilogy and related works A tale that will likely take your mind and heart Over the Rainbow and Round the Moon
