

The background of the entire page is a photograph of a sunset or sunrise over a body of water. The sky is a deep, vibrant red and orange, with a faint rainbow visible on the left side. The water is dark and calm, reflecting the colors of the sky. In the distance, a small boat is visible on the water.

Shadows Point to Rainbows An Unwanted Dog Becomes an Injured Boy's Best Friend is a tribute to one German shepherd who was providentially assigned to a young man living in north central Oregon With a tap at the door Champion came into young Jed Franklin's life His mother faithfully recounts how this loving and faithful friend stood by his master helping him recover from a life threatening life changing accident when he was eight years old so he could grow into manhood This touching and faith building story about a gift of God wrapped in fur was written to share lessons and encouragements from the providential events of the life of a boy growing up with his dog Rather than withdrawing into himself the young man was able to see the rainbows of life that follow the clouds

Prospero's Daughter Elizabeth Nunez, 2007-12-18 A spellbinding new novel from acclaimed author Elizabeth Nunez Prospero's Daughter is a brilliantly conceived retelling of Shakespeare's The Tempest set on a lush Caribbean island during the height of tensions between the native population and British colonists Addressing questions of race class and power it is first and foremost the story of a boy and a girl who come of age and violate the ultimate taboo Cut off from the main island of Trinidad by a glistening green sea Chacachacare has few inhabitants besides its colony of lepers and a British doctor who fled England with his three year old daughter Virginia An amoral genius Peter Gardner had used his talents to unsavory ends experimenting often with fatal results on unsuspecting patients Blackmailed by his own brother Peter ends up on the small island as England's empire is starting to crumble On Chacachacare Peter experiments chiefly on the wild Caribbean flora and on the dark skinned orphan Carlos whose home he steals Though Peter considers the boy no better than a savage he nonetheless schools the child alongside his daughter But as Carlos and Virginia grow up under the same roof they become deeply and covertly attached to one another When Peter

discovers the pair's secret and accuses Carlos of a heinous crime it is up to a brusque insensitive English inspector to discover the truth During his investigation a disturbing picture begins to emerge as a monstrous secret is finally drawn into the light From the Hardcover edition Jan's Rainbow; Stories of Hope; How Those We Have Loved and Lost Stay in Touch Lindsay Collier, 2002-06-05 It was just one day after Lindsay Collier's wife of forty years Jan lost her battle with ovarian cancer that a beautiful rainbow surrounded their home in upstate New York where family members were gathered to celebrate her life Since that time there have been many amazing experiences that have provided some very compelling proof that Jan is not very far away And Lindsay a former engineer engineers always need proof is not one who is prone to fantasy which makes these occurrences all the more believable He also tells about some other rather amazing experiences that he and his family have had following losses of other loved ones These stories alone will make a believer out of you But there is much more Lindsay also found that as he related these stories to friends and associates he would often find that they would frequently offer their own stories about how lost loved ones had made contact with them The stories were amazing and revolved around everything from dragonflies to birds to lights and clocks changing to things appearing out of nowhere There are more than twenty five of these included in the book all of which will leave you feeling very good and a little less lonely for those you have lost Lindsay made a commitment to learn as much as he could from his loss and to help others to find ways to survive their loss He has spoken to a number of bereavement groups about how to survive loss and shares these insights in Jan's Rainbow His suggestions and ideas on dealing with loss come from true experience Before taking early retirement Lindsay was the Creative Thinking Guru for Kodak so his ideas tend to be different As he says Losing a loved one is a life changing experience and it requires some very creative thinking to get through it There are some wonderful and very different tips for dealing with loss included that will ease the journey through the bereavement process Included are ways to re frame your thinking how to use positive humor in your healing and the use of metaphors to expand your thinking or finding innovative ways to survive and much much more This book is a must for anyone who has lost a loved one or knows of someone who has It is the ultimate feel good book for helping people to deal with losing a loved one You'll cry you'll laugh and you'll be lifted to a new level of hope A substantial portion of the proceeds of this book will be donated to Gilda's Club of Rochester New York an organization built in memory of Gilda Radner which provides help to women with cancer **Jan's Rainbow** Lindsay Collier, 2002 It was just one day after Lindsay Collier's wife of forty years Jan lost her battle with ovarian cancer that a beautiful rainbow surrounded their home in upstate New York where family members were gathered to celebrate her life Since that time there have been many amazing experiences that have provided some very compelling proof that Jan is not very far away And Lindsay a former engineer engineers always need proof is not one who is prone to fantasy which makes these occurrences all the more believable He also tells about some other rather amazing experiences that he and his family have had following losses of other loved ones These stories alone will make a believer out of you But there is

much more Lindsay also found that as he related these stories to friends and associates he would often find that they would frequently offer their own stories about how lost loved ones had made contact with them The stories were amazing and revolved around everything from dragonflies to birds to lights and clocks changing to things appearing out of nowhere There are more than twenty five of these included in the book all of which will leave you feeling very good and a little less lonely for those you have lost Lindsay made a commitment to learn as much as he could from his loss and to help others to find ways to survive their loss He has spoken to a number of bereavement groups about how to survive loss and shares these insights in Jan s Rainbow His suggestions and ideas on dealing with loss come from true experience Before taking early retirement Lindsay was the Creative Thinking Guru for Kodak so his ideas tend to be different As he says Losing a loved one is a life changing experience and it requires some very creative thinking to get through it There are some wonderful and very different tips for dealing with loss included that will ease the journey through the bereavement process Included are ways to re frame your thinking how to use positive humor in your healing and the use of metaphors to expand your thinking or finding innovative ways to survive and much much more This book is a must for anyone who has lost a loved one or knows of someone who has It is the ultimate feel good book for helping people to deal with losing a loved one You ll cry you ll laugh and you ll be lifted to a new level of hope A substantial portion of the proceeds of this book will be donated to Gilda s Club of Rochester New York an organization built in memory of Gilda Radner which provides help to women with cancer **What to Do When Life Falls Down Around You** Elizabeth B.
