Rainbows Landing:

Rainbows Landing Steve Tiller, 2002 Fred a sea anemone feels that life on the reef is unfair He wants to follow the tide with Lucy the clownfish and see the open sea *Inside the Rainbow* Sandy Sinclair, 2011-04-09 INSIDE THE RAINBOW by Sandy Sinclair Alaskan bush teacher Not just memoirs of an ol teacher but the author deals with how the events of the past may be connected to our current life Beside the Alaska adventures there are some significant points made throughout the book There is a word for word interview with OSAMA bin LADEN as repeated from this author s contact with Peter Bergen of CNN the only western journalist ever to personally talk with the jihadist in his cave back in 1997 This clearly explains the nature of our current conflict Rosa Parks not going to the back of the bus affected America Passengers of flight 93 had the foresight to sacrifice themselves for preservation of their fellow Americans in Washington DC targeted by the hijackers of that flight The Sec of State stood against a belligerent congress in 1867 to purchase Alaska from Russia proving the collective wisdom of our congress is often totally wrong JFK challenged us to do the impossible go to the moon This success gave us confidence to attempt other impossibles Our total dependence on modern technical devises may be a big gain But let us evaluate what we have lost in doing so There are productive ways for us all to deal with the national tragedy of Sept 11th 2001 *Jebbley & Soufflé* Kevin J. Zrenda, 2014-01-02 Jebbley and Souffl A Story of Play is unique within the childrens literature space A bit of an ode to Moores The Night Before Christmas in its rhythm a hint of Seuss and a lengthier structure made manageable by a choose your own adventure format it is a story of a horse and lion of two friends journeying by rhyme through the idyllic scenes of childhood and imagination It refreshingly emphasizes play warmth and comfort while complimenting the traditional childhood routines of napping and sleeping It is meant to be a celebration of the safe roots and heart of the childhood experience of play Reinforcing a beautiful message is beautiful artwork details are not overwhelming and yet even the texture of the canvas is still visible to entertain the eyes The Concept Jebbley and Souffl embark on wonderful adventures through the mechanism of a magical elevator whisked away to idyllic locations familiar to most children In being able to choose a floor the story becomes shorter or longer based on the whim of the reader With a poetic stylized writing the work is intended to be read to the 2 4 year old with the aim that a 5 6 year old can read it both to enjoy and to become familiarized with new vocabulary The overall intent is to bring together parent and child teacher and student adult and little one while imparting fun joy the familiar and rhythm into the young ones experience of reading In addition a generic prayer to the Lord and themes of both napping and sleeping render the book a potential favorite at both of these regular times for young ones The combination of rich language beautiful art and directional storytelling set this book apart and will draw the reader to return again and again The Rainbow Master James Garrett, 2002-07-03 The Rainbow Master is a delicate and heart warming tale of a hidden world beyond our everyday senses Where brightly colored rainbows exemplify the ultimate love in the universe A spectacular mosaic of adventure unfolds quite rapidly as our characters weave their way through

episodes of everyday life and into this magical kingdom They find themselves enlightened by the very nature of their own existence and discover that each one of us is a wondrous world within ourselves The storyteller brilliantly enchants the reader with soft beautiful melodies intermingling throughout the book while guiding the characters toward ageless mysteries and fascinating self realizations You will find your emotions playfully entertaining as the beat of your heart turns each page The chapters are profoundly set in motion by this most powerful invisible influence The storyline whimsically sweeps up the characters and accelerates them in the direction of a more positive understanding and a better tomorrow The Rainbow Master calls out your name and beckons you to join in the journey Beware Only an Open Heart can gain you entry You might find yourself viewing life in a different light as you reevaluate your priorities *Live Stream: Wild Upgrading Kan*
